The ring should be rectangular with a minimum of 2000 square feet with no side being less than 40 feet for all Rally classes.

No grooming or crating within ten feet of any Rally ring during the Rally portion of the show. Clubs must ensure that Rally rings are used only for Obedience and Rally trials, not for practice or warm-ups.

Jumps

ASCA Affiliate Clubs hosting a sanctioned Specialty or Show must provide one full set of jumps per Rally ring utilizing jumps defined in these Rules and Regulations (see Chapter 1, Section 15).

High jump and Bar jump will be set to the table below for the dog in question:

| 15 inches to less than 20 inches | 12 inches |
| 20 inches and over | 16 inches |

Broad Jump

Broad jump will be set to the table below. The width of the broad jump will be set to twice the height jumped in the high jump table above.

| JUMP HEIGHT | NUMBER OF BOARDS | DISTANCE JUMPED |
|---|------------------|-----------------|
| 4" | 1 | 8" |
| 8" | 2 | 16" |

| If using less than three boards for the Broad jump, the tallest board(s) will be removed first. | | |

Armbands

Exhibitors shall be provided armbands or stickers, which must be worn on the upper left arm, indicating their dog's order in the class.

Affiliate Clubs can have a clinic, run-throughs or a "show and go" after the sanctioned trial(s) are over. The clinic, run-throughs or "show and go" cannot take place until the Judges of the sanctioned Rally trial(s) have completed judging all the classes scheduled for the sanctioned event(s) for the day and the awards have been given out.

Rally Rules and Regulations

Purpose

ASCA Rally is a sport that focuses on the partnership and teamwork that develops between the dog and handler, referred to in these Rules and Regulations as the "Team." Rally trials are designed to showcase not only the ability and relationship of the team, but also the camaraderie between exhibitors. Dog and handler teams are required to perform a course consisting of a set of exercises designed by the Judge according to these Rules and Regulations. All teams are held to the same standard of performance. Courses are to be executed as one continuous performance, moving fluently between stations. While a team is on the course, they should exhibit accuracy, briskness, and smoothness, as well as enthusiasm and enjoyment. Above all, an exhibitor should exhibit good sportsmanship toward both their dog and other exhibitors.

1 General Regulations

1.1 Clubs

1.1.1 Type of Event and Restrictions

Only ASCA Affiliate Clubs in good standing may sanction ASCA events. Only one of each type of event may be held in each state or area (in those states divided into areas) on any given date. A "type of event" is defined as Conformation, Obedience, Stockdog Trial, Tracking, Agility, or Rally.

1.1.2 California Areas

California is divided into three areas: from the Mexican border north to the city of Ventura, from Ventura north to San Jose, from San Jose north to Oregon. Nevada is divided into two areas: From the southernmost border North to Highway 6 North to the Oregon and Idaho borders.

1.1.3 Alaska Exception

Alaska Affiliates may have more than one of each type of event per day from October 1 through March 30.

1.1.4 Non-ASCA Affiliated Corporation or Business

Official ASCA programs that require sanctioning and award points or qualifying scores that lead to an ASCA title shall not be conducted by any individual(s), non-ASCA Affiliated corporation(s) or business(es).

1.1.5 Show Coordinator and Trial Secretary

Affiliate Club(s) in good standing with ASCA will have the exclusive right to schedule, sanction and conduct Official ASCA programs. The Show Coordinator must be a Full ASCA member in good standing and appointed by the Affiliate Club hosting the show. The Show Coordinator will be responsible for accurate filing of trial sanctioning along with appropriate fees in a timely manner. The Show Coordinator is also responsible for ensuring all trial reports, with appropriate fees and qualifying score entry forms, are submitted to the ASCA Business Office after the show in a timely manner. Copies of any entries sent to the ASCA Business Office must be copied and kept on file with the Host Club for a minimum of one year.

A Trial Secretary/Chairman must be a Full ASCA member in good standing. A Trial Secretary is typically the person receiving the entries for the trial.

1.1.6 Monetary Profit

No individual(s), non-ASCA Affiliated corporation(s) or business(es) shall realize any monetary profit, or any other benefit because of any connection with an ASCA sanctioned event. Normal event sponsorship or advertisement by any individual(s), corporation(s) or business(es) shall not be in conflict with this rule. Individuals, corporations or businesses that enter into agreements with Affiliate Clubs to supply materials, services, facility rentals, livestock rentals or any other need required for the conduct of sanctioned events shall not be in conflict with this rule. The use of a Club's name for event purposes cannot be transferred.

1.1.7 Application to Hold a Rally Trial

ASCA Affiliate Clubs that meet the requirements of ASCA and wish to hold a Rally Trial at which qualifying scores toward a Rally title may be awarded must make application to the ASCA Business Office on the form provided for permission to hold such Trial. This application must be submitted and postmarked no later than ~~60~~ 45 days prior to the event. (Effective June 1, 2019) A sanctioning fee per Trial shall be submitted with the application (see the ASCA Schedule of Fees). Sanctioning Requests will not be accepted with missing information (i.e. incomplete judging panel). A Show Premium that includes all the information listed in Section 1.4 Premium must be included with the sanctioning request.

If an incomplete Sanctioning Request is received, the Business Office will notify the affiliate that the form is incomplete and will return it to the affiliate. Submitting an incomplete Sanctioning Request will not meet the ~~60-days~~ 45-days -prior submission requirement. If a fully completed Sanctioning Request and Premium are not received at least ~~60~~ 45 days prior to the event, any fees associated with a late request will apply. (Effective June 1, 2019)

1.1.8 Lost Sanctioning Requests

The ASCA Business Office will not accept responsibility for sanctioning requests lost in the mail.

1.1.9 First Right to Trial Dates

Each Host Club that holds a sanctioned event at least once in every two consecutive years shall have first right to claim the corresponding dates or holiday weekend for its event to be held in the next succeeding two years. If the Club having first right to the date(s) does not host a sanctioned event on that date in the following year, another Club may use the preexisting date for an event. The original Club shall still have first right to the date on the second year following their original event. If they do not host a sanctioned event on that date in the second year, they lose the first right to the date. The ASCA Business Office will hold paperwork from any other Club wishing to use a preexisting date until the ASCA Business Office has been notified that the Host Club with the preexisting date will not use the event date that year. If paperwork must be held pending receipt of the notification from the Host Club with the preexisting date, the ASCA Business Office will notify the second Club within 14 days upon receipt of the Sanctioning Request Form. To facilitate timely receipt of materials, Clubs wishing to use a preexisting date should contact the Host Club and request notification be sent in writing to the ASCA Business Office stating the preexisting date will not be used that year. If the Host Club with the preexisting date does not use that date on the second year following their original event, first claim to that date will pass to a second Host Club, if there is one. If a date has not been previously claimed, the Host Club whose sanctioning is postmarked first shall be awarded the date.

1.1.10 No Affiliate for State/Area

If an Affiliate Club does not serve a state/area, then an Affiliate Club from another state/area may sanction events there on a first come basis.

1.1.11 Sanctioning Outside of State/Area

If an Affiliate Club wishes to sanction an event at a site that is outside of their state/area they must first secure written permission from all the Affiliate Clubs in that state/area. This written permission shall be submitted to the Business Office with the Sanction request before sanctioning can be granted.

1.1.12 Sanctioning Authority

If an Affiliate Club organizes in a state/area that formerly did not have an Affiliate Club, then the new Club shall have primary sanctioning authority. Out of state/area Affiliate Clubs must then follow the procedure as outlined in the previous two paragraphs.

1.1.13 Sanctioning for Pre-Nationals Trials

Affiliate Clubs who sanction pre-national events to be held in the state/area of the National Specialty event are exempt from the provisions of this section.

1.1.14 Inclusion of Local Laws in Premium

Any ASCA Affiliated Club requesting ASCA sanctioning for any event(s) shall, when making application for said event(s), include any applicable county, state, country or any other bylaws, rules of conduct or associated restrictions regarding dogs, their

exhibition and the holding of said event(s) and shall include a list of such rules, bylaws or restrictions in the premium list. Rules, restrictions, bylaws, etc. shall be printed in English and the language of the country where the said event(s) will be held, listing all pertinent information.

1.1.15 Use of Judges 30 Day Rule

ASCA Affiliate Clubs are encouraged to use a variety of approved Judges. Any club can hire any Judge once every 30 days. To clarify, two different clubs may hire the same Judge within the same 30-day period even if the clubs are in the same area of the country. However, if the Club(s) holds multiple Trials during the same cluster of shows, they will be allowed to use the same Judge to officiate for multiple Trials. Assignments should be organized so that exhibitors show to as many Judges as is practical.

1.2 Late Sanctioning

1.2.1 Penalties

Sanctioning requests received between ~~45-60~~ 30 and 45 days prior to an event will be accepted upon payment of a fine (see the ASCA Schedule of Fees) per day past the ~~60-day~~ 45-day postmark deadline. Sanctioning requests received by the Business Office less than ~~45~~ 30 days prior to a sanctioned event will not be accepted under any circumstances. Clubs submitting delinquent sanctioning request three times will lose all late sanctioning privileges for a period of two years. It is recommended that Clubs retain proof of mailing for all sanctioning requests. (Effective June 1, 2019)

1.2.2 Lost Sanctioning Requests

The ASCA Business Office will not accept responsibility for sanctioning requests lost in the mail.

1.2.3 Losing First Right to Date

If the Host Club with the preexisting dates postmarks their sanctioning request form past the ~~60-day~~ 45-day deadline and it is not received at least ~~45~~ 30 days prior to the event, they will lose first right to this date for that year. (Effective June 1, 2019)

1.3 Entries

1.3.1 Official Form and Signature

All entries are to be made on Official ASCA entry forms and must be signed by owner/agent.

1.3.2 QTracker Number

QTracker numbers are mandatory for all non-ASCA registered dogs exhibiting in ASCA Rally. A dog may compete at the Trial where the handler applies for an ASCA QTracker number. The handler will be issued a receipt by the Registration table valid for 60 days to allow the Business Office time to issue the QTracker number. QTracker forms may be obtained at either www.asca.org, or the ASCA Business Office. No entry will be accepted that has any stipulations as to its acceptance.

Premiums cannot be distributed prior to the ASCA Business Office receiving a copy included with the sanctioning forms and fees. A copy of the premium is to be sent to the Judge prior to the event.

1.5 Rally Classes

1.5.1 Classes to Hold at Trials

A Specialty or Sanctioned Rally Trial must include all the Regular Rally classes defined in these Rules and Regulations.

1.5.2 Offering Non-Regular Rally Classes

Any Affiliate club which has been approved to hold a Specialty or Sanctioned Rally Trial, if qualified in the opinion of the ASCA Business Office, may offer additional Non-regular classes for dogs not less than six months of age. Non-regular classes defined in these Rules and Regulations need not be described in the premium. Any non-regular class not described in these Rules and Regulations must have a clear and complete description of the requirements of eligibility and performance printed in the premium.

1.5.3 Run Order for Non-Regular Classes

Non-regular classes will always be held after all regular classes have finished and awards for those classes have been distributed. The only exception to this rule will be when there are multiple Rally rings running at the same time, such as at ASCA

Nationals and other large shows. Even in the case of the ASCA Nationals, it is suggested that non-regular classes run last if possible.

1.6 Rally Trial Committee

1.6.1 Appointment and Authority

If an Affiliate Club holds a Sanctioned Rally Trial only, the club must appoint a Rally Trial Committee. This Committee shall exercise the same authority vested as in any other ASCA Show Committee.

1.6.2 Show Committee at Multiple Event Trials

If an Affiliate Club holds a Sanctioned Rally Trial in conjunction with any other ASCA sanctioned event, the club's Show Committee shall include one person designated as "Rally Chairman." The Rally Chairman is then part of the Show Committee for that event. At such events, the Show Committee of the show-giving club shall have sole jurisdiction over all matters that may properly come before it, regardless of whether the matter has to do with any other ASCA Sanctioned Event.

1.6.3 Showing to the Judge

The person hiring the Judge(s) for the Rally Trial will be allowed to compete in the Rally Trial. The Rally Trial Chairman and other members of the Show Committee will also be allowed to compete in the Rally Trial.

1.7 Identification

No badges, coats with kennel names, dogs' names, or any dog related advertisements, shall be worn or displayed, nor any other visible means of identification used, by an individual when exhibiting a dog in the ring. In the Rally Relay Team Class, exhibitors may wear coordinated clothing if desired, with art and/or the team name. However, kennel names and names of dog-related businesses will still not be allowed.

1.8 Immediate Family

As used in this rulebook, "Immediate Family" means spouse, parents, grandparents, children, grandchildren, siblings, or any combination of the preceding by marriage, i.e. stepchildren or parents-in-law, or person residing in the same household.

1.9 Dogs Who May Compete

1.9.1 "Dog"

As used in these Rules and Regulations, the word "dog" refers to either sex.

1.9.2 Individual Registrations/LEP Numbers

All Australian Shepherds that have a permanent individual registration or LEP number from ASCA and are over six months of age may compete, unless stipulated in Section 10 of this Chapter and may be eligible for ASCA's year-end Merit and Finals programs. (See Chapter 12: Merits and Chapter 13: Rally Finals.)

