**FUNDING AVAILABLE TO HELP LA PINE AREA WOODLAND OWNERS**

Reduce wildfire risk, improve forest health Apply for financial assistance with NRCS by February 17, 2017. Private woodland owners in the La Pine watershed can reduce the risk of catastrophic wildfire on their land with conservation assistance now available from the USDA Natural Resources Conservation Service (NRCS). NRCS is teaming up with multiple Central Oregon agencies and groups to provide much-needed restoration on public and private forests in the greater La Pine area. This year NRCS is offering \$500,000 to help private woodland owners in the greater La Pine area reduce the risk of catastrophic wildfire and improve forest health on their property. Interested landowners should submit applications by February 17 to the NRCS office in Redmond (625 SE Salmon Avenue, Suite 4) to be considered for the current round of funding. The funding will help woodland owners perform conservation practices like pre-commercial thinning, slash treatment, and fuel breaks. These practices reduce the amount of "fuels" (such as dense, overstocked trees, shrubs and invasive plants) that cause a wildfire to spread higher into the canopy where it causes the most damage. A properly thinned forest holds wildfire lower to the ground, allowing safer access for firefighters to quench the flames. Thinning also helps reduce the spread of insects and disease that impact marketable timber growth and improves wildlife habitat by providing opened spaces for elk, deer and other species. NRCS is offering the financial assistance through the Environmental Quality Incentives Program (EQIP)—a voluntary Farm Bill program that reimburses landowners for a portion of the cost to implement conservation practices on private agricultural lands, including woodlands and forests. This forest restoration effort—called the Greater La Pine Basin Cohesive Strategy Project—began last year and is funded by the Joint Chiefs Landscape Restoration Initiative. The Joint Chiefs initiative is a partnership between two USDA agencies—NRCS and the Forest Service—that reduces wildfire risk on both public and private forests. NRCS is offering assistance to help private landowners treat their woods and forests; and the Forest Service will be performing similar restoration on the federal side of the project boundary in the Deschutes National Forest. The La Pine project will take place over three years, targeting restoration on nearly 345,000 acres of forestlands—which includes state, federal and private lands in southern Deschutes County and northern Klamath County. "By doing this proactive forest restoration work across the public and private boundaries, we can create a more fire-adapted community while also significantly enhancing the health and productivity of our precious forests," said Tom Bennett, NRCS district conservationist in Redmond. In addition to the NRCS funding, other project partners are offering assistance to woodland owners to help them protect their forests. The Oregon Department of Forestry and Walker Range Fire Protection District have funds available to help landowners within the Greater La Pine Area. Smaller, more residential woodland owners in Deschutes County may get assistance through Project Wildfire; and Oregon State University Extension Service offers advice and tips on how to best manage forests and woodlands. For more information, contact Tom Bennett, NRCS District Conservationist at 541-923-4358 x123, or [tom.bennett@or.usda.gov](mailto:tom.bennett@or.usda.gov)

**NOURISH YOUR HEART WITH  
 OSU EXTENSION SERVICE**

Have some fun celebrating National Heart Month by participating in the Nourish Your Heart interactive public workshop at the Oregon State University Extension Service office in Redmond. The session will be on Wednesday, February 15, 2016 from 9 AM to noon. The class fee is \$15.00. Class size is limited.

Participants will enjoy hands-on activities and discussions, recipe preparation and sampling. The lesson includes handouts and healthful recipes to take home. Additionally, these classes meet the Health Engagement Model (HEM) health education requirement for some insurance companies. This lesson will help people, 50 and older develop strategies to reduce their risk of developing chronic diseases. Any adult can benefit from the information.

