WHY CHOOSE AN ALBION BATH FOR YOUR BATHROOM PROJECT?

Albion baths are around a third of the weight of a cast iron equivalent, because they are made from our durable Iso-Enamel material. Not only this, they keep your bath water hotter for longer, as our unique material acts as an insulator, rather than a conductor of heat.

SBC'S HERO COLLAGEN FORMULA

This versatile and sophisticated anti-ageing formula, for the face and body, to help address the appearance of fine lines and wrinkles, and restores moisture to dry, dehydrated skin. Use on its own or to enhance and customise your existing skin care regime. In consumer trials 100% said their skin appears less lined and more youthful. 100% said their skin appears more moisturised and hydrated.

This month's ESSENTIALS

CREATE BEAUTY FROM WITHIN TODAY PURE HA NEW ENHANCED FORMULA

Hyaluronic Acid (HA) is found naturally throughout the body but most abundantly in the skin where it helps create a smoother plumper appearance. As we age, our HA levels reduce. By taking PureHA liquid food supplement daily, you are naturally helping to top up your bodies HA levels. Join the fight against ageing today and create beauty from within with PureHA. 17mg of HA in every sachet and now with added Vitamin C. Simply add to water and drink. As sold in Waitrose.