1.9.3 QTracker Number

Dogs that have a QTracker number issued by ASCA or an application completed, and fees paid to ASCA may compete in any class at ASCA sanctioned Rally Trials.

1.9.4 Presentation of Registration or QTracker Number

Photocopies or originals of registration or QTracker number papers must be presented to the Registration Table upon request when entering ASCA sanctioned Rally Trials. QTracker numbers may be applied for at the Trial during Day of Show Entry times for entry for that event, and entrant shall write pending on the entry form.

1.9.5 Entry into ASCA Sanctioned Rally Trials

Entry into ASCA Sanctioned Rally Trials need not be limited to Australian Shepherds, except for a Specialty, which shall be for ASCA registered Australian Shepherds only. For the purposes of all ASCA awards, rankings, and Trials, LEP Australian Shepherds are considered ASCA Registered Australian Shepherds.

1.10 Dogs That May Not Compete

1.10.1 Dogs without Registration or QTracker Number

No dog without an ASCA individual permanent registration, LEP, or ASCA QTracker number may compete in any ASCA Rally Trial. An ASCA QTracker number application can be submitted along with the entry to a Trial with the appropriate fees made payable to ASCA.

1.10.2 Judge's Family/Dogs Owned by Judge

During a Rally Trial Judge's assignment, their immediate family or household members may not compete, even under other officiating Judges, at the same Trial in which he/she is judging. Dogs owned wholly or in part by a Rally Judge may not be exhibited at a Trial in which he/she is officiating.

1.10.3 Judge Competing on Day They are Judging

Judges may not compete in a Rally Trial prior to their judging assignment on the same day in which they are judging. Rally judges may show in cluster trials on weekends in which they are judging without restrictions on the order in which they judge and show. This includes same day rally trials when such events precede or follow but do not overlap the trial at which they officiate.

1.10.4 Communicable Disease

- A. No dog shall be eligible to compete at any show, no dog shall be brought into the grounds or premises of any dog show, and any dog which may have been brought into the grounds or premises of a dog show shall immediately be removed, if it;
 1. Shows clinical symptoms of canine influenza, distemper, infectious hepatitis, parvovirus, leptospirosis, kennel cough or other communicable disease, or
 2. Has been confirmed by a veterinarian to have a communicable disease within thirty days prior to the opening of the show, or
 3. Has been kenneled within thirty days prior to the opening of the show in a household in which there were veterinarian-confirmed cases of canine influenza, distemper, infectious hepatitis, leptospirosis, kennel cough or other communicable disease.

The Affiliate Club shall provide a copy of the report to the owner of the dog(s).
 2. Owners who believe that their dogs have contracted a communicable disease while at an ASCA event or have attended an ASCA event within the incubation period of a communicable disease should report the illness to the ASCA Board of Directors by contacting the Executive Secretary and submitting the Owner's Health and Safety Report form. All reports will be kept confidential.
 3. Reports received by the Board will be investigated by an assigned Director, per normal Board procedure, to assess the extent of the communicable disease risk. The assigned Director will investigate and will report findings and a recommendation to the Board within three working days.
 4. In instances of reported cases of communicable disease during or following the ASCA National Specialty, ASCA will send out a notice to the membership through its official means of communication, notifying members of the report of the disease and providing educational information concerning the disease in question. Affiliate clubs scheduling events within thirty days of the ASCA National Specialty should be aware of possible financial losses if a quarantine is necessary.

The third qualifying score must be earned before the trial at which the entry in the next rally level or class change is to be made.

1.13 Disqualification and Ineligibility

1.13.1 Disqualifications Defined

Dogs that are blind or that have lost a limb are not eligible to compete in any Rally class. Dogs that have been surgically altered for health reasons or disease, such as the loss of an eye or ear, may compete.

1.13.2 Disqualifying a Dog

When a Judge finds any of these conditions in any dog he is judging, he shall disqualify the dog marking his book “Disqualified” and stating the reason. He shall not need to obtain the opinion of a veterinarian.

1.13.3 Cancellation of Awards

When a dog has been disqualified under this section, all awards made to the dog at the Trial shall be canceled by ASCA and the dog may not again compete unless and until, following application by the owner to ASCA, the owner has received official notification from ASCA that the dog’s eligibility has been reinstated.

1.13.4 Breed Standard Disqualifications

1.14 Disturbances

1.14.1 Bitches in Season

Bitches in season are not permitted to compete and the Judge must excuse them from competition, except in the Rally Finals and the Nationals Rally Trial pursuant to Chapters 13 (Rally Finals) and 14 (Nationals Rally). Bitches in season must be crated (not placed in an exercise pen), outside the building or in a separate area at least 50 feet away from the Rally rings and warm-up ring prior to and during the competition, except while competing. - f. All sign holders (not including the Finish sign) should be sequentially numbered on the course.
- g. Station numbers and star designators must be secured and displayed in a manner, so the numbers and stars are easily visible to the exhibitors.
- h. Station numbers and stars appearing on the star designators should be a minimum of three inches high.

1.15.3 Jumps

Each ring requiring a jump or jumps must have a full set of regulation jumps available.

- a. **High Jump:** The side posts of the High Jump shall be 4 feet high and may be made of metal, wood, or wood like material. The jump shall be 4 or 5 feet wide and shall be so constructed as to provide adjustment for each 4 inches from 8 to 16 inches. It is suggested that the jump have a bottom board 8 inches wide including the space from the bottom of the board to the ground or floor, together with one other 8-inch board and one 4-inch board. A bottom board of 4 inches must also be provided. A 6-inch board may also be provided. Boards may be made of any rigid material. The boards must be able to stack upon each other. The boards must slide into or over the uprights. The boards cannot be attached to the side posts, except for the bottom board. No interlocking boards allowed.
The jump shall be painted a flat white. The width in inches, and nothing else, shall be painted in black 2-inch figures, and the figure on the bottom board representing the distance from the ground to the top of the board. If the high jump is made of material other than wood, it must weigh the same as if it was made of wood. (This is to keep the jump from falling over in a wind and/or if the dog taps the jump in going over it). The weight requirement may be waived if the jump set is commercially made.
- b. **Broad Jump:** The Broad Jump shall consist of three boards, built to telescope for convenience, about 8 inches wide, the largest measuring about 4 or 5 feet in length and 6 inches high at the highest point, all painted a flat white. The three boards shall be used for a jump of 32 inches, two for a jump of 16 to 24 inches, and one for a jump of 8 inches. When decreasing the number of boards in the jump, the highest board shall be removed first. It is the Judge's responsibility to see that the distance jumped is that required by these Rules and Regulations for the particular dog.
- c. **Bar Jump:** The Bar Jump shall consist of a bar, which may be made of any rigid material that is between 2 and 2½ inches square with the four edges rounded sufficiently to remove any sharpness. The bar shall be painted a flat black and white in alternate sections of about three inches each. The bar shall be supported by two unconnected 4-foot upright posts, which may be made of metal, wood, or wood like material, about 4 or 5 feet apart. The bar shall be adjustable for each two inches of height from 4 to 16 inches, and the jump shall be so constructed and positioned that the bar can be knocked off without disturbing the uprights. The bar will be weighted if made of material other than wood, so it is not dislodged any easier than if it was made of wood.

1.17.2 Cancellation of Awards

If an award in any regular Rally class is cancelled, the next highest scoring dog will receive that award. If there is no dog to move up, the award will be void. The Judge shall mark his/her Judge's books to reflect the above-mentioned win. At a Specialty, the Show Secretary shall mark the catalog to identify the dog receiving this award. Dogs entered in the C classes are not eligible for HIT awards.

1.18.2 Awarding of Additional Ribbons/Awards

If a Club wishes to offer other ribbons/awards for High Scoring Aussie, High Scoring Other Breed, and/or High Scoring C Class they may do so, if they are not offered in place of the High in Trial ribbon/rosette/award. Only one dog, regardless of breed, shall be awarded High in Trial.

1.18.3 Calculations HIT

The highest score will be calculated by combining the dog's score with a point value determined by level of Rally class where the qualifying score was received (See below for the point value for each level). Only dogs receiving first place and qualifying scores from the A or B classes are eligible for the High in Trial award. If a dog qualifies in two classes in one Trial, only the highest score will be used for the HIT calculation.

Level of Qualifying Rally Score Points:

| | | | |
|----------|----------|-----------|----------|
| Novice | 1 point | Excellent | 3 points |
| Advanced | 2 points | Masters | 4 points |

EXAMPLE: A Novice team with a score of 200, an Advanced team with a score of 199, an Excellent team with a score of 198, and a Masters team with a score of 197 would all tie and need to do a run off. A Novice team score of 200 would not win HIT over a Masters Team score of 198 or higher.

1.18.4 Ties for HIT

In case of a tie between dogs eligible for any of the above awards, each Team shall perform the Novice course, including the stay exercise, on lead. The highest score shall determine the winner. If more than one Team receives the same score, the faster time shall determine the winner. The sit or down stay will be kept on the course for the run-off.

1.19 High Combined Score in Excellent B and Masters B

1.19.1 Announcement Following Last Regular Class

The dog receiving the highest combined qualifying scores in the Excellent B and Masters B classes (High Combined - HC) shall be awarded the ribbons/rosettes and any prizes offered for this award, after announcement of final scores of the last regular class to be judged. The Judge shall mark his/her Judge's books to reflect the above-mentioned win. At a Specialty, the Show Secretary shall mark the catalog to identify the dog receiving this award.

1.19.2 Tie for HC

In case of a tie between dogs eligible for this award, the dog with the highest score or placement in the Masters class shall determine the winner.

1.20 High in Trial Junior Handler in the Regular Classes

1.20.1 Announcement Following Last Regular Class

The Junior Handler (anyone 17 years or younger on June 1st of the current ASCA year competing) receiving the highest qualifying score in the A or B Regular Classes shall be awarded the ribbon and any prizes offered for this placement, after the announcement of the final scores of the last Regular Class to be judged. The Show or Trial Secretary shall mark the catalog to identify the Junior Handler receiving this award. 1.20.2 Tie for HIT Junior Handler

In case of a tie between Junior Handlers eligible for any of the above awards, each Junior Handler and dog shall perform the Novice course, including the stay exercise, on lead. The highest score shall determine the winner. If more than one Team receives the same score, the faster time shall determine the winner.

1.21 Risk

The owner or agent entering a dog in a Rally Trial does so at his own risk and agrees to abide by all ASCA Rally Rules and Regulations.

1.22 Decisions

At the Trial, the decisions of the Judge shall be final in all matters affecting the scoring and the working of the dogs and their handlers. The Rally Trial Committee, or the Show Committee, shall decide all other matters arising at the Trial, including protests against dogs, subject to the Rules and Regulations of ASCA.

1.23 Dogs Entered and Scheduled to Compete

After the close of entries, any dog entered and able to show is strongly encouraged to compete. If a conflict occurs or the handler deems necessary to scratch an entered dog, he/she must do so as soon as possible to keep the flow of the Trial. Scratching an entry after the close of entries will void any monies due back to entrant, unless otherwise stated by the Host Club and posted in the Trial premium. Once a handler and dog have entered the ring, they must attempt to complete the course unless excused by the Judge, Handler, Show or Rally Trial Committee, or by the official Veterinarian to protect the health of the dog or of other dogs at the Trial. The excusal by the official Veterinarian must be in writing and must be approved by the Show or Trial Secretary and must be submitted to ASCA with the report of the Trial.

1.24 Judging Program

Any Affiliate Club holding a Specialty with a closed entry date must prepare, after the entries have closed, a program showing the time scheduled for judging. A copy of this program shall be sent to the owner of each entered dog and to each Judge, and the program shall be printed in the catalog. In addition, one-half to one-hour for rest or meals must be allowed if it will take more than five hours of actual judging to judge the dogs entered under him/her. Judges can judge up to 120 runs per day. It is suggested that a Judge not judge more than eight hours in a single day. If a Rally Judge is judging more than one ASCA sanctioned event per day, the eight hours includes all assignments.

1.25 Limitation of Entries

1.25.1 Limiting Entries

If a Club anticipates an entry in excess of its facilities for a Specialty or Sanctioned Rally Trial, it may limit entries in any or all classes.

1.25.2 Announcement of Limits

Prominent announcement of such limits must appear on the title or cover page of the premium list for a Rally Trial or immediately under the Rally heading in the premium list for a Conformation show or Obedience Trial, with a statement that entries in one or more specified classes in the Rally Trial will automatically close when a certain limit or limits have been reached, even though the official closing date for entries has not arrived.

1.25.3 Limiting to ASCA Registered Australian Shepherds

An Affiliate Club may limit its Sanctioned Rally Trial to ASCA registered Australian Shepherds only. Prominent announcement of such limits must appear on the title or cover page of the premium list for a Sanctioned Rally Trial or immediately under the Rally heading in the premium list for a dog show.

