

Jonathan Green

FOR THE BEST LAWN IN TOWN

Green-Up Lawn Fertilizer with Green-Meter Technology®

- An ideal balance of fertilizer for today's high quality turf requirements
- Green-Meter Technology Controlled Release Nitrogen (40%) continuously feeds the turf for 10 - 12 weeks
- Nitrogen release is unaffected by excessive rainfall, thereby reducing grass clippings
- Uniform particle size for even distribution
- Great on cool season and warm season turfgrass
- Contains iron and sulfur - helps lawns resist drought and disease
- Contains humates for root development, plant food uptake and improved performance and appearance
- **You may seed with this product**