tion, though. It is part of the "Nourishing Boomers and Beyond" series. Visit the website at <http://www.ndsu.edu/boomers> if you aren't able to attend the class, want more information about a topic covered in the class or to sign up for the e-newsletter. The program may also help you to:  
 Cope with and relieve stress  
 Learn ways to stretch your food dollars and still serve tasty, nutritious meals  
 Get reliable, research-based information to help you sort out fact from fiction when you're looking for health information  
 Learn more about prescription and nonprescription medications and how food can interact with them  
 "Our goal is to provide nutrition and overall wellness education with optional, online support to help adults sustain a healthy lifestyle," says Glenda Hyde, OSU Extension faculty. Call the OSU Extension office in Deschutes County to register by Monday, February 13th at 541-548-6088 to register. Class size is limited. For more information contact Glenda. # IMPORTANT WINTER NOTICE

## FROM WILDERNESS GARBAGE & RECYCLING

Your safety and our drivers' safety is the number one priority at Wilderness Garbage. Here are some reminders that you, our customer, need to know.

If the weather or road conditions become severe, WE WILL NOT PUT PEOPLE OR PROPERTY AT RISK. Our trucks may be able to travel the main roads, but due to the size and weight may not be able to navigate your street or driveway. We cannot put drivers or trucks at risk. It is the discretion of the route driver whether to drive down a street or driveway. If our truck cannot pick up your garbage, we will pick up double your service amount the following week.

### Recycling Center

During inclement weather, for safety reasons we may be forced to close the Recycling Center. During bad weather please call our office to check on its status.

### Here's how you can help your service from being interrupted:

#### Residential Customers

- Keep access to roll carts clear of snow and ice
- Roll carts must be on street side of snow berms
- Roll carts must be 4' from all objects, including vehicles, mailboxes, address signs, etc.
- If roll cart is in an enclosure, there needs to be a shoveled path to the enclosure
- Roll carts may need to be left out of enclosure
- Where truck access is required, a 12' wide plowed path is needed
- Where the driver leaves the roll cart is where it needs to be left for future service during snow and ice conditions

#### Commercial Customers

- Keep access to containers clear of snow and ice
- Where truck access is required, a 12' wide plowed path is needed
- Containers in enclosures may need to be left out of enclosure
- Containers must be on level surface so that the truck can hook up to, and dump container. No berms in front of container or enclosure
- Where the driver leaves the container is where it needs to be left for future service during snow and ice conditions.

Wilderness Garbage's number one concern is always safety. This is why we are asking for your help now, before the extreme conditions arrive, so you know what our procedure will be. If conditions do result in delays, we will update our website and notify the local media. You can also call our office. If after regular hours, please listen to the whole message.

**BRIGHTSIDE ANIMAL CENTER NINTH ANNUAL SPAY-GHETTI BENEFIT DINNER**

BrightSide Animal Center invites you to join us for our ninth annual Spay-ghetti Benefit Dinner to celebrate Spay and Neuter Awareness. This year's event will be held at St. Thomas Catholic Church, 1720 NW 19th St, Redmond, on Sat. March 4, 2017, at 5 p.m. Enjoy an evening featuring spaghetti dishes (including vegetarian), cash bar, music, door prizes, dessert auction, silent auction, and of course great company, all to benefit BrightSide Animal Center. All proceeds benefit BrightSide. With your support, we hope to raise much-needed funds for the thousands of deserving animals BrightSide cares for each year. Tickets (\$30) are available in Redmond at: BrightSide Thrift Store, 838 NW 5th St. (next to Grocery Outet), and at BrightSide Animal Center, 1355 NE Hemlock Ave. To purchase tickets securely online visit: <http://brightsideanimals.org/events/spay-ghetti-benefit-dinner>. A limited number of tickets will be available at the door for \$35 on the day of the event.

*For sponsorship opportunities or questions, please contact Jessica at (541) 923-0882 during our business hours, Tuesday-Saturday, 10 a.m. to 5 p.m., or email [Jess@brightsideanimals.org](mailto:Jess@brightsideanimals.org). We thank you for your support. We couldn't do what we do without you!*

BrightSide Animal Center is a private, 501(c)3 nonprofit that dedicates itself to providing shelter, low-cost spay/neuter, and placement services for unwanted Deschutes County cats, dogs and other small animals. Our high-save mission focuses on equipping homeless pets for success in their forever homes.