1.26 Additional Judges, Reassignment, and Split Classes

1.26.1 Additional Judges

Additional Judges must be scheduled if entries exceed 120 runs per day, provided entries have not been limited.

1.26.2 Reassignment of Classes

If, when the entries have closed, it is found that the entry under one or more Judges exceeds the limit of 120 runs per day per Judge, the Club shall immediately secure the approval from the ASCA Business Office for the appointment of one or more additional Judges, or for reassignment of its advertised Judges, so that no Judge will be required to exceed the limit. If a Judge with an excessive entry was advertised to judge more than one class, one or more of his classes shall be assigned to another Judge. The class or classes selected for reassignment shall first be any Non-regular classes for which he was advertised and shall then be either the regular class or classes with the minimum number of entries, or those with the minimum scheduled time,

which will bring the advertised Judge's schedule within, and as close as possible to the maximum limit. If a Judge with an excessive entry was advertised to judge only one class, the Show Secretary shall divide the entry as evenly as possible between the advertised Judge and the other Judge by drawing lots.

1.26.3 Notification of Judge Changes

The club shall promptly send a notification of any change of Judge to the owner of each entry affected. The owner shall be permitted to withdraw such entry at any time prior to the date of the show, and the entry fee shall then be refunded. If the entry in any one class is split in this manner, the advertised Judge shall judge the run-off of any tie scores that may develop between the two divisions of the class, after each Judge has first run off any ties resulting from his own judging.

1.27 Emergency Replacement Judge

1.27.1 Qualifications

In the event of an emergency where a hired Judge cannot fulfill their assignment, the Trial Chair along with the Trial Committee/ASCA affiliate, may choose a replacement Judge with the following qualifications in order of priority as listed below and taking into consideration the amount of time an affiliate must find a replacement and the financial ability to use replacements in the following order.

The business office must be notified of the judge cancellation as soon as the affiliate is aware a judge change will be needed. If the original judge notifies the club of the need to cancel outside of normal business hours, the business office must be notified the next morning the business office is open.

1.27.3 Notification to Exhibitors & Refunds

If the replacement judge was hired after the trial was open for entries, the ASCA Affiliate will post in a prominent place that a replacement judge is being used and offer to refund entry fees if an exhibitor chooses not to trial. Requests for a refund must be made in writing prior to the trial starting.

1.27.4 Availability of Courses

Availability of courses for the trial will be in the following order.

- a. A set of courses designed and prepared by the emergency replacement judge, if time and circumstances allow.
- b. The original judge's courses forwarded to the emergency replacement judge, if time and circumstances allow.
- c. If time and circumstances do not permit the courses to be sent to the replacement judge, the courses shall be sent to the Trial Chair or Trial Secretary.
- d. If time and circumstances do not permit the original judge to send courses to anyone, the replacement judge shall contact the Business Office, the Rally Committee Chair or the Board of Directors' Rally Committee Liaison for a secure link on the ASCA Website to access approved course sets.
- e. If time and circumstances do not permit the emergency replacement judge to access the approved courses on the website, the Trial Chair or Trial Secretary will be given access to the approved courses, so the trial can go on as scheduled.

1.27.5 Immediate Family

The emergency rally judge may not judge their immediate family (spouse, parents, grandparents, children, grandchildren, siblings, or any combination of the preceding by marriage, i.e. stepchildren or parents-in-law) or household members.

1.28 Split Classes, Official Ribbons, and Prizes

1.28.2 Prizes for Split Classes

If a split class is announced in the Premium List, duplicate placement prizes will be offered in each division. If prizes are offered for placements in a class that must be split after entries close, duplicate prizes or prizes of equal value will be offered in the additional division of the class.

1.29 Stewards

The Judge is in sole charge of his ring until his assignment is completed. Stewards are provided to assist the Judge; they may act only on the Judge's instructions. Stewards shall not give information or instructions to owners and handlers except as specifically instructed by the Judge, and then only in such manner that it is clear that the instructions are those of the Judge. Handlers may steward for classes other than those in which they are entered.

- c. Clubs must ensure that Rally rings are used only for Obedience and Rally trials, not for practice or warm-ups prior to trials being held same day.

1.30.2 Outside Rings

Outside rings should be a clean level surface of grass no more than two inches long, or dirt without any mud puddles in the ring area. The rings shall be as near as can be determined by visual inspection, free of rodent or insect colonies and clean of any animal waste. Insecticides or poisons may not be used to remedy pre-existing conditions on day of show. On surfaces such as wood or concrete flooring, which require a non-skid surface, mats should cover the entire ring.

1.30.3 Perimeter/Inclement Weather

- a. An area surrounding the rally ring no smaller than ten feet in any direction shall be cleaned and posted for "no crating or grooming" during the rally portion of the event.

1.31 Rally Rings at Dog Shows

1.31.1 Outdoor Dog Show

At an outdoor Dog Show, a separate ring or rings shall be provided for Rally. A sign forbidding anyone to permit any dog to use the ring during the entire time of the show except when being judged shall be set up in each such ring by the Show Secretary. It consists of the land, buildings and all parking areas adjacent to and a continuation of the show grounds where a Rally Trial is held whether held separately or in conjunction with a conformation Show, Obedience Trial, Stock Dog Trial, Tracking or Tracking Dog Excellent Test, or Agility Trial. Any area inside the 'limits' is on the 'premises,' but an area does not have to be within the 'limits' to be considered within the 'premises.

If a representative of the Affiliate (Show Secretary, President, other officer, etc.) witnesses improper conduct, the Affiliate should remove the disruptive individual(s) from the event grounds for the entire show/trial weekend. Any other person observing poor sportsmanship should file a Request for Conflict Resolution, making the behavior in question subject to the ASCA Conflict Resolution Protocol.

The presiding Judge/Judges is/are responsible for enforcing the preceding within the ring/trial arena. The Event Committee is responsible for enforcing the preceding outside the ring/trial arena and within the Show Grounds.

For enforcement, the following definitions apply:

Boundaries of Ring/Trial Arena and Show Grounds:

- a. RING/TRIAL ARENA: The ring/trial arena is the bounded area in which judging of an event occurs and over which the Judge has authority. The boundary is defined by physical barriers plus a buffer zone extending ten (10) feet from such physical barriers.
- b. SHOW GROUNDS: The Show Grounds are the boundaries of the grounds on which ASCA events are held. They include, but not limited to, all areas outside the ring/trial arena (including the buffer zone) set aside to support the conduct of the event.

2 Regulations for Performance and Judging

2.1 Standardized Judging

Standardized judging is of paramount importance. Judges are not permitted to inject their own variations into the exercises but must see that each handler and dog executes the various exercises exactly as described in these Rules and Regulations. A handler who is familiar with these Rules and Regulations should be able to enter the ring under any Judge without having to inquire how the particular Judge wishes to have any exercise performed, and without being confronted with some unexpected requirement.

2.2 Standard of Perfection

The Judge must carry a mental picture of the theoretically perfect performance in each exercise and score each dog and handler against this visualized standard which shall combine the utmost in willingness, enjoyment and precision on the part of the dog, and naturalness, gentleness, and smoothness in handling. Speed is not to be considered as the equivalent to willingness and enjoyment. Lack of willingness or enjoyment on the part of the dog can be penalized as lack of accuracy in the dog's performance, and roughness in handling, loud or harsh commands, or intimidating signals by the handler can also be penalized. There shall be no penalty of less than one point.

2.3 Qualifying Performance

A Judge's certification in his Judge's book of a Qualifying score for any particular dog constitutes his certification to the ASCA Show Secretary that the dog on this particular occasion has performed adequately and has been judged to have at least a minimum qualifying score in accordance with these Rules and Regulations, and that its performance on this occasion would justify the awarding of the Rally title associated with the particular class. A qualifying score must never be awarded to a dog whose performance has not met the minimum requirements, to a dog that shows fear or resentment, that relieves itself at any time while in the ring for judging, or whose handler disciplines or abuses it while in the ring. A handler shall not carry or offer food in the ring; doing so will also be scored as a non-qualifying score (NQ).

2.4 Judge's Directions

The Judge's instructions should be given to each handler in a clear and understandable manner, and in such a way that the work of the dog is not disturbed. Prior to starting each run, the Judge shall check to be sure the leash is properly placed for the Sit Stay or Down Stay exercise (if included), the timer is ready, and lastly, will ask the exhibitor "Are you ready?"

2.5 No Added Requirements

No Judge shall require any dog or handler to do anything, nor penalize a dog or handler for failing to do anything, that is not required by these Rules and Regulations.

2.6 A, B, and C Classes, and Different Breeds

The same methods and standards must be used for judging and scoring the A, B, and C Classes, and in judging and scoring the work of dogs of different breeds.

2.7 Interference and Double Handling

A Judge who is aware of any assistance, interference, or attempt to control a dog from outside the ring, must act promptly to stop such double handling or interference, and shall penalize the dog substantially if in his/her opinion the assistance or interference helps the Team, or, if in the Judge's opinion the circumstances warrant, shall give the dog a score of zero for the station of the course during which the aid was received.

2.8 Re-Judging

If a dog has failed to qualify in a particular Rally course, it shall not ordinarily be re-judged nor given a second chance; but if in the Judge's opinion the dog's performance was prejudiced by peculiar and unusual conditions, the Judge may at his/her own discretion, re-judge the dog on the entire course.

2.9 Ties

In case of a tie for any prize in the Novice, Advanced, Excellent, or Masters class, the Team completing the course in the least amount of time will receive the higher placement. If both the score and time are the same, the Teams will repeat the course and will be scored and timed again. The original scores will not be changed, but the higher placement will be given to the Team that won the run-off. A notation will be made by placing a plus sign (+) after the original score of the winner of the run-off.

2.10 Judge's Book and Score Sheets

2.10.1 Entering Scores/Final Score Approval

The Judge or his/her designated Table Steward must enter the scores or total score in the official Judge's book as timely as possible after each dog has been judged. No score may be changed except to correct a mathematical error or unless a score has been entered in the wrong column. All final scores must be entered in the Judge's book and be reviewed and approved by the Judge before prizes are awarded.

2.10.2 Table Steward or Judge

No person other than the Judge may make any entry in the Judge's book except for the designated Table Steward, who may enter scores and time only.

2.10.3 Score Sheets

Judges shall use separate official score sheets for each exhibitor but shall not give out such sheets, nor permit anyone else to distribute official score sheets or cards prepared by the Judge. The official score sheets will be made available for viewing at the ring table after the conclusion of awards from the class.

2.10.4 Handlers Viewing Score Sheets

Copies of the sheets in the official Judge's book shall be made available through the Show or Trial Secretary for examination by the owners and handlers in a timely manner after the prizes have been awarded in each class.

2.10.5 Retaining Judges Books

A Judge must keep copies of all Judges books for Trials in which he/she judged for a period of six months.

2.11 Announcement of Scores

2.11.1 Posting Unofficial Scores

The Judge shall disclose scores to exhibitors and spectators by having the unofficial scores posted ringside in a timely manner after each team has completed the course. After all the scores are recorded for the class, or for the division in the case of a split class, the Judge shall call for the available dogs that have earned qualifying scores to be brought into the ring (or an alternate location in the case of adverse conditions).

2.11.2 Pinning the Class

Before awarding the prizes, the Judge shall inform the exhibitors and spectators as to the maximum number of points for a perfect score, an X score, or a C score out of the C class, as well as the minimum number of points to qualify. He/she shall then announce the placements and scores. The Judge shall then present to all handlers with qualifying scores their X, C, or regular qualifying score and their X or regular qualifying ribbon.

A team competing in the C class receiving a qualifying score between 170 and 189 will receive a regular qualifying ribbon. A team competing in the C class receiving a qualifying score between 190 and 194 will receive a regular qualifying ribbon and their score will count toward their C title at the level they are entered. A team competing in the C class receiving a qualifying score between 195 and 200 will receive an "X" qualifying ribbon and their score will count toward both their X title (if it has not already been earned) and their C title at the level they are entered.

2.12 Explanations and Errors

The Judge is not required to explain his scoring and need not enter any discussion with any contestant who appears to be dissatisfied. However, after prizes have been awarded and the Judge's book turned in, the Judge is encouraged, but not required, to discuss the scoring with the exhibitor. Any interested person who thinks that there may have been a mathematical error or an error in identifying a dog may report the facts to one of the Stewards or to the Show or Trial Secretary so that the matter may be checked.

2.13 Compliance with Regulations and Standards

In accordance with the certification on the entry form, the handler of each dog and the person signing each entry form must be familiar with the Rally Rules and Regulations applicable to the class in which the dog is entered.

2.14 Physically Challenged Handlers

2.14.1 Modification and Accommodations

The Australian Shepherd Club of America strives to provide an opportunity for everyone to participate in its events. As such, a Judge may modify the judging requirements to accommodate a physically challenged handler.

2.14.2 Use of Mobility Aids

Judges may modify the specific requirements of these Rules and Regulations to the extent necessary to permit physically challenged handlers to compete, provided such handlers can move about the ring without physical assistance or guidance from another person except for the Judge or Steward. Blind handlers may have a person of their choice assist them in the reading of the signs and guidance through the course. Assistants may not coach or provide instruction on how to perform the stations while in the ring. The primary function of exhibiting the dog is the responsibility of the handler and not the assistant. A physically challenged handler may compete using a cane, crutch, or wheelchair, or other mobility aid.

