About the CBM

"The CBM is based in the UK and seeks to preach the gospel in Europe and Africa, including the Middle East and central Asia". It has a duty and privilege to, by God's grace to:

- o **extend the family:** *"Go into all the world and proclaim the gospel to the whole creation. Whoever believes and is baptized will be saved, but whoever does not believe will be condemned";* and
- o **maintain the family:** *"By this all people will know that you are my disciples, if you have love for one another"*

Next issue of the Bible Missionary magazine

The next issue of the Bible Missionary magazine is due for publication in October. Snippets of some of the articles are below. For the full articles, please read October's magazine:

"Our first brother in Lebanon

The truth of God's word was spoken to both of these men during our stay. The highlight for me was sitting on the foreshore of Tyre and reading from the Bible the history of that place. Bashir was with us on that occasion, and it was impressive to see, with our own eyes, the nets spread out over the rocks, just as had been predicted so many hundreds of year before..."

"No Room at the Inn – A month in Dili, Timor Leste

Flying in, one looks down on an island covered in high peaks of inhospitable mountainous terrain and dried up riverbeds. It is impoverished but whilst seemingly forgotten by the world, it is very clear that it has not been forgotten by God! "

Sister Latina of Colon

"I refused to go. I could not confess my sins to no priest – he was just a man, not God. My father beat me twice because I would not go..."

Country Profile - Denmark

1. Denmark is a Scandinavian country of over 5 million people and its capital is Copenhagen
2. There are currently 3 brothers and 1 sister in Denmark all of whom are resettled refugees from

the Congo and Rwanda

3. The stories of how they came to hear the faith - all in refugee camps - show God's remarkable hand at work

4. For example, Bro Deo 'happened' to be billeted with the only Christadelphian in a refugee camp in Swaziland and learnt the faith through discussions with his room mate

5. There are 2-3 short CBM visits to Denmark per year and enquiries are welcome to Bro James Munday (jamesmunday@gmail.com)

This is the splendid new entrance to the Goma ecclesial property in Democratic Republic of Congo. The wall and gate was built this year with CBM funding. The wall and gate were required by the local authorities to secure the land with a surrounding wall, and this is the result. The neighbours certainly know they're there now!