### CALDERA ARTISTS IN RESIDENCE

*Bring New Writing Programs to Libraries*  
 Deschutes Public Library partners with Caldera Artists in Residence to bring dynamic new writing workshops to Central Oregon

Writing can be a lonely activity, but often times inspiration can come from working with a group. Deschutes Public Library has long supported Central Oregon's vibrant writing community with workshops and events. In 2017 the Library is partnering with Caldera to bring even more writing programs to the community.

Caldera hosts Artists in Residence (AiR) who will, for the first time, bring their craft to a broad adult community in Central Oregon. Caldera AiR typically provide workshops for Caldera youth.

"This is the first year we are also offering workshops for adults," says Maesie Speer, the Facilities Program Manager at Caldera. "Many of our AiR have experience teaching adults, and we wanted to give them an opportunity to use those skills and for the community to get to know these wonderful artists from around the country in a deeper way." Caldera AiR will host three workshops, two at the Sisters Library and one at the Downtown Bend Library. All workshops are free and open to the public, however space is limited and advance registration is required. See individual URLs with each workshop to register.

#### Writing Your Memoir

• Wednesday, February 22 • noon-3:00 p.m. • Sisters Library | 110 North Cedar Street, Sisters

A week prior to this workshop, students will submit the opening pages of a memoir-in-progress or a short narrative essay (3-6 pages double spaced) for instructor and peer feedback. Through lively discussion of student manuscripts, short writing exercises, examples of published texts and mini lectures, students will be introduced to a variety of narrative techniques and approaches used in memoir writing, particularly those related to structure, form, point-of-view, theme; and the relationship between narrative and exposition. This workshop is led by Lindsay Wong, who holds a BFA in creative writing and an MFA in literary nonfiction. Her work has appeared in No Tokens, The Fiddlehead, Ricepaper Magazine and Apogee Journal. Space is limited; advance registration required (<http://bit.ly/2irGmxB>).

#### Somatic Poetry

• Sunday, March 19 • 1:00-4:00 p.m. • Downtown Bend Library | 601 NW Wall Street, Bend

Taking a cue from CA Conrad's (Soma)tastic Poetry Rituals ([somaticpoetryexercises.blogspot.com](http://somaticpoetryexercises.blogspot.com)), participants will engage in somatic poetry "rituals" to be mindful of the present moment and "reveal the creative viability of everything" around them. It's spring! We'll traipse together, using the city as our inspiration, to explore our outer and inner landscapes. This class is for folks who want to shake up their practice, write new work and have fun! This workshop is led by Michelle Peñaloza, who is the author of three chapbooks. Her poetry has appeared in Poetry Northwest, New England Review, Off Paper, Vinyl, The Collagist and Verse Daily. Space is limited; advance registration required (<http://bit.ly/2irKIKP>).

For more information about these or other programs, please contact Liz Goodrich at (541) 312-1032 or [lizg@deschuteslibrary.org](mailto:lizg@deschuteslibrary.org). People with disabilities needing accommodations (alternative formats, seating or auxiliary aides) should contact Liz at 541-312-1032

**THROUGHOUT FEBRUARY AT DESCHUTES PUBLIC LIBRARY**  
**“KNOW WORLD WAR II”**

In support of the High Desert Museum's new exhibit, "World War II: The High Desert Home Front," Deschutes Public Library is exploring the people, food, literature, propaganda, and the politics of World War II. Expect to learn something new and dig a little deeper into the war years that shaped our country and our community. All programs are free.

• **Cooking for Victory\*** - From rationing to victory gardens to the industrialization of our food systems, chef and food advocate Rose Archer discusses the American diet during WWII. Sample foods prepared by Rose will be based on WWII cookbooks. \*Space is limited and registration is required.

§ **Tuesday, February 7** • 12:00 p.m. • East Bend Library | 62080 Dean Swift Road, Bend

§ **Wednesday, February 8** • 12:00 p.m. • Redmond Library | 827 SW Deschutes Avenue, Redmond

• **Wartime East of the Cascades, 1941-1945** - The home front war effort transformed both communities and landscapes across the nation. Five years of war left the region east of the Cascades with its own memories of the World War II home front experience. Using images and artifacts reflective of the era, local historian Bob Boyd will reveal both the experiences of soldiers and civilians, and explore the impact on communities and the region's landscape during the war years.