2.14.3 Penalties

All teams shall be required to perform all stations of the Rally course and shall be penalized for failure to perform any part of a course.

2.15 Catalog Order

2.15.1 Jump Height Order

Dogs should be judged in catalog order to the extent that it is practical to do so without holding up the judging in any ring. For the Excellent and Masters classes, the entries shall be arranged according to the dog's jump height in either ascending or descending order.

2.15.2 Waiting for Dogs

Judges are not required to wait for dogs. It is the responsibility of each handler to be ready with his/her dog at ringside when required, without being called. The Judge's first consideration should be the convenience of those exhibitors who are at ringside with their dogs when scheduled and who ask no favors.

2.15.3 Judging Dogs out of Catalog Order

A Judge may agree, on request prior to the scheduled starting time of the class, to judge a dog out of scheduled catalog order. However, a Judge should not hesitate to mark absent and to refuse to judge any team that is not at ringside ready to be judged in catalog order if no arrangement has been made in advance.

2.16 Use of Leash

All dogs shall be kept on leash except when in the Rally ring or exercise ring. Dogs must be brought into the ring and taken out of the ring on leash. Dogs must be kept on leash in the ring when brought in to receive awards. The leash shall be left on the Judge's table or other designated place for Advanced, Excellent, and Masters classes. The leash must be of fabric or leather and, for the Sit Stay or Down Stay station in the Novice class, the leash must be six feet in length.

2.17 Collars

Dogs in the Rally ring must wear a collar. The collar may be a buckle, slip, toggle, or martingale type. If a buckle collar is used, the buckle must be made of metal or plastic. Slip collars of an appropriate single length of leather, fabric or chain with two rings, one on each end are acceptable. Martingale collars may be any combination of chain, fabric, or leather. Collars made of leather, fabric, or chain may be of any color. Decorations may be stamped into the leather or fabric. The dog's name and/or title may not be on the collar. Special training collars (prong, spikes on the inside or outside, or electronic collars) or collars that are either too tight or so large that they hang down unreasonably in front of the dogs are not permitted. There shall not be anything hanging from or attached to the collars. Collars must be able to be separated from the leash.

2.18 Heel Position Defined

Heel position, as used in these Rules and Regulations, applies whether the dog is sitting, standing, lying down, or moving at heel. The dog shall be straight in line with the direction in which the handler is facing, at the side of the handler's left leg without crowding, permitting the handler freedom of motion at all times. The area from the dog's head to shoulder shall be in line with the handler's left hip. However, perfect heel position is not required in ASCA Rally except where otherwise mentioned in these Rally Rules and Regulations. Any faults in traditional Obedience that would be evaluated and scored as a one-point deduction or more should be scored the same in Rally, unless otherwise mentioned in these Rules and Regulations.

2.19 Use of Hands

Hands and arms need not be held in any particular position, except that they should not interfere with the dog's movement or give the appearance of holding food (baiting) to accomplish an element of an exercise. A one-point handler error may be deducted for each infraction. Touching the dog is not permitted while on the course, and shall be scored under Heeling and Conduct, unless specifically allowed in an exercise description. Gentle petting is allowed prior to the Judge's question "Are you ready?" and after passing the Finish sign and attaching the leash.

2.20 Commands, Signals, and Praise

2.20.1 Use of Commands and Signals

Handlers are permitted to talk, praise, encourage, clap their hands, pat their legs, or use any verbal means of encouragement, unless otherwise specified in these Rally Rules and Regulations. Whistling or the use of a whistle is not permitted while in the rally ring. Multiple commands and/or signals using one or both arms and hands are allowed unless otherwise specified in these Rules and Regulations. Shouting or the use of loud commands is not necessary even in a noisy place if the dog is properly trained to respond to a normal tone of voice. Intimidating signals or commands, (which in the Judge's opinion are excessively loud or harsh), may be assessed a handler error.

2.20.2 Handler Errors

A handler error shall be assessed if an additional command or signal is given when only signals are permitted, or the dog's name is used with only a signal.

2.20.3 Reasonable Control During Praise

Points will be deducted for a dog that is not under reasonable control while being praised, when praise is allowed during the performance of the Rally course.

2.21 Handling and Touching Dog

Only in the Novice classes may the dog be positioned by hand for the stand portion of an exercise. Physical guidance, such as placing the dog in position with the hands or straightening the dog with the knees or feet, is not permitted in any other exercise. Such guidance shall be scored as an Incorrect Performance (IP) for the station where it occurred. A handler error, scored under Heeling and Conduct, will be given to any handler who picks up or carries their dog at any time in the Rally ring.

2.22 General Procedures

2.22.1 The Basics of Posting Courses

ASCA Rally is a sport in which the dog and handler complete a course designed by the Rally Judge. Each course is set up with a predetermined number of designated stations. A sign from the approved set of ASCA signs appropriate to the level designates each station; each sign provides instruction regarding the skill the handler and dog must perform before continuing to the next station. The dog and handler team move continuously through the course without directions from the Judge after the command to start. There should be a sense of teamwork between the dog and handler throughout the course. The courses for the day will be posted at least 15 minutes prior to the first walk through time.

2.22.2 Check-In

Exhibitors shall check in at the ring table prior to their class. Jump heights should be confirmed at check in and anyone with conflicts should alert the Steward at this time.

2.22.3 Placement of Signs / Location of Performance

The signs are to be placed to the right of the handler's path except for a change of direction sign, which will be placed directly in the path of the team. Exercises are performed in numerical order and either directly in front, (change of direction), at the sign, (change of pace), or near and to the left of the signs. Signs including more than two elements are to be readable to the handler during the performance of the station. The Judge determines the exact placement of signs and walks the course prior to the walk-through.

2.22.4 Walk-Through

The Judge will open the course for a maximum ten-minute walk through to handlers (no dogs), entered in each level. The Judge shall be present for any questions prior to the start of the class. In the case of large classes, the walk through may be divided at the Judge's discretion.

2.23 Scoring and Minimum Penalties

Scoring for all levels and each class is based on a maximum score of 200 points. Any error that is less than a one-point deduction in Obedience is not to be deducted in Rally. The following deductions shall apply while the team is on the course:

1-point deduction for each occurrence of any of the following:

- Tight leash
- Dog interfering with handler
- Poor sit
- Slow or resistant to respond
- Touching or ticking a jump, pylon, post, distraction, sign or person
- Out of position
- Giving the appearance of baiting
- Whistling
- Snapping fingers
- Dog fails to remain under reasonable control while being praised
- In Excellent and Masters, handler patting their legs or clapping to encourage their dog
- Unless specified in the exercise description, handler touching the dog at any time on the course after the judge has said "Are you ready?" and prior to passing Finish and attaching the leash
- In Masters, an additional command or signal on any element of an exercise (except exercise #401, see below)

3-point deduction for each occurrence of any of the following:

- Repeat of a station (only one retry of each station will be allowed for all class levels except Novice, where two are permitted)
- Pylon/post knocked over on the Figure Eight, Spiral, or Serpentine station
- Lack of control
- Loud command or intimidating signal
- Excessive barking
- Picking up or disrupting Distractions
- A verbal command given in the Masters Signal exercise (#401) during signals, or the dog's name is used with only a signal

10-point deduction for each occurrence of the following:

- Incorrectly Performed station (IP) with a ten-point value
- Physical guidance, such as placing the dog in position with the hands (**EXCEPTION:** sign #101 in Novice) or straightening the dog with knees or feet for stations with a ten-point value
- A handler error large enough to interfere with the completion of an exercise valued at ten points
- Jump station worth 10 points not at initial height or length
- Jump worth ten points not left at initial height or length after Jump Station is attempted.
- Failure to complete the Sit/Stay or Down/Stay exercise (IP) when not starred, no retries allowed

20-point deduction for occurrence of any of the following:

- Incorrectly Performed station (IP) designated as a Star station
- Physical guidance, such as placing the dog in position with the hands (**EXCEPTION:** sign #101 in Novice) or straightening the dog with knees or feet for stations with a twenty-point value
- A handler error large enough to interfere with the completion of an exercise valued at twenty points
- Jump station worth 20 points not left at initial height or length (IP)
- Jump worth 20 points not left in initial height or length after Jump Station is attempted (IP)
- Failure to complete the Sit/Stay or Down/Stay exercise (IP) when starred, no retries allowed

Incorrectly Performed station (IP): When a team attempts a station and fails to perform the primary parts of the station on the first attempt, the handler may choose to retry the station for a correct performance, accepting the mandatory 3-point deduction for the retry of the station. The station is considered an IP if the handler chooses not to retry or fails to perform that station correctly on the second or in Novice, the third attempt.

1 to 5-point deductions for each occurrence of any of the following:

- Lack of teamwork
- Lack of accuracy in the dog's performance
- Lack of briskness
- Handler error
- Hitting the jump
- Misbehavior such as nipping, barking, or running away from its handler

Handler errors can be assessed 1 to 5 points at each station or up to an IP.

- Once a handler has stopped at any halt station, the handler cannot move his feet to assist a dog
- Use of leash or hand to correct the dog
- Exceeding the number of steps specified in the sign description between elements of an exercise (i.e. Sign #'s: 106, 107, 227, 304)

Non-Qualifying (NQ) scores shall be given for:

- Minimum requirements not met

- Consistently tight lead
- A dog that eliminates while in the ring
- Any food in the ring
- Station not attempted by handler
- Excessive handler errors
- Dog is lame
- Double Handling
- Harsh physical correction
- Harsh or excessively loud command
- Misbehavior that is deemed too serious for the team to continue attempting the course

2.24 Timing

2.24.1 Ties

All Teams will be timed. Times will be used only in the event of ties for placement, as mentioned in Section 2.9 Ties. Timing will begin when the Judge gives the order "Forward" and will end when the dog and handler pass the Finish station. Times will be entered to the 1/100 of a second on all runs.

2.24.2 Timer Malfunction

In the event of timer malfunction, no time will be recorded for the Team. When determining placements, if a tie involves a Team without a time, the handler will be given the option to run the course again for score and time or accept the loss of the run-off. If they decide to rerun the course, it will be scored and timed for tie breaking purposes only. The original scores shall be kept as their official score in the Judge's Book.

- If the re-run score is higher than the original, they will be considered the winner of the run-off.
- If the re-run score is lower than their original score the team will be considered to have lost the run-off.
- If the re-run score is the same with a faster time, they will be considered the winner of the run-off.
- If the re-run score is the same with a slower time, they will be considered the loser of the run-off.

- If the re-run score is the same with the same time, all involved Teams shall rerun the full course, excluding the Stay station if used, and the new tiebreaker scores and times shall be used solely to determine the winner of the run-off using the criteria defined in Chapter 2 Section 9.

2.24.3 Timer Malfunction with Scores of 200

If a team with a timer malfunction has a score of 200 (which cannot be bettered as in the example in 2.24.2) and they are tied with a team or teams with scores of 200, all teams with scores of 200 in the class will re-run the course, excluding the Stay exercise if used, for score and time. The team with the highest score during the run-off will be the winner of the class. If teams end up with the same score, the team with the faster time will be the winner of the run-off. The original scores shall be kept as their official score in the Judge's Book.

2.25 Misbehavior

2.25.1 Deductions/Excusal

Any display of fear or nervousness by the dog, or any uncontrolled behavior of the dog such as nipping, barking, or running away from its handler, whether it occurs during an exercise, or before or after judging, must be penalized according to the seriousness of the misbehavior. Deductions for misbehavior shall be scored under the exercise if it occurs during that performance or under Heeling and Conduct if between exercises, before the Judge commands "Forward", or after the team passes the Finish sign. The Judge may excuse the dog from further competition in the class.

2.25.2 Fouling the Ring

In any class (regular or non-regular) at any Trial (including Nationals and Finals), any dog that fouls the ring while in the ring, (except for placement awards) shall lose all allowable points for that class. In the case of Team competition, any dog that fouls the ring will lose their total 200 points while the other dogs will continue to be judged. At the Judge's discretion, a dog that fouls the ring may be excused from further competition in the class.

2.26 Training and Warm-up on the Show Grounds

2.26.1 Training on Show Grounds

There shall be no drilling nor intensive or abusive training of dogs on the grounds or premises at a Specialty or Sanctioned Rally Trial. Physical or verbal disciplining of dogs shall not be permitted except to a reasonable extent in the case of an attack on a person or another dog.

2.26.2 Training Collars

All dogs shall be kept on lead except when in the Rally ring or exercise ring. Special training collars shall not be used on the grounds or premises at a Rally Trial.

2.26.3 Warm-Ups

These requirements shall not be interpreted as preventing a handler from moving normally about the grounds or premises, nor from warming up his or her dog using any exercise performed in the Rally ring, provided that the dog is on a lead being held by the handler. The warm up should be performed away from the Rally ring and must not be disruptive to any other person or dog.

