

HOLIDAY EXPRESS

Adopt an Event

You can help Holiday Express deliver the gift of human kindness. *Adopt an Event.* Each Holiday Express charity event costs an average of nearly \$7,000 – money well spent when you realize ours is often the only holiday program offered at the organizations we visit. Your family, group or company can adopt a charity event, covering many of the event costs, including the duffel bag filled with essential items, a special giving partner gift from the wish list of the organization, technology, and more. In 2020, events will be “*virtual*” instead of “*live*” to ensure the safety of all, including the clients and staff of the event site, and Holiday Express volunteers. But your help is needed to ensure that those desperately in need and often forgotten still have an opportunity to enjoy the magic of Holiday Express, 2020 style. Adopting an event is a meaningful way for you to celebrate the holidays.

It's easy

- Select the type of event you would like to support from the menu
- Fill out your contact and payment information
- A Holiday Express Staff Member will contact you with a list of available charity events

2020 Adoption

- Your support will cover the primary costs of the Holiday Express event including the gift bag items, a giving partner item chosen from a wish list submitted by the organization, the production of the virtual event and any other additional expenses
- You will have an opportunity to record a video that will be shared with the event site, letting them know of your support and commitment
- We will provide signage illustrating your support to the organization
- We will acknowledge your support on the Holiday Express website and in our 2020 Yearbook sent to 6,000 of our supporters

Testimonials from those who have adopted events

We had an opportunity to adopt two events. The smiles on the client's faces and their sheer joy at what Holiday Express was doing made it all worthwhile. I would strongly encourage friends of Holiday Express to consider adopting one of the 100 events to be held this coming holiday season.

– Phil and Marilyn Perricone

We chose to adopt an event, feeling that it was a perfect way to support the mission of Holiday Express.

– Trudy and Charlie Parton

At the end of the day we felt that we were infinitely blessed, and as though we had been a part of something very special. Volunteering at and sponsoring this event was the highlight of our holiday season.