§ **Tuesday, February 7** • 6:00 p.m. • Downtown Bend Library | 601 NW Wall Street, Bend

§ **Wednesday, February 8** • 12:00 p.m. • Sisters Library | 110 North Cedar Street, Sisters

• **U.S. Army Combat Engineer Training at Camp Abbot** - Les Joslin gives an illustrated talk about the development, operation and fate of Camp Abbot. The U.S. Army Corps of Engineers engineer replacement training center (ERTC), located south of Bend, was the site of extensive combat engineer and other training operations in 1942 and 1943.

§ **Saturday, February 11** • 2:00 p.m. • Downtown Bend Library | 601 NW Wall Street, Bend

§ **Wednesday, February 15** • 12:00 p.m. • Sunriver Library | 56855 Venture Lane, Sunriver

• **The Elliott Love Letters: WWII on a Personal Stage** - In the months preceding D-Day (June 6, 1944), Frank and Pauline Elliott exchanged a series of poignant love letters. Frank, just 23 years old, had left Georgetown University to enlist with the Army in 1943. He left behind his 24-year-old wife Pauline and their daughter DeRonda, just a toddler, in Pennsylvania. Frank died in the D-Day invasion. Explore the love letters with Community Librarian Nate Pedersen and special guest readers.

§ **Sunday, February 12** • 2:00 p.m. • Downtown Bend Library | 601 NW Wall Street, Bend

• **The Reel History of How Film Shaped the Views of a Nation** - As WWII ramped up, Americans found previously unimaginable access to news and information: the movies. Through newsreels, Americans were able to find out about the war effort on a regular basis. Filmmakers and propagandists, on the other hand, found an unprecedented way to control the message. Educator and film scholar Joel Clements will explore how newsreels and animated shorts used the popular medium of movies to shape ideas and attitudes as the United States plunged into war.

§ **Thursday, February 16** • 6:00 p.m. • East Bend Library | 62080 Deal Swift Road, Bend

§ **Saturday, February 18** • 2:00 p.m. • Redmond Library | 827 SW Deschutes Avenue, Redmond

• **Screen On Paper Wings with Filmmaker Ilana Sol** - In the spring of 1945, a Japanese balloon bomb claimed the lives of the only people killed on the continental U.S. as the result of enemy action during WWII. On Paper Wings is the story of four Japanese women who worked on balloon bombs, the families of those killed in Oregon and the man whose actions brought them all together forty years after WWII. Watch and discuss the film with filmmaker Ilana Sol.

§ **Saturday, February 25** • 1:00 p.m. • Downtown Bend Library | 601 NW Wall Street, Bend

# BE READY!

**P.E.T.**

The P.E.T serves the entire Deschutes County area including: Bend, Redmond, Sisters, La Pine and surrounding areas. Our primary objective is to serve animals in crisis.

**About the P.E.T**

Established in 2001, the P.E.T began working with Search & Rescue of Deschutes Co. and the pet team in La Pine (created by Dan & Brenda Bensmiller). Later, due to illness, the Bensmillers donated their equipment to the Redmond-based team.

P.E.T is a role model for other communities in the State. P.E.T provides continuing information & expertise to other groups and agencies. P.E.T. is

recognized as a respected animal rescue group through the State Police/Governor's preparedness website.

Whether you are a member of the P.E.T. Team or live with animal companions, preparedness responsibility begins at home! Prepare your family and furry friends now for a possible disaster!