2.26.4 Practice Rings

Practice rings may be provided at the discretion of the show-giving club but are not mandatory.

2.27 Training and Disciplining in the Ring

2.27.1 Physical Corrections

Handlers are not permitted to physically correct the dog, either by use of hands or leash, while in the ring. Handler Error deductions for such shall occur under Heeling and Conduct.

2.27.2 Harsh Commands

The Judge shall not permit any handler to use harsh or excessively loud verbal commands or harsh physical corrections in any way while in the ring. Training the dog by moving toward the dog to correct it or practicing any exercise before or after the course is not permitted. The Judge shall excuse any dog from further competition in the class whose handler does so, and the team shall not receive a Qualifying score.

2.27.3 Abuse of Dog

Any abuse of a dog in the ring must be immediately reported by the Judge to the Show or Rally Trial Committee for action under the ASCA Conflict Resolution Protocol.

2.28 Abuse of Dogs

The Show or Rally Trial Committee shall investigate any reports of abuse of dogs on the grounds or premises of a Specialty or Sanctioned Rally Trial. Any person at a Specialty or Sanctioned Rally Trial who conducts himself in such manner or in any other manner prejudicial to the best interests of the sport, or who fails to comply with the requirements of Chapter 2, Section 26, shall be dealt with promptly, during the Trial if possible. The offender must be notified of the specific charges against him and must be given an opportunity to be heard in his own defense in accordance with the ASCA Conflict Resolution Protocol.

2.29 Discipline

See the ASCA Conflict Resolution Protocol.

- b. If the Board of Directors does not approve the applicant, he or she will be notified by the Executive Secretary at the direction of the Board of Directors.
- c. All new ASCA Rally judges are initially approved as Provisional Judges.

15.4 Provisional Judge

15.4.1 Provisional Judge

- a. The Provisional Judge will be able to accept assignments and judge ASCA Trials if their courses are submitted for approval by the ASCA Rally Review Subcommittee at least 30 days prior to each judging assignment. The course reviewers shall review the proposed courses to ensure they are: (1) Safe, (2) Flowing, (3) Appropriately challenging, considering the level for each course, (4) Consistent with the ASCA Rally Philosophy and these Rules and Regulations; (5) Consistent with the ring size and surface and consider any known obstructions in the ring, i.e. columns, floor grates, etc. Course reviewers are empowered to direct mandatory course revisions to comply with these criteria, as well as to suggest non-mandatory course revisions to improve the challenges, flow, or other aspects of the course or courses. However, course reviewers shall respect the judge's individuality, and not re-design the provisional judge's courses solely based on personal preferences. The Course Review Subcommittee will return copies of the proposed courses, together with any mandatory and recommended non-mandatory changes to the provisional judge not later than 15 days prior to the first day of the applicable trial(s). Provisional judges must return a final copy of all courses for the trial including any required /mandatory /recommended changes made on any course to the course reviewer at least 7 days prior to the trial to receive final approval on courses to be used at the trial. Final approval of courses must be obtained to judge the trial. To avoid any appearance of a conflict of interest, course reviewers shall not review courses to be used at trials where they expect to compete.
- b. All Judges will remain Provisional until such time the Rally Course Review Subcommittee receives three complete sets of courses, not previously submitted for review, that do not need any revisions prior to a Trial in which the Provisional Judge is scheduled to judge. Once a Provisional Judge submits three sets of courses that do not require mandatory changes, the judge may complete the required form requesting a move from provisional to regular status.

- c. After moving from provisional to a higher status of judge, to avoid the possibility of using courses that do not meet ASCA standards, judges are encouraged and invited to submit their courses at least 30 days prior to using them at trials they have been hired to judge. Feedback will be provided for the voluntary submissions no later than 15 days prior to the first day of the trial they are judging.
- d. At the direction of the ASCA Board of Directors, a judge may be moved from approved status to provisional if it is determined it is in the judge's best interest and ASCA's best interest for the judge to submit courses to the Rally Course Review Subcommittee for approval as described above in 15.4.1 a.

15.5 Rally Judge Classifications and Progression

- d. Once a Provisional Judge submits three sets of courses not requiring mandatory revisions, he/she must submit a change of classification form to the Business Office requesting to be moved to Regular status. The Business Office will verify the information on the form and notify the Rally Committee Chair that the request has been received. A motion will be made at the committee level and upon passing at the committee level will be referred to the Board of Directors for final approval. When final approval is received, the judge will be notified and the judge's classification on the Judges Directory will be changed to Regular judge.

- b. To progress to National status, the Regular Judge must have completed a Rally Masters title in ASCA.
- c. Once a judge completes the titling requirement, he/she must submit a change of classification form to the Business Office requesting to be moved to National status. The Business Office will verify the information on the form and notify the Rally Committee Chair that the request has been received. A motion will be made at the committee level and upon passing at the committee level will be referred to the Board of Directors for final approval. When final approval is received, the judge will be notified and the judge's classification on the Judges Directory will be changed to National judge.

Request forms for moving to a new judge classification are found in the Appendix of the Rally Rulebook and on the ASCA Website.

15.5.6 Multiple Requests

Multiple requests may be submitted at the same time if the requirements for the requests have been met. **EXAMPLE:** if a provisional judge who has already titled a dog to the RM title and submits three sets of courses that do not require mandatory corrections, he/she would be eligible to submit requests to move to Regular and to National judge classification on the same form. Once the approval process is completed, the higher classification will be listed on the Judges Directory.

15.5.7 No Requirement to Change Classification

Judges are not required to move to a higher classification if they do not choose to make themselves eligible to judge the National Rally Trial or Rally Finals.

15.6 Eligible to judge the National Rally Trial and/or Rally Finals List

Host clubs for ASCA Nationals and Finals will look at the Judges Directory to note which Rally judges are eligible to judge the National Rally Trial and Rally Finals. Judges with a classification letter of "N" (National Judge) are eligible to judge the National Rally Trial. Judges with a classification letter of "S" (Senior Judge) are eligible to judge the National Rally Trial or Rally Finals.

15.6.1 National Rally Trial

To be eligible to judge the National Rally Trial, a judge must be in good standing with ASCA and be listed on the current approved ASCA Rally Judges List with a classification of "N". See Section 15.5 for instructions to move from Regular Judge (R) to National Judge (N) on the Judges Directory.

It is the judge's responsibility to complete the request form and submit it to the Business Office for verification that the judge meets the requirements for judging the National Rally Trial. Once the Business Office verifies the requirements are met, the judge's name will be added to the list of judges eligible to judge the National Rally Trial.

The Request Form can be found in the Appendix of the Rally Rulebook or online on the ASCA Website.

It is the judge's responsibility to complete the request form and submit it to the Business Office for verification that the judge meets the requirements for judging Rally Finals. Once the Business office verifies the requirements are met, the judge's name will be added to the list of judges eligible to judge Rally Finals.

The Request Form can be found in the Appendix of the Rally Rulebook or online on the ASCA Website.

15.7 Continuing Education Requirements for all ASCA Rally Judges

15.7.1 Staying Up to Date on Rules

It is the responsibility of all ASCA Rally judges to stay up to date on the current rules and regulations affecting the ASCA Rally program. Rule Books will be updated and reprinted June 1 of each calendar year. Individual program rulebooks may be updated and reprinted January 1 of the same calendar year if deemed necessary by the Board of Directors. Only those program rules contained in the latest version of each rule book shall be enforceable.

15.7.2 ASCA Rally Judges Seminar

All ASCA Rally Judges will be required to participate in the ASCA Rally Judges Education Seminar online ~~or in person~~ (Effective June 1, 2019) at least every two years. A notice will be sent by the Business Office to all ASCA Rally Judges during the first week of January in odd-numbered years (i.e. 2017, 2019, etc.). All sections in the Supplemental Packet must be answered correctly to receive credit for participating in the seminar. The completed Supplemental Packet must be returned to the Business Office within 60 days of the distribution date of the notice from the Business Office. The seminar may be watched repeatedly, and Supplemental Packet resubmitted repeatedly until all questions are answered correctly. In mid-February of odd numbered years, the Business Office will contact any judge who has not returned his/her Supplemental Packet to assure that the exam was received. Judges not returning the completed Supplemental Packet by the deadline will be removed from the approved ASCA Judges Directory and will need to reapply if they choose to judge ASCA Rally again in the future.

~~Judges who participate in the Judges Seminar at ASCA Nationals in the fall of an even-numbered year (i.e. 2016, 2018, etc.), will receive credit for completing their 2-year continuing education provided they submit a completed Supplemental Packet with all questions answered correctly to the Business Office within 60 days of the live seminar. (Effective June 1, 2019)~~

15.8 Publication

15.8.1 Aussie Times

The name and state of residence of new ASCA Rally Judges shall be published in the next edition of the Aussie Times following their approval by the ASCA Board of Directors.

15.8.2 ASCA Website

The name and personal information of all ASCA Rally Judges will be published on the ASCA Website under contact information unless that Judge has checked the opt-out box on their application.

The ASCA Rally Rules, Icons, Checklist, and Application may be found at www.asca.org

16 Trial Guidelines

16.1 Judges

16.1.1 Judge as Ambassador

The Judge is the ambassador of the sport during the event. From the presence of the Judge, all involved within that event, including exhibitors, spectators and workers, shall leave that event with the understanding of the sport of Rally, as given to them by the Judge.

16.1.2 Judging Limits; Reusing Courses

Judges can judge up to 120 runs per day. It is suggested that a Judge not judge more than eight hours in a single day. If a Rally Judge is judging more than one ASCA sanctioned event per day, the eight hours includes all assignments. Courses may not be reused within 6 months in any Trial that is within 300 miles from previous use of same courses.

16.1.3 Judge Demeanor

Judges must be fair, impartial, confident, and friendly. Beginners in the sport should feel at ease and welcomed by the Judge, not intimidated. Experienced exhibitors should have no doubt but that the Judge is in control by the Judge's confident and respectful manner.

16.1.4 Soliciting Assignments

Neither a judge, nor a family member of a judge, may solicit or promote assignments on the judge's behalf.

Definitions:

- a. Solicitation is the repeated contact and/or the use of influence, persuasion or coercion in an effort to obtain a judging assignment.
- b. Promotion is a Judge's or his/her immediate family member's attempt to sell or popularize the Judge or his/her judging assignments through verbal or written advertising and/or publicity.

16.1.5 Available Equipment

The Judge shall only use equipment that is approved by the current Rules and Regulations of ASCA and that the Affiliate Club is required to provide.

- a. The distribution of the stations should balance the area given for the ring.
- b. When designing courses, Judges should always keep in mind that 'flow' and safety are important in all classes.
- c. Course paths may not pass between distractions unless the exercise utilizing those distractions is being performed. Distractions are to be placed on the course in such a manner as to test the dog only during exercises where distractions are a primary part of the exercise.
- d. When judging, the Judge should be mindful in placing themselves out of the way of the Team yet in places where they can clearly see the Team perform each exercise completely.

16.1.6 Briefing Stewards

It is the Judges' responsibility to give a briefing to the Table Steward and all other Stewards for the trial. It is also the Judge who should see that all Stewards are ready to go.

16.1.7 Designing Courses That Meet ASCA Requirements

- a. It is the Judge's responsibility to provide courses that meet the ASCA Rally Rules and Regulations at all ASCA sanctioned Trials. If it is found that a Judge's course(s) did not meet these requirements, a Judge's status may be moved back to Provisional.
- b. If during a post-trial course review, it is determined the set of courses used did not follow ASCA's Rules and Regulations, the judge will be notified and provided details of the determination. If a second set of courses during the same calendar year is determined to also not comply with ASCA's Rules and Regulations, the judge and the Business Office will be notified by the ASCA Rally Committee Chair that the judge must submit course sets at least 30 days prior to future judging assignments. Judges will be notified in the sanctioning letter for future assignments of the need to submit courses for pre-trial course review.
- c. To determine if a course meets ASCA Rules and Regulations, a Course Design Checklist will be utilized. The same checklist is available on the website for judges to use.
- d. To avoid using courses that do not meet ASCA standards, all judges are encouraged and invited to submit their courses at least 30 days prior to using them at trials they have been hired to judge and to use the Course Design Checklist available on the website. Feedback will be provided for the voluntary submissions no later than 15 days prior to the first day of the trial they are judging.
- e. All judges in provisional status effective 11/1/19 will be required to submit a completed course review checklist with each set of courses. **(Effective December 20, 2019)**

16.1.8 Rule Infraction Pre-Trial Course Review

Timely Submission of Courses for pre-trial review is critical to assuring all trial maps meet minimum standards detailed in the Rally Rules & Regulations.

- a. Judges on pre-trial review who fail to submit courses 30 days in advance of the trial date will be sent a warning of the infraction via email by the ASCA Rally Committee Chair. A second failure to submit courses 30 days in advance of a trial will be reported (with documentation included) to the ASCA Board of Directors for possible suspension of judging privileges.
- b. Judges who have submitted courses for pre-trial review who fail to make the required changes and submit for review prior to the trial will be reported (with documentation included) to the ASCA Board of Directors for possible suspension of judging privileges.

