## What's the Need?

- Arizona has more than 15,000 children in the Arizona foster care system.
- Each year over 800 children "age out" of the system when they turn 18.
- 1 out of 5 become homeless.
- 1 out of 4 become incarcerated.
- Only 33% graduate high school and only 3% will ever graduate from college.

- Your donation does not limit your ability to give under other Arizona tax credits, such as the private and public school tax credits. You can give and benefit under all Arizona tax credits.
