

P60I Commissioning, Examination & Testing of LEV

BOHS PROFICIENCY CERTIFICATE

This **PROFICIENCY CERTIFICATE** Course will provide the basic knowledge and information for those who are required to show “Competence” in the management, supervision or conduct of **LEV Commissioning, Examination & Testing**.

The **Tutor** on this highly inter-active course is **Bill Cassells (Formerly of HSE and with 35 years experience in LEV)**. Bill brings a fresh approach to the subject together with his extensive knowledge of all things LEV—all of which is delivered in his own lively, supportive and informal style.

The course is particularly suited to Commissioners, Examiners and Assessors of LEV systems, Engineering and Maintenance personnel, Health and Safety or Occupational Hygiene professionals, Managers, Supervisors and Building Services engineers

This is a 4 day course with the Written Exam and Practical Assessments on the final day.
