A semi-transparent white box with a red vertical bar on the left side is overlaid on the image, containing the main title.

Estuate enhances Lavante's supplier management solutions in ERP systems

Lavante is a leader in SaaS-based supplier information management and profit recovery . Lavante's SIM solution offers flexibility in businesses with solutions that ensure better management of supplier profiles automatically. Their solutions are deployed across Fortune 1000 companies including the hospitality, retail, entertainment, manufacturing, and medical industries

1. Business Challenge

Lavante's Supplier Information Management (SIM) software was having performance glitches with a few Enterprise Resource Planning (ERP) systems.

-  They had to manually create supplier profiles in their systems
-  Their supplier onboarding processes were tedious with lot of paperwork
-  They were not able to monitor supplier performance effectively

2. Estuate Solution

Estuate worked with Lavante to ensure efficient supplier management across ERP systems.

- **Integrated Lavante's SIM product with ERP products** through web services to ensure automated supplier creation and minimal manual work
- **Simplified the supplier onboarding and maintenance process** with online tools making it easy to recruit, qualify and manage supplier information
- **Offered a self-service supplier portal** for supplier performance measurement, risk mitigation and informed decision making

3. Business Impact

Estuate's application integration solutions led to enhanced business performance at Lavante.

Faster application performance and improved productivity with Application integration of SIM with ERP products

Accuracy in supplier profile generation, validity and maintenance with automation solutions

A transparent view of vendor information and robust reporting enabled well informed decision making

Testimonial

//

Estuate delivered excellent solutions to integrate SIM with ERP and helped us improve our SIM performance, thereby improving our client relationships. Estuate's strong knowledge of ERP systems and years of expertise in the domain was key to the success of this project.