- c. All provisional and pre-trial status review judges will be advised of this rule when they are sent their judges letter, or when their status is changed to pre-trial review after submitting courses that do not meet standards.
(Effective March 27, 2019)

16.2 Stewards

16.2.1 Volunteers

In Rally, the more help the Judge and Club receive, the smoother the Trial will run. The following positions may be required, and some jobs may be combined, where appropriate, when there is a shortage of volunteer help.

16.2.2 Table Steward

A Table Steward is necessary and required to help the Judge in recording scores and times in the Official ASCA Judges Book. They also prepare the paperwork needed for the next dog in line. If only one Steward is available, they must act as Table Steward. The Table Steward may not compete in the level they are acting as Table Steward but may compete in another level if someone else is designated the Table Steward. If two Table Stewards are used for a Trial, they must both be present at the beginning of the Trial to be briefed and instructed by the Judge. No more than two Table Stewards are permitted per Trial unless the Club has the Judge's approval.

16.2.3 Gate Steward

A Gate Steward is preferred to keep things running smoothly. This Steward will ensure jump heights are correct and help with the leash when removed and given back to handler before dog leaves the ring. It is helpful if the Gate Steward has two dogs in line ready to compete. They will also help reset jump heights, reset courses, and perform any other duties assigned to them by the Judge.

16.2.4 Timing Steward

A Timing Steward is also helpful, but the Gate Steward may perform the duties of the Timing Steward. The Judge will designate this position at the beginning of the Trial. The Timing Steward may not show in the class where they act as the Timer but may show in any other class(es). Timers will preferably time the entire level; if that is not possible, they must complete the entire class.

17 Course Design

It is the Judge's responsibility to design courses that offer level appropriate challenges and meet the current ASCA Rules and Regulations. Safety, flow and interesting course design are primary factors and contribute directly to the exhibitor's ability to demonstrate teamwork and proficiency on the course.

At all levels, the judge shall design a course that meets the following criteria.

17.1 Equipment

- a. The judge shall only use equipment that is approved by the current Rules and Regulations of ASCA. (See Chapter 1 Section 15)
- b. Only equipment the Affiliate is required to provide may be used. (See Chapter 1.15.1)

17.2 Course Map Requirements

The following items must appear on all course maps.

17.2.1 Tools for Designing Courses

There are many tools available on the ASCA Website to assist in designing courses.

Available on the website are:

- a. 2015 Course Design Template (excel based template)
- b. Course Design Checklist
- c. Mini .jpeg signs for use in other software programs

Judges are allowed the freedom to choose which software to use when designing courses. They can even choose to hand draw course maps if the following criteria are met.

17.2.2 Map Basics

The following are required on all maps:

- a. Judge's name
- b. Date of the trial; if there is more than one trial on that date, further identification such as Trial #1, Trial #2, or A.M., P.M. must be included on each map.
- c. Affiliate club hosting the trial
- d. Course level
- e. Ring size
- f. ASCA sign icons
- g. Station numbers
- h. Star indicators, enough to have a total of 200 points available on the course.
- i. Cone icons, if any cone exercises are used. Food or toy icon for exercises that include distractions. (No more than 7 cones may be used on a course.)
- j. Separate entrance and exit gates.
- k. Leash location indicator for courses that utilize a Stay exercise requiring the handler to retrieve a leash as part of the exercise.
- l. List that includes:
 1. Station # to match that on course
 2. Class (i.e. M, E, A, N) for all level specific exercises, based on the lowest class in which they can be used
Signs 1-30 can be used on all levels, no class designation on the list
Signs 100-107 are novice only so N would be listed under Class on the list
Signs 120-125 can be used for Novice and Advanced, no class designation on the list
Signs 200-231 are for Advanced, Excellent & Masters, so would be marked A on the list
Signs 300 - 327 are for Excellent & Masters, so would be marked as E on the list. Sign 316 is not designated as E on the list
Signs 400-416 are for Masters only, so would be marked as M on the list
 3. Stationary (S or blank)
 4. Exercise Name
 5. Name of Jump to match icon shown on course
 6. Stars, where needed
 7. Sign Number to match that on course
 8. "Finish" with no number, before the Stay exercise, when applicable.

17.2.3 Jump icons and distraction icons

- a. Jump icons (1 for excellent; 1 or 2 for Masters. If a single physical jump is used in Masters, the jump used must be different than the jump used in Excellent.)
- b. Jump types must be identified on the course maps and must be identified (high, bar or broad) on the exercise list and must match the icon on the map.
- c. Toy or food icons for distraction exercises must be shown on course maps and must be identified (toy and/or food) on the exercise list.

17.2.4 Handler Path Arrows

- a. The handler path shall be indicated by arrows on Novice level courses.
- b. Handler paths may be marked at the other levels but are not required.

17.3 Design Requirements

17.3.1 General Requirements

- a. Safety and flow are required on all courses.
- b. The distribution of stations should balance the area given for the ring. L patterns or other patterns that leave large blocks of ring space empty do not meet this requirement.
- c. Sign icons and station numbers shall appear on the map in the order the exercises are to be performed.
- d. Courses at all levels will have 16 to 19 stations with enough star stations for the course to have a starting value of 200 points.
- e. Courses must be designed in a manner that dogs of any size and handlers with mobility aids can perform the stations with adequate space to do so.
- f. There should be significant differences in the signs used for Excellent and Masters; both to provide course variety and to prevent a distinct advantage for exhibitors competing in both classes over exhibitors competing in only one level. At a minimum, to reach the level of significantly different, any excellent level signs used on the Masters course (except for the jump exercise), must be moved to a different location on the course or replaced with a different exercise. If a stay exercise is used on the Excellent course, it must be different than the one used on the Masters course. The Jump exercise may remain in the same location, however moving the jump to a different location on the Excellent course further increases the difference between the Masters and Excellent courses. Switching out other signs to make the two courses even more different is strongly encouraged.
- g. Courses should be designed and laid out in a way that all teams, even those whose handlers miss the walk through, have a reasonable chance of qualifying.
- h. Sign selection should be made so that courses are challenging but fair at all levels.
- i. The selection of signs should demonstrate a variety of behaviors and provide an opportunity for teams to demonstrate teamwork and proficiency.

17.3.2 Sign Placement

- a. Sign icons shall be shown on the map to the right of the team's path except for change of direction signs which shall be shown placed directly in front of the team. Angle turns (45 degree and 225 degree) are considered a change of direction so must be placed in the team's path.
- b. Sign icons and numbers should be oriented to the team's path as they will move through the course.
- c. Signs including more than two elements are to be readable to the handler during the performance of all elements of the exercise.
- d. Placement of the Start sign must allow adequate room for the team to enter the ring and set up.
- e. Placement of the Finish sign when facing the ring gate must be at least 6 feet from the gate.
- f. Fast (sign #3), Halt, Fast (sign #2), About Turn, Fast, and U Turn, Fast (sign #228), must be followed by the Normal sign.
- g. Slow (sign #4), Halt, Slow (sign #300), About Turn, About Turn Slow (sign #229), Slow (sign #317), and U Turn, Slow (sign #318) may be followed by either the Normal sign or the Finish sign.
- h. Sign Placement and Performance Location Chart (see Appendix)
- i. Proper placement of signs for the Masters Directed jump exercises 414, 415 and 416 is detailed in the Appendix, ASCA Example 8.

17.3.3 Stationary Exercises

- a. The chart below shows the allowed number of stationary exercises allowed on a course for each level.

| NOVICE | ADVANCED | EXCELLENT | MASTERS |
|---------------|-----------------|------------------|----------------|
| 3-6 | 3-7 | 3-8 | 3-9 |

- b. A stationary exercise is any exercise where the handler and dog come to a complete stop at any point in the performance of the exercise.
- c. Stationary exercises are marked with an "S" in the Stationary column in Chapter 18 Signs and Descriptions.
- d. The Sit Stay and Down Stay exercises do not count in the total number of stationary exercises on a course.

17.3.4 Stay exercises

- a. A Sit Stay or a Down Stay is required in Novice and Masters. They are allowed in Advanced and Excellent. The following distance requirements for the stays are below.

| NOVICE | ADVANCED | EXCELLENT | MASTERS |
|-----------------------|----------|-----------|---------|

17.3.5 Distraction Exercises

- a. Distractions can be either toys (6" to 12" in size) or bowls (1-2-quart size) with food securely covered.
- b. No more than two (2) toy or two (2) food bowl distractions can appear on the course.
- c. Cones that are part of a distraction exercise may not be used by any other exercise. For instance, if the Serpentine Cones One Way with Distractions is used, neither of the end cones of that exercise can be used as part of any other cone exercise.
- d. No more than seven (7) cones can be used on a course.
- e. Other sections of the course path may not pass through a distraction exercise.
- f. Distractions should be placed so they do not accidentally or intentionally become part of other exercises on the course.

17.3.6 Level Specific Exercise Requirements

- a. The chart below shows the sign requirements specific to each level of competition.
- b. Jump exercises are not included in the total count of Excellent exercises included on a course.

| NOVICE | ADVANCED | EXCELLENT | MASTERS |
|-------------------------|---|---|--|
| 3 Novice only exercises | 4 Advanced exercises (not eligible for Novice) | 4 Excellent exercises (not eligible for Novice or Advanced) 3 Advanced exercises (not eligible for Novice) 1 Jump exercise | 4 Masters only exercises 3 Excellent exercises (not eligible for Novice or Advanced) 1 or 2 Jump exercises |

17.4 Additional Design Criteria

17.4.1 Jump exercises

- a. If only one physical jump is used in Masters, it must be different than the jump used in Excellent.
- b. If two jump exercises are used in Masters, there must be at least 2 exercises performed between the two jump exercises.
- c. For Sign #316, adequate space must be allowed before the jump and after the jump to ensure safe take-off and landing zones. At least 10 feet are required before and after a bar jump or high jump. The broad jump needs at least 10 feet before the jump and at least 12 feet after the jump.
- d. The jump exercise in Excellent must be starred.
- e. At least one jump exercise in Masters must be starred.
- f. For Sign #414 there must be at least 10 ft before the jump.
- g. For sign #415 and #416 there must be at least 12 ft after the jump.

17.4.2 Stationary exercises

- a. Care should be taken to avoid any disruption of course flow caused by too many consecutive stationary exercises. Things to consider when determining if there are too many in a row are how many sits, downs, and stands there are in that sequence and on the complete course. The analysis of this really depends on the exercises chosen. For instance, on a Masters level course if station numbers 310 (Halt, Call Front, Finish Right, Halt), 7 (Call Dog Front, 1-2-3 Backwards) and 405 (Halt, Pivot Right, Halt, x3) are used in sequence, there are 11 sits required within a short distance which can really destroy flow and interest on a course and it feels like too many stationary exercises in a row. If on the other hand, stations 313 (Moving down, Walk Around Dog), 402 (Side Step, Forward Step, Halt) and 408 (Moving Stand, Walk 3 Steps, Face Dog, Call to Heel) are used, there is 1 down, 1 stand and 2 sits with the handler moving to

different positions in the stations which gives 3 stationary exercises in a row a totally different feel. In the second example, 3 stationary exercises don't destroy the flow and interest of the course.

- b. The use of stationary exercises on a course should demonstrate the ability of teams to perform a variety of stationary positions.

17.4.3 Turns

- a. Care should be taken to avoid too many consecutive turns, which can cause dizziness. An example might include spirals, 360 circles and 270s all run together in a sequence. Breaking up turn exercises with other exercises will help reduce the potential dizzy factor.
- b. The following signs can be used to change the team's path on the course:

| Signs 1-30 | | Signs 100-125 | |
|------------|--|---------------|---|
| 10 | Right Turn | 102 | Halt, Front Dog, Finish Right, Halt |

| 327 | Halt, Down Walk 3 Steps, Face Dog, Finish, Halt | | |

- c. Serpentine exercises are not designed to include a 90-degree turn at the first cone or a 90-degree turn out of the exercise. If a course requires the team to make a 90 degree turn to get into the serpentine, then a turn exercise must be used as the station before the serpentine so that the serpentine exercise can be approached straight. If the course

requires a turn coming out of a serpentine, the turn must be made using a turn exercise following the serpentine rather than using the last cone as a turning mechanism.

- d. 45 Diagonal and 225 Loop turns are for use coming out of or going into a diagonal path and are considered a change of direction.
- e. Care must be taken with all turns to assure the sign is placed appropriately to allow the team to make the correct angle turn as indicated on the sign.

17.4.4 Cones

- a. Serpentine and spiral exercises are set up with 6-8 feet between the cones.
- b. Serpentine exercises with distractions require 8-10 feet between the cones and distractions.
- c. The Offset Figure 8 and Offset Figure 8 with Distractions exercises are set up with 8- 10 feet between the cones. Distractions for the Offset Figure 8 with Distractions are placed 6 – 8 apart and at 90-degree angles to the cones.
- d. Sign #25 & #26 Offset Serpentine requires the middle cone to be moved 3-4 ft to the left or right of the first and third cones.