**HORSE EVACUATION INFORMATION**

Owners should be prepared in the event of a disaster:

- Horse trailer or contact person(s) with trailer
- Horse identification: micro chip, tattoo, photos and descriptions, animal safe paint (spray or paint on your information), grab and go kit with information/photos.phone numbers/alternate phone numbers and any important veterinary or medical /care information, alternate place to keep your horse in the **EVENT OF AN EMERGENCY**

Kit with halter, feed and water buckets

**EVACUATION PROCEDURES:**

IF time and notice allows, evacuate all animals with you

IF time does not allow: Make sure your horse has some kind of identification (see above), make sure barn doors, corrals or other shelters are closed so the horse does not return to their shelter and become trapped. Do not leave halters or ropes on your horse when turning them loose -- your horse can become tangled and trapped. IF you are not home and need assistance evacuating your horse, call P.E.T - these volunteers are experienced in animal evacuations and will be allowed back in to rescue animals.

**ARE YOU PREPARED TO TAKE CARE OF YOUR DOGS/CATS WHEN A DISASTER STRIKES?**

IF NOT, now is the time to stock up on the things you will need. Don't put off doing what you should do now. It may just make the difference between being able to save the life of your pet.

**HERE IS A SHOPPING LIST:**

**Food:** Use the brand that your animal is used to. Have at least enough to last one week. Be sure to rotate the food to keep it fresh. Include in your supplies a feeding and watering dish in case the one you usually use is destroyed or lost.

**Water:** Have enough water to last at least one week for each pet in the household. Be sure to rotate the water so that it stays fresh.

**SANITATION:** A litter box and litter enough to last one week. A scooper to keep litter box clean. Plastic bags to dispose of animal waste.

A small bottle of soap for cleaning animal dishes, Paper Towels for drying, Medical & Identification. Always keep ID on your pet (tag, microchip, tattoo)

**In a Grab & Go Kit:** Make copies of all medical, Rx, Photos of your pet

**For more information or to help, contact us at:**

**info@petevacuationteam.com or mail us at P.O.Box 922, Redmond, Oregon 97756 or visit our website at: [www.petevacuationteam.com](http://www.petevacuationteam.com)**

# Pet Tips

## Winter's Here!

That means snow and fireplaces! These things can present a hazard to your pet, and we want to give you a friendly reminder to be aware of the possible dangers. Snow storms and cold temperatures can be deadly to your pet. If they live outdoors, be sure they have adequate shelter and a way to keep warm. If your dog is an inside dog, don't leave them out in the cold for too long! Fireplaces are often a cozy spot to rest, but be sure your dog knows it's hot! Realize that sometimes the dry warmth that fireplaces give out can also dry out your dog's skin and coat, making them flakey and itchy. Fish oil tablets or oatmeal shampoo can often remedy this. Have a wonderful winter!

# Humane Society

## PET OF THE WEEK

of central oregon

**541-382-3537**

# NORMAN

Norman is a 2-year-old short haired kitty who was brought to HSCO as a stray and sadly never reclaimed by an owner. Unfortunately, since Norman came in as a stray we do not know anything about his previous history, but that hasn't slowed him down. Norman is outgoing and greets everyone who visits him with lots of purring. He has met other cats here at the shelter and does well with them. Come meet Norman!

©2017 Frontier Advertiser

### **COLD WEATHER CONSIDERATIONS FOR PETS**

As frigid, below freezing temperatures and snow hit Central Oregon, the Humane Society of Central Oregon would like to remind people to provide extra care for their pets.

- Pets are best kept inside.
- Bring your pet inside when the temperatures drop, also consider the wind-chill factor.
- Dogs and cats can get frost bitten ears, nose, and feet if left outside.
- Chemicals used to melt snow and ice can irritate paws. Buy "pet safe" ice melters. Wash off paws if pets have walked through chemicals.
- If your pet must be kept outside:
  - Provide a dry, elevated dog house with clean dry bedding and a flap over the opening to keep drafts out. Heated pet beds are available.
  - Make sure the water bowl does not freeze. Heated water bowls are available.
  - Outdoor pets need more calories to produce body heat.
- Make sure a cat has not crawled under your car seeking shelter and warmth near the engine. Tap on hood before starting the engine.
- Booties allow your dog to walk in the snow and prevent injury from ice.
- Dog jackets and sweaters are more than fashion, they will keep small, senior and single coated dogs warm.
- Keep antifreeze, salt and other household poisons away from pets.
- Watch your pet around heating stoves to prevent burns and dehydration.
- Horses, chickens and other livestock need winter care too:
  - Make sure there is clean, dry bedding. Moist bedding can cause infection.
  - Make sure water in trough does not freeze.
  - Have hooves checked and prepared for winter.

