Overseas Boating

New for 2016, you can now spend your Pure Latitude membership points on boats in some fantastic sailing in some exciting European destinations. To start with, you can enjoy Greece, Croatia and Holland.

Locations

Holland

With a choice of different sail and power boats in several Dutch locations, our overseas partner is the perfect fit for Pure Latitude.

Just East of beautiful Amsterdam, you can access a choice of boats to cruise the IJsselmeer. Alternatively head further South past Rotterdam and enjoy the historic Dutch waterways and lakes in your choice of power and sail boats.

Muiderzand (Amsterdam) - Great sailing just a short hop from the beautiful city of Amsterdam, this makes for a fantastic weekend break with easy access from Amsterdam airport.

Bruinisse & Werneldinge (Rotterdam) - Wonderful boating with good access from Rotterdam. Bruinisse is approx. 50mins from Rotterdam airport and Werneldinge around 1 hour.

Greece

Berthed in Alimos marina, just 15km from Athens, access could not be easier. The extensive marina facilities are top class.

From Alimos the cruising possibilities are endless with beautiful islands and cultural mainland destinations in every direction. In particular, the Saronic Gulf offers exceptionally flat seas - ideal for that relaxing family break.

Croatia

Berthed in a modern harbour in the beautiful town of Sukosan just 7km from Zadar, access to the boat is a doddle with plenty of cheap flights from the UK.

From Sukosan you are spoilt in your choice of boating destinations. There are endless unspoilt beaches and coves and the lush green islands of the Kornati national park are within easy reach and perfect for complete relaxation.

Bookings and Availability

To book one of our overseas boats please simply call or email the office detailing the boat and your preferred dates. We do not yet have exclusive access to these boats, so we will revert with availability on or as close to your dates as possible.

Qualifications and Inductions

In order to enjoy our overseas boats we need members to be inducted and using similar sized boats from our UK based fleet. We also require a valid International Certificate of Competence (ICC). For those who are Day Skipper certified, these can be obtained for free from the RYA or at the cost of £40 if you are not a current RYA member.