17.4.5 Spacing of Exercises

- a. Careful consideration must be given to how much space an exercise requires for correct performance. Some stations require much more than others. For instance, the Halt station takes up very little space compared to the Halt, 1, 2, 3. The following chart is provided to offer suggestions for space needed for some of the exercises. These are not hard and fast numbers. The amount of space it takes for a sign depends a lot on the exhibitor and the size of the dog. It is up to the judge to set a course that ensures there is enough space to perform the selected exercises.

| SIGN NAME | APPROXIMATE SPACE REQUIRED |
|---|----------------------------|
| Halt, 1-2-3 | 15 ft |
| Call Dog Front, 1-2-3 Backwards | 15 ft |
| Serpentine exercises without distractions | 22-28 ft |
| Serpentine exercises with distractions | 28-34 ft |
| Offset Serpentine | 8-12 ft long, 5 ft wide |
| Spiral Right; Spiral Left | 19-23 ft |
| Off Set Figure 8 | 8-10 ft |
| Cloverleaf | 6 ft x 6 ft |
| Any station that requires the handler to walk away from their dog 3 steps | 7-10 ft |
| Standard Bar jump or High jump | 22 ft |
| Broad Jump | 25 ft |
| Offset Jump | 24 ft |

- b. Spacing not only involves the distance needed for performing exercises, but how much width is required for exercises. Consideration must be given to ensure paths are suitable for dogs of all sizes and mobility aids. One never knows when a Chihuahua and Great Dane will enter the same trial or when a wheel chair, walker, or other mobility aid will need to be used by a handler. Some mobility aids can be as wide as 30". As an example, a 4-foot wide section for a handler path that has the ring gates on one side of it and Rally signs to the handler's right should be sufficient in most cases.
- c. When designing courses, you should take the necessary measures to ensure there is enough space in each sequence for correct performance of all the exercises. Setting up the course or setting up sections of the course for testing may help.
- d. Signs on the course maps should not be placed haphazardly, but with intention and care. The distance between exercises should be proportionate to the distance required to perform the exercise. While exact distances are not required, it is possible to create maps that depict courses with correct sign placement and reasonable approximations of distances needed for each station and the path between them.
- e. Teams should have room to complete each exercise before beginning their approach to the next sign. Allowing room between stations and before and after change of directions requires teams to demonstrate control and teamwork. The

Heeling and Conduct sign exists so that imperfections in heeling, misconduct, lack of teamwork and handler errors that occur between stations can be scored.

- f. Large drifts should be avoided and can frequently be corrected by altering a course path, adding another turn, allowing more space between exercises and various other design techniques.
- g. Exercises that require a 45, 90, 180, 225, 270 or 360-degree performance must be placed on the course so that the complete angle can be accomplished. For instance, a 180-degree pivot, must be placed so the team can perform a complete 180-degree pivot. Anything less than 180 degrees or more than 180 degrees will result in an incorrect performance and should not be due to poor course design.
- h. Creative course paths are encouraged, even allowing diagonal courses or diagonal sections of courses. However, course design must always direct each team to a position that allows the correct completion of every exercise.
- i. Sometimes using a cone exercise to get into and out of diagonal sections allows for the correct completion of exercises. Care should be taken to avoid obscure, unconventional or backside entrances to cone exercises.
- j. Signs for 45-degree diagonal and 225-degree loops can be used to go into, or transition from, a diagonal path.
- k. When the available ring size is unknown it is always best to design for the minimal legal-size ring, 40' x 50'. Courses can be easily spread out to use more space, but many times do not squish together well.

18 Signs and Descriptions

18.1 Start/Heeling and Conduct

The "Start/Heeling and Conduct" Station shall be the first numbered Station on the course. Until January 1, 2016, affiliates will be allowed to continue providing the individual Start and Heeling and Conduct signs for trials, rather than the combined sign. Judges must place the Heeling and Conduct sign to the right of the Start sign if the set of signs provided by the affiliate still includes the two signs.

Signs list at the end of each level's chapter will also show the Start/Heeling and Conduct as one combined sign rather than as separate signs.

18.2 Primary Parts of Exercises; Stationary Exercises

The "Primary" parts of the exercises are bold and underlined. These portions must be performed correctly, or the exercise shall be scored Incorrectly Performed (IP). The column 'S' denotes Stationary exercises.

Code of Ethics for ASCA Judges

1. ASCA Judges are expected to conduct themselves in accordance with this Code of Ethics set forth by the Australian Shepherd Club of America Board of Directors. Failure to comply with this Code of Ethics subjects a judge to disciplinary action by the ASCA Board of Directors, including the possible revocation of ASCA Judging privileges.
2. ASCA Judges carry a tremendous amount of responsibility. They function as a guiding voice of the Australian Shepherd and should represent the highest ideals in terms of honesty, integrity, impartiality and knowledge of the sport and the breed.
3. The approval to judge ASCA events is a privilege and is not a right or reward. Suspensions in other registries relevant to the task of judging will be a consideration in the approval and maintenance of ASCA judging privileges.
4. All Judges and applicants must agree to abide by the ASCA Judges Code of Ethics.
5. ASCA has the sole right to refuse, suspend or revoke the ASCA judging license of any person in violation of ASCA rules, or for the failure to comply with the provisions set forth in this Code of Ethics. Failure to comply with the Code of Ethics, or any ASCA Program rules, subjects a judge to disciplinary action by the ASCA Board of Directors, including the possible revocation of ASCA Judging privileges. Judges will be notified if such action is being considered, the reason for its consideration, and given the opportunity to reply.

Responsibilities:

1. ASCA Judges should have thorough knowledge and understanding of the rules and regulations governing the program venue in which they are judging.
2. ASCA Judges should have the safety and welfare of the stock, dog and handler as the judge's foremost concern in reviewing the trial conditions and in judging a working trial.
3. It is the Judge's responsibility to keep up to date with current changes in the program rules for which they are judging and are also expected to continue their education process throughout their career.
4. Judges are to be professional in carrying out their duties and must not allow personal preferences to interfere with the stated guidelines upon which they judge the handler (exhibitors) or dogs.
5. It is essential that exhibitors have complete faith in the impartiality of their judges. A Judge's actions and decisions should leave no doubt that they were made based solely on the merits of the dogs presented to them on that day.

Conduct:

1. The Judge's conduct must always be impartial, dignified, and respectful. The Judge's actions and professional comportment must be above reproach. Judges should avoid conduct and casual remarks that might be misconstrued or misinterpreted such as expressing favoritism or specific criticism of dogs or exhibitors.
2. A Judge or their family members should never solicit or promote assignments on the judge's behalf.
3. When attending social functions organized by the event-giving club where exhibitors are present, a Judge is expected to exercise particular discretion in discussing individual exhibitors, dogs or breeders.
4. When officiating at a show, the Judge shall not:
 - a. Discuss the merits or faults of the dogs or handlers (exhibitors) with the stewards, attendants, or spectators during the assignment.
 - b. Hold, have control of, or groom any dog on the show grounds during his assignment that is not wholly owned or co-owned by the judge.
 - c. While officiating, a Judge should not ask individuals:
 - i. Who owns the dog;
 - ii. From whom the dog was purchased;
 - iii. What bloodlines the dog is out of.
5. A Judge may not judge any dog, which is owned or co-owned, by the Judge.

6. A Judge may not give advice or guidance on how to handle his/her dog to an exhibitor during an event or class the Judge is judging. This does not prevent the Judge from answering appropriate questions, giving course instructions, informing an exhibitor where to go or inform the exhibitor of proper procedures.
7. Any alterations or changes in scores or placements must be initiated by the Judge per the program rules of the venue in which they are judging.
8. Judges shall score a trial/class based solely on the dog and handler's (exhibitor's) performance as a team as described in the ASCA Program Rules and Regulations, and in no case shall judging be based (nor any consideration be given) on the identity or reputation of the handler, owner, the breeder, or the dog's lineage.
9. Judges shall remember that trials are staffed largely or entirely with unpaid volunteers, and shall treat stock handlers, tracklayers, ring stewards, timers, helpers, exhibitors and spectators with due courtesy and consideration.
10. Judges shall be professional in demeanor and arrive appropriately dressed for the judging assignment, with due consideration of anticipated weather, arena and ring conditions.

Special Rules for Conformation and Tracking Judges:

1. When officiating at a trial:
 - a. A Judge shall not judge any dog that is co-owned or bred by the Judge's immediate family.
 - b. A Judge, while judging a tracking event, shall not place himself/herself in positions on the track so as to indicate the correct direction of the track, nor place markers or articles so as to clearly indicate corners.
2. Prior to the completion of a conformation judging assignment, a Judge shall not act as a spectator at the same conformation event at which he is scheduled to judge.
3. A Judge shall not personally exhibit a dog in Conformation in the same state as his assignment four (4) days prior to his assignment as a conformation judge.
4. A Judge or their family members should never solicit or promote assignments on the judge's behalf.

Definitions:

- a. Solicitation is the repeated contact and/or the use of influence, persuasion or coercion in an effort to obtain a judging assignment.
- b. Promotion is a Judge's or their immediate family member's attempt to sell or popularize the Judge or their judging assignments through verbal or written advertising and/or publicity.

Dog Aggression Rules

1 Disqualified Dogs

1.1 Disqualification

A Judge shall disqualify any dog that such Judge determines has attempted to attack any person in the ring/trial arena where the Judge is judging. In accordance with this rule, the Judge shall mark that dog as "Disqualified" stating the reason for the disqualification on the score sheet, Judge's book, or Judge's Report depending on the program, shall take steps to inform the owner or owner's agent as soon as reasonably possible and shall give the Show/Trial Secretary a brief report of the dog's actions using the "Explanation Form for Disqualified or Excused Dogs". The "Explanation Form for Disqualified or Excused Dogs" and entry form shall be submitted to the Business Office as part of the Show/Trial results for any dog which has been disqualified. The Business Office shall send a Notice of Disqualification to the owner of such dog.

1.2 Jurisdiction

The Affiliate or its Show/Trial Committee has exclusive jurisdiction over an attack on any person which occurs outside of the ring/trial arena as defined below. The Affiliate or Show/Trial Committee shall have jurisdiction if the Judge did not witness the occurrence in their own ring/trial arena. The decision to disqualify a dog shall be based on the incident investigation which shall cover all circumstances surrounding the incident. The Board of Directors will either validate or reverse the Affiliate's decision, basing its action on the details of the investigation and a recommendation from Counsel. The Affiliate or its Show/Trial Committee shall take reasonable steps to inform the owner and the owner's agent of the disqualification as soon as reasonably possible.

The Business Office will provide the report and all supporting documentation to the owner of the offending dog at the owner's request.

2.5 ASCA Board of Directors

If a dog has been excused for its behavior under this Rule on two separate occasions, the Business Office shall notify the Board of Directors. The Board of Directors shall take whatever action it deems necessary which may include disqualification.

3 Definitions under the Dog Aggression Rules

3.1 Ring/Trial Arena

The "ring/trial arena" is the bounded area in which judging of an ASCA event occurs and over which the Judge has authority pursuant to the Dog Aggression Rules. The boundary is defined by physical barriers plus a buffer zone extending ten (10) feet from such physical barriers.

3.2 Show Grounds

The "show grounds" are the boundaries of the grounds on which ASCA events are being held. They include, but are not limited to, all areas outside the ring/trial arena (including the buffer zone) set aside for grooming, holding of dogs, and parking of vehicles of the exhibitors.

3.3 Disqualified Dog

A "disqualified dog" is a dog no longer eligible to participate in any ASCA program event from the time of disqualification.

3.4 Excused Dog

An "excused dog" is a dog which has been asked to leave the ring/trial arena for aggressive behavior or instability of temperament. Such a dog is not eligible to compete further in the program from which excused at the event but may participate in other programs at that event. An "excused dog" also refers to a dog that has been excused from an event for aggressive behavior or instability of temperament outside the ring/trial arena by the Affiliate or its Show/Trial Committee.

4 Reinstatement of Dogs Disqualified under the Dog Aggression Rules

4.1 Right to Reinstatement

A dog disqualified under the Dog Aggression Rules has no right to be reinstated for competition.

4.2 Reinstatement

ASCA will consider reinstatement of a dog disqualified under the Dog Aggression Rules in accordance with the program specific reinstatement process in effect or a process outlined by the Board of Directors after the dog satisfactorily completes the reinstatement process.

4.3 Documentation for Reinstatement

To be considered for possible reinstatement, documentation showing the dog has attended obedience training, handling classes and/or behavioral therapy with letters from trainers and/or behavioral specialists stating the dog has completed training and/or behavioral therapy and is not a threat must be submitted along when applying for reinstatement.

4.4 Other Considerations for Reinstatement

Successful completion of a reinstatement program is not a guarantee that the Board will reinstate the dog. ASCA's Board of Directors, in its sole discretion, may consider other conditions before reinstatement. Such conditions may include, but are not limited to, requiring the dog's owner to carry a personal liability policy for the dog in an amount determined by the Board. The Board may also require that such policy include ASCA as an additional named insured at such owner's sole cost and expense.

