

PEGLER Bathroom & Kitchen TAPS & MIXERS

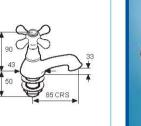

Souvenir BATHROOM & KITCHEN TAPS & MIXERS

Souvenir is a tribute to the age when Pegler was founded, designed to imitate the rounded Victorian style which complements both antique and modern decor. Souvenir is available in traditional light gold finish or contemporary chrome and boasts a two year warranty and the built-in reliability, service and assurance that comes with a 100 year pedigree and Pegler's famous watertight guarantee of quality.

Leger BATHROOM & KITCHEN TAPS & MIXERS

Attractive modern styling, performance and reliability make the Leger range from Pegler a class leader. Contemporary smooth curves bring a touch of luxury to any application - domestic or commercial - quarter-turn lever-operated handles and classic, durable chrome plate finish have practical and aesthetic appeal.

Manufactured from the finest materials under stringent conditions, the new Leger range also bears all the hallmarks of Pegler's 100-year pedigree – including that famous watertight guarantee of quality.

Performa

BATHROOM & KITCHEN LEVER HANDLE TAPS & MIXERS

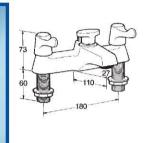

A range of taps which combine Pegler quality with easy operation. The Performa lever operated range offers a practical solution for anyone with limited dexterity. Typical installations range from Hospitals, sheltered housing, carehomes, homes for the elderly and domestic housing. Manufactured from WRc approved materials, Performa's lever range gives consistently reliable performance. The use of 3/4" valves in bath taps and mixers ensures that the whole of this range give consistently high performance even on low pressures. Plated to BS1224 and covered by a full range of spares these products are backed by Pegler's watertight guarantee of quality.