Protect your pets with preventative care. For more information call the Humane Society of Central Oregon at 541 382-3537 or visit [hsc.org](http://hsc.org)

# La Pine "The Heart of Newberry Country"

Your Chamber & Frontier Advertiser Connection

"We are the hub of the business community, promoting commerce and tourism making La Pine a vibrant community to work, live and play!"

## ANNUAL CHAMBER BANQUET-PSYCHEDELIC SIXTIES ON APRIL 8TH AT LPCC

The first meeting of the Banquet committee is scheduled for Feb 1st at 1 PM at the Chamber. After choosing the theme: *Psychedelic Sixties* and securing the Community Center at the LPRD Building for the April 8th event, it is time to get going on the event planning for the night! (Time is 5-8pm)

By T. Myers

"We have never had this kind of theme before. It should be lots of fun and we hope that all of the free-wheeling folks that enjoyed living through that era will be first in line to donate auction items or decorate tables with iconic sixties ideas," explained Ann Gawith, Chamber Executive Director. "We are hoping to see everything from tie-dye, paisley and bell bottoms and we cannot wait for the music for the event!"

The annual banquet is the night where we announce the awards for Business of the Year, Business Person of the Year and other annual community based awards. The banquet serves as the main fundraiser for the Chamber of Commerce and banquet attendees and donors help support the Chamber, raising funds during the event. Volunteers will be asking for auction donations from local members. In the past donations and auction receipts have allowed the Chamber to raise enough money to give an annual scholarship to LPHS and this year we are adding Gilchrist High School, too. The chamber also sponsors educational programs and we work as partners with local community based programs and the La Pine High School to offer opportunities for local students of all ages to get workforce preparedness education and transitional education.

We are also looking for volunteers to help organize and set up for the event. You can be part of the fun from the ground up by coming to the meeting on Feb. 1st. We need folks who like to work with people to set up the auction tables, decorate for the event, help check people in, servers, and many other organizing and set up jobs. Think about volunteering and join the crew that makes it all happen.

If you can help by donating an auction basket or auctionable item that will help the La Pine Chamber of Commerce raise funds for these special programs, please contact us at 536-9771. Tickets will be available soon at the chamber. The evening includes a meal, open no-host bar, opportunities to get bargains at the silent auction, entertainment and camaraderie with other friends. The public is always invited to the banquet. (You do not have to be a member to be a hippie for a night!) Call the Chamber if you want to be a part of this year's *Psychedelic Sixties Annual Banquet and Awards Ceremony*. (541-536-9771)

Our best wishes to Grocery Outlet on the date of their Grand Opening February 4th, Saturday this week. There will be many store related activities all day long and you are invited to be a part of the celebration! Sign up today at the Chamber office.

### COUNTY REMINDS PROPERTY OWNERS TO KEEP SIDEWALKS CLEAR OF SNOW AND ICE

As winter arrives in Central Oregon, the Deschutes County Bicycle and Pedestrian Advisory Committee (BPAC) reminds property owners to keep sidewalks clear of snow and ice.

Bend, La Pine, Redmond, and Sisters all have ordinances relating to the year-round clearing of sidewalks. While the language varies, the message is the same – business or property owners must remove ice or snow from the sidewalk adjoining their property within a defined time to keep pedestrian walkways clear. Generally, in business districts, the time limit is six hours and in residential areas it is 24 hours.

These city codes help make sidewalks safer and encourage good business practices. When pathways are clear, the message to customers is that the business cares about safety and welcomes access for all to the front door.