4.5 Eligibility

There are various conditions that lead to disqualifying a dog for biting/menacing. Not all dogs may be eligible for reinstatement as some conduct is so egregious that reinstatement will never occur. No dog is entitled to reinstatement and following the reinstatement procedures is no guarantee the Board will reinstate. While there is no waiting period before an owner may apply to the BOD for reinstatement of a dog, if a dog is denied reinstatement, the owner must wait one year before reapplying.

Conflict Resolution Protocol

EFFECTIVE NOVEMBER 2016 | REVISED JULY 2017

This ASCA Conflict Resolution Protocol replaces the ASCA Dispute Rules, which are no longer in effect.

The purpose of ASCA's rules is to protect and advance the interests of the Australian Shepherd as a purebred dog and to encourage sportsmanlike conduct at dog shows, working, agility, rally, tracking and obedience trials and at any other event where Australian Shepherds participate. The purpose of our rules is to ensure fair participation in our program events, civil conduct among our members and integrity in our registry. Sometimes conflicts and disputes will arise, and, in those cases, the following protocol has been established to resolve such conflicts and disputes.

Membership in ASCA is a privilege, not a right. Members may be disciplined, or membership may be suspended by the Board of Directors for cause detrimental to the interest of ASCA or to its programs, policies, objectives or the harmonious relationship of its members, as determined by the Board of Directors.

Questions not answered by this document should be referred to the ASCA Executive Secretary.

The ASCA Conflict Resolution Form is included with each sanctioning packet sent to Affiliate Clubs. Copies of the ASCA Conflict Resolution Protocol and ASCA Conflict Resolution Form must be available at all ASCA-sanctioned events.

FIRST DECIDE WHO SHOULD RECEIVE YOUR REQUEST FOR CONFLICT RESOLUTION:

Affiliate Club

It is the duty of the Affiliate to deal initially with conflicts which occur during or in connection with its events.

The Affiliate Club should receive these requests for conflict resolution:

1. Conflicts, complaints or disputes arising from violation(s) of rules at ASCA-sanctioned events sponsored by an affiliate, including violations of ASCA Bylaws, ASCA program rule books, ASCA Policy, or ASCA codes of conduct.
2. Conflicts, complaints or disputes arising from affiliate bylaws or rules.
3. Conflicts arising from the improper actions by a judge which are correctable at the time of the event (not the decision of the judge).

Board of Directors

The ASCA Board of Directors, via the ASCA Executive Secretary, should receive these requests for conflict resolution:

1. Conflicts with a Judge that cannot be mediated at the show/trial.
2. Conflicts or disputes originating with the ASCA Board regarding the ASCA Bylaws.
3. Appeals of decisions by an affiliate.

PROCESS FOR REQUESTING CONFLICT RESOLUTION AT THE AFFILIATE LEVEL:

1. The request for conflict resolution is filed on an official ASCA Conflict Resolution Form. The form must be delivered to the Affiliate President or the Affiliate Member in charge of the event. Ordinarily, requests for conflict resolution must be filed on the day the conflict occurs. If the form is not delivered to the Affiliate President immediately, it must be delivered within 48 hours of discovery of the conflict or 48 hours of the event which incited the conflict. In an extreme emergency, a request may be filed orally. Oral requests must be followed up in writing on the official Conflict Resolution Form. Conflicts filed orally are to be dealt with immediately. In the case of an oral request, the Affiliate President or the Affiliate Member in charge of the event will determine whether immediate action must be taken or whether the request for resolution can be heard later. The decision to entertain or reject requests for resolution made after an event rests with the Affiliate, but in no case should a request be entertained which is not received by the Affiliate within five (5) days of its event.

2. A hearing body with a minimum of three members is chosen. The Affiliate President will determine the hearing body. If the Affiliate President is not present when an oral request is made, the Affiliate Member in charge of the event will determine the hearing body. This is normally either the Affiliate Board of Directors or the event committee; however, other ASCA members (program judge, experienced competitor, etc.) who are on site but who were not involved in the situation may also be appointed to the hearing body, even if they are not a member of the hosting affiliate. No party to the conflict or his/her immediate family may be a member of the hearing body. The person who determines the hearing body will chair the hearing body.
3. The complaint is delivered to the hearing body.
4. In cases involving an accused party, the chair of the hearing body advises the accused parties of their rights: to know of the testimony against them, to rebut such testimony, to question all witnesses through the investigator, to present witnesses on their own behalf and to testify on their own behalf.
5. The hearing body conducts the hearing as soon as possible. Any necessary inquiry will be pursued by the hearing officials.
6. When deciding a case of a conflict involving multiple parties, ALL parties shall be notified of the request for conflict resolution and are to be given copies of the form, ALL parties will be allowed to state their case, and ALL parties should be questioned by the hearing body. The hearing body shall make a good faith effort to obtain factual information concerning the conflict, including obtaining information from persons that witnessed the incident other than the person(s) filing the request for resolution or the person(s) involved in the conflict. This provision does not assume or admit that the hearing body is bound by any state or U.S. Constitutional requirement of due process.
7. After all parties have been heard and the investigation is complete, the hearing body will deliberate and reach a decision.
8. The hearing body will announce their decision as soon as possible. Normally this would occur immediately following the hearing. Investigations should be complete within 21 days of the receipt of the request for conflict resolution.
9. If after review and investigation of the conflict or dispute, the hearing body is of the opinion that a rule violation has occurred, the hearing body may take such disciplinary action consistent with the provisions of these rules as it deems appropriate. The hearing body shall refer to the Affiliate Level Disciplinary Guidelines in determining what disciplinary actions to take, if any.
10. All parties involved in the conflict will receive the decision in writing. A copy of this decision, a copy of the request for resolution and a summary of the investigation will be sent to the ASCA Executive Secretary.
11. The decision of the hearing body shall be final and binding unless a written notice of the member's intention to appeal the decision is received by ASCA's Executive Secretary within 7 days of the date of the letter notifying said member of the disciplinary action taken against him/her.

PROCESS FOR REQUESTING CONFLICT RESOLUTION AT THE ASCA BOARD LEVEL:

1. The request for conflict resolution is filed on an official ASCA Conflict Resolution Form and sent to the ASCA Executive Secretary (asca.execsec@gmail.com). The form must be delivered or postmarked to the ASCA Executive Secretary by email or postmarked within 5 days of the discovery of the conflict or within 5 days of the event which incited the conflict. In the case of an appeal of an affiliate decision, the form must be delivered to the ASCA Executive Secretary by email or postmarked within 7 days of the receipt of the Affiliate's decision.
Email address: asca.execsec@gmail.com
Postal address: ASCA Executive Secretary, c/o ASCA Business Office, 6091 E. State Hwy. 21, Bryan, Texas 77808-9652
2. Upon receipt of the request for conflict resolution, the Executive Secretary will forward the request to all members of the ASCA Board of Directors and will assign a Director to head the investigation of the conflict. All parties named in the request for conflict resolution will be notified by the Executive Secretary and be given a copy of the official Conflict Resolution Request Form.
3. In the case of conflicts involving an accused party, the accused party may file a written answer within 14 days of his/her receipt of the Conflict Resolution Request Form. The Director assigned to investigate the conflict will attempt to contact all involved parties so that they may present their sides of the conflict orally. This provision does not assume or admit that ASCA is bound by any state or U.S. Constitutional requirement of due process.
4. The Director will conclude the investigation and will present his/her findings and recommendation in writing to the Board within 21 days of being assigned the request by the Executive Secretary. A summary of each witness's testimony, including the questions asked, should be part of the written recommendation. The Board of Directors will discuss and vote on the findings and recommendation at the next regularly scheduled Board of Directors meeting following the 21 days.
5. Temporary Measures in Emergency Cases: When necessary, the Board may impose immediate temporary measures to remain in effect pending its decision.
6. The Board, through the Executive Secretary, will deliver dated notice of the decision to both parties within 7 days of the Board vote on the motion. There is no appeal from a Board decision.

TIMELINES FOR CONFLICT RESOLUTION:

An Affiliate and the Board of Directors may summarily rule against any party who fails to comply with these timelines.

| WHAT | WHEN |
|---|---|
| Filing of Request for Conflict Resolution | A request may be filed immediately for situations requiring emergency action at the Affiliate level. All other requests must be filed within 48 hours of the incident requiring resolution, to the Affiliate (up to 5 days with extenuating circumstances) and within 5 days to the Board, whichever should receive the request. |
| Notification of Named Parties | Immediately in the case of emergency requests for conflict resolution; before the investigation of the conflict begins. |
| Investigation by Affiliate-Level Hearing Body | Completed immediately for emergency situations; Complete within 21 days of receipt of Conflict Resolution Form for all others. |

| Appeal to ASCA Board of Directors | Within 7 days of the date of the letter notifying said member of the disciplinary action taken against him/her. |
| Investigation by Board of Directors | Completed within 21 days of being assigned. |
| Response from Accused Party | Within 14 days of their receipt of the Conflict Resolution Form. |
| Decision by Board of Directors | At first Board meeting following the 21-day investigation. |

AFFILIATE LEVEL DISCIPLINARY GUIDELINES:

Statute of Limitations: Three (3) years after disciplinary action, is taken against a member such action shall be considered fully satisfied and absolved and a further infraction of the rules after that three-year period shall be treated as a first offense.

First Offense:

- a. Letter of instruction, reminding member of ASCA's rules, OR letter of reprimand;
- b. Fine not to exceed \$100*;
- c. Both of the above.

Subsequent Offenses:

- b. Fine of up to, but not to exceed \$1,000*;
- c. Referral to Board of Directors for further action;
- d. Combination of a, b, and c above.

*Failure to pay a fine will result in a member not being in good standing with ASCA, which will result in loss of member privileges; see section 14 of the ASCA Policy Book.

BOARD LEVEL DISCIPLINARY GUIDELINES:

Statute of Limitations: Three (3) years after disciplinary action, is taken against a member such action shall be considered fully satisfied and absolved and a further infraction of the rules after that three-year period shall be treated as a first offense. The Board of Directors will use the Consequences Guidelines below as a guide when resolving conflicts.

ENFORCEMENT OF BOARD SANCTIONS:

All ASCA Affiliates shall honor sanctions imposed by the Board and shall refrain from taking actions which tend to minimize or lessen such sanctions. For example, if a member is suspended from participating in competitions, Affiliates shall prohibit such participation.

NOTICE OF SANCTIONS:

Final decisions imposing sanctions against any ASCA member shall be published in the official newsletter.

ACTIONS DETRIMENTAL TO THE INTEREST OF ASCA:

The protocols outlined in this document are intended to help parties resolve conflicts associated with their participation and membership in ASCA. It is the duty of the ASCA Board of Directors to be active protectionists regarding ASCA. Membership in ASCA is a privilege, not a right. A member may be disciplined, or membership may be suspended by the Board of Directors for intentional actions taken by such member which are detrimental to the interests of ASCA or its programs, policies, or objectives, as determined by the Board of Directors.

MATTERS NOT SUBJECT TO THE CONFLICT RESOLUTION PROTOCOL:

1. **Breeder-Buyer or Co-Owner Disputes:** ASCA does not resolve Breeder-Buyer disputes or disputes between co-owners of dogs. ASCA will only take action to enforce the judgments or decisions of a court of competent jurisdiction, unless otherwise provided for in the ASCA Registry Rules.
2. **Breeder's Code of Ethics:** The Breeder's Code of Ethics is a statement of conduct and principles that ASCA requires all breeders of Australian Shepherds to adhere to in order to maintain the integrity of the Australian Shepherd and ASCA's registry. Any complaint relating to a violation of ASCA's Breeder's Code of Ethics shall not be subject to this protocol.
3. **Registry Issues:** Conflicts or disputes concerning ASCA's Registry are not subject to this Conflict Resolution Protocol. Conflicts or disputes concerning the Registry shall be presented to the ASCA Executive Secretary who shall then present them to the ASCA Board of Directors. The Board of Directors shall make a final determination of any such Registry issue presented to it. The ASCA Board of Directors may impose such discipline as it deems appropriate against any person found to have violated ASCA's Registry Rules, up to and including suspension of membership for up to 25 years and imposition of fines of up to \$10,000. Imposition of a suspension of membership privileges for a period longer than 1 year or a fine of more than \$1,000 shall require the affirmative vote of at least seven (7) Directors. The Board of Directors retains the authority to handle a registry issue at any time without the filing of a formal request for Conflict Resolution.
4. **Gross Misconduct:** Gross misconduct by a member, including, but not limited to, theft of ASCA property, theft of property of an ASCA Affiliate Club, physical abuse of a member, or intentional criminal conduct at an ASCA event, will not be tolerated. What constitutes "gross misconduct" shall be determined by the ASCA Board of Directors. If the ASCA Board of Directors determines that a member has engaged in gross misconduct, the Board may impose a suspension of membership upon such person of up to 25 years and a fine of up to \$10,000. Imposition of a suspension of membership privileges for a period longer than 1 year or a fine of more than \$1,000 shall require the affirmative vote of at least seven (7) Directors.
