The Consumer Protection (Distance Selling) Regulations 2000 as amended by the Consumer Protection (Distance Selling) (Amendment) Regulations 2005 do not apply to this Agreement.

1.5 The provision of each of the Services may be subject to a fair use policy and/or an Acceptable Use Policy as applicable;

2 Term and Commencement

2.1 This Agreement commences on the Effective Date and will continue in force until you or us terminate it in accordance with Clause 24 (termination).

2.2 You may cancel a Service at any time up to:

(a) the Service Start Date in the case of a Phone Service and/or a Broadband Service; or

If you terminate a Service before the end of the Minimum Term or a Renewal Term (or we terminate it due to your breach of the Agreement) we will Charge you a Cancellation Fee. Our current Cancellation Fees are available on our Website.

3 When we start providing the Services

3.1 The provision of each Service commences on the relevant Service Start Date. The Service Start Date and any other dates agreed with you regarding our provision of the Services (e.g. installation, delivery of Equipment) are estimates and are provided for planning purposes only. To the maximum extent permitted by applicable law, we accept no liability to you if we do not meet a Service Start Date or any other date. Time is not of the essence.

3.2 We will agree a date with you for installation of new lines. If you cancel any appointment for the installation of any Service with less than 48 hours' notice, you will be liable to pay a missed appointment charge as part of our Charges which are available on our Website.

3.3 For fixed line transfers, we will normally transfer the line from your current provider within ten (10) working days. The time taken to port numbers from other networks varies and sometimes portability may not be possible or reasonably practicable. If this happens we will provide you with a new number(s).

3.4 You acknowledge that in order to avoid delays occurring in the ordering process, we will need to be notified by BT Wholesale/TalkTalk Wholesale of any products or services presently in use on your line that are incompatible with the WLR or NGN service. BT Wholesale/TalkTalk Wholesale or other network providers are under a strict duty not to disclose information about a customer's services to a third party unless the customer has consented to such disclosure. In entering into this Agreement you give consent to BT Wholesale/TalkTalk Wholesale or other network providers to disclose such information to us. You also give us authority to act as your agent to arrange connection onto our Services.

4 Proper use of the Services

4.1 Your breach of your obligations under this Clause 4 may result in the suspension or termination of the affected Services or in the termination of the Agreement.

4.2 You are responsible for terminating, at your own expense, any contracts you may have with your previous suppliers for services similar to our Services or which are not compatible with our Services. You are solely responsible for any liabilities you may incur when you terminate your agreements with them.

We shall be entitled to revise the Charges you pay to reflect the changes agreed with you and we may (at our sole discretion) require payment prior to effecting such changes.

You acknowledge that we are dependent upon certain third parties to install and provide the Broadband Services to you. You also acknowledge and affirm that there may be technical limits that prevent us from delivering an operational service to you. We will endeavour to provide the Broadband Services to you at the access rate you choose but, due to: (i) congestion within the network; (ii) the ability of your BT Wholesale/TalkTalk Wholesale™ line to carry data services; or (iii) the distance from the exchange, the speed of service may be reduced at times.

5.4 If you have purchased a computer security service from us, you must uninstall any other computer security services from your computer.

5.5 Routers purchased directly from TST will receive technical support within their warranty period. Technical support for modems or routers acquired from any other source is therefore the responsibility of the manufacturer.

5.6 If we offer you limited Broadband plan, it may include a monthly data transfer allowance. This allowance expires at the end of each calendar month and any unused allowance cannot be transferred to a subsequent month. You are solely responsible for tracking your data usage. If you subsequently exceed this allowance we reserve the right to charge you for this extra usage at our then current rates.

5.7 You acknowledge that Services are provided to other users and we owe a duty to these users as a whole to preserve our network integrity and avoid network degradation. If, in our reasonable opinion, we believe that your use of the Services has or may adversely affect such network integrity or may cause network degradation we may manage your transmission speed, the type of traffic you are passing, and/or suspend your service.

5.8 In using our Broadband Service you agree to comply with our Acceptable Use Policy.

6 Your use of the other Services

6.1 The Cloud Voice service schedule will also apply to you if we provide Cloud Voice services to you. The Cloud Voice services will automatically cease if we stop providing you with Phone Services, unless we agree otherwise.

7 Your Use of Content

7.1 Where the Service allows access to the internet you understand and affirm that the use of the internet is at your own risk.

7.2 We do not warrant or guarantee the accuracy or completeness of any of the information, sound, images, software and any other materials (in whatever form) and services contained on or available

through the Services or any further information or results which may be derived from it (the “Content”). You acknowledge that you will not rely on any Content in making any business or other decision and that your use of the Content is at your sole risk.

7.3 You are entirely responsible for evaluating any goods or services offered by third parties via the Services or on the internet. We will not be a party to or in any way be held responsible to you for any transaction between you and third parties.

7.4 You warrant that any information you make available on your website, both yours or that of a third party is and will remain wholly accurate and will not include any information or material, any part of which, or the accessing of which or use of which, would be a criminal offence or is otherwise unlawful.

8 User Names and Passwords

8.1 You must ensure that user names and passwords used in connection with the Services are kept confidential and are only used by authorised users. You shall implement safety measures to prevent and detect any unauthorised use of user names and passwords and inform us immediately if you know or suspect that a user name or password has been disclosed to an unauthorised user or is being used in an unauthorised way. You must not change or attempt to change a user name without our written consent.

8.2 We reserve the right (at our sole discretion):

(a) to suspend user names and password access to the Services if at any time we think that there has been or is likely to be a breach of security; and

(b) to ask you to change any or all of the usernames and passwords you use in connection with the Services.

8.3 You must inform us immediately of any subsequent changes to the information you supply to us when you register for the Services.

8.4 You acknowledge and affirm that the Services, including but not limited to internet related Services, are not secure and we do not guarantee the prevention or detection of any unauthorised attempts to access the Services.

8.5 You shall be liable for any unauthorised use of user names and passwords by third parties if this use is due to you failing in keeping them confidential or in implementing safety measures to prevent and detect any unauthorised use of user names and passwords.

9 Software

9.1 Where we provide software to you to enable you to use the Services, including backup and computer security services (“Software”), we grant you a non-exclusive, non-transferable, revocable licence to use the Software solely for the term and the purposes of the Agreement.
