

## Din Rail mounting USB B Interface Module

This module provides a quick and compact method of breaking out USB Type B cables to screw terminals.

FELUSBB

### Features

- Single USB A type socket to screw terminals
- Terminals marked +5V, D-, D+ and GND
- Separate shield connection
- 35mm DIN rail mounting
- Option for 32mm (G) rail mounting
- Available with optional wall mounting plates
- 45° terminals for easy access
- RoHS compliant
- SVHC free (2011)

### Specification

- Rating 30V DC 100mA
- Cable entry 0.2 - 4mm<sup>2</sup> (30 – 12 AWG)
- Terminal screw M3
- Strip length 6mm (0.24")
- Max terminal torque 0.5Nm (4 lb-in)
- Dimensions: Height 41mm (1.61")  
Length 26mm (1.02")  
Width 83mm (3.27")

Part	Description
FELUSBB	USB B to screw terminal interface. 35 mm din rail mounting

Add suffix W for wall mounting plates. Add suffix 32 for Universal (15, 32 and 35mm) din rail mount