The BPAC is an advisory committee of the Deschutes County Commission that seeks to improve conditions for bicyclists and pedestrians throughout Deschutes County. Each year, BPAC recognizes businesses and residents that go above and beyond their legal obligations to keep sidewalks free of snow and ice with Safe Sidewalk awards.

To learn more about BPAC, or the Safe Sidewalk campaign, please visit: [www.deschutes.org/BPAC](http://www.deschutes.org/BPAC)

## BIG BAND MUSIC AND FOUR COURSE DINNER BECOMES VALENTINE'S DAY TRADITION IN SUNRIVER

Dancing to a traditional big band and enjoying a fantastic four course meal in Sunriver Resort's historic Great Hall, Sunriver Music Festival's 5TH Annual VALENTINE'S DINNER & CONCERT is a wonderful choice in Central Oregon for a romantic night out. Presented by the Sunriver Music Festival and Sunriver Resort, the evening gets underway Tuesday, February 14th at 5:30 pm and includes a gourmet-crafted four course dinner by the Sunriver Resort, a hosted happy hour, a full concert, and dancing to the 18 piece Salem Big Band. The Salem Big Band has been performing throughout the northwest since 1989. For this special evening of romance, the band has created a lineup of favorite big band love songs. Come alone or bring your friends. Tables for two or eight are available. Tickets are \$75 per person, but they go quickly, so call the Festival Ticket Office (541-593-9310), email [tickets@sunrivermusic.org](mailto:tickets@sunrivermusic.org), or go online ([www.sunrivermusic.org](http://www.sunrivermusic.org)) to make your Valentine's Day memorable. Bring your favorite Valentine and your dancing shoes to enjoy a memorable evening or make it a romantic weekend by booking a lodging package at the Sunriver Resort. Check [www.sunriver-resort.com](http://www.sunriver-resort.com) for the special Sweet Retreat lodging package. The Valentine's Concert & Dinner presenting sponsor is the Sunriver Resort. Concert sponsors are Tallus Capital Management and Bergen & Jan Bull. Media sponsors are Bend Broadband and Combined Communications.

### OBITUARY

**BARBARA MARY GUARD**  
MARCH 23, 1943 – JANUARY 17, 2017

Barbara Mary Guard of Portland, Oregon passed away on Tuesday, January 17, 2017, at the age of 73. Private Services will be held at a later date. Barbara was born in Los Angeles, California on March 23, 1943, to Bennie Sr. and Gladys (Gaspard) Guard. From 1978 – 2016, she resided in Portland and only recently moved to La Pine to be closer to her daughter Cynthia, and her son Thomas. Barbara was a homemaker most of her life, and a past member of the Seventh Day Adventist. She loved the Oregon Coast, sewing, dancing, and watching horror movies and movies with dinosaurs. Barbara is survived by two daughters Cynthia L. Phillips of La Pine and Elizabeth M. Tamay of Portland; son Thomas L. Hancock of La Pine; a brother Robert Guard; a half-brother James Thibodeaux; six grandchildren and four step-grandchildren; five great-grandchildren and twelve step-great-grandchildren. She was preceded in death by her parents, one son John Quintin Hancock, and one daughter Connie Ann Hancock. Contributions in honor of Barbara can be made to Central Oregon Veterans Outreach, 61510 S. Hwy 97 #100, Bend, OR 97702, [www.covo-us.org](http://www.covo-us.org) Baird Memorial Chapel in La Pine is honored to serve Ms. Guard's family. Please visit our website, [www.bairdfh.com](http://www.bairdfh.com), to share condolences and sign the online guestbook.

### OBITUARY

**SHIRLEY MARIE OLAFSON**  
NOVEMBER 14, 1936 – JANUARY 6, 2017

Shirley Marie Olafson of La Pine passed away on Friday, January 6, 2017, at the age of 80. A Memorial Service will be held in the Spring. Shirley was born in East Chicago, Indiana on November 14, 1936 to James and Margaret (Bishop) Hobaugh. During Shirley's elementary school years, the family loaded everything they had, and drove to their new home in Portland, Oregon. While in High School she worked at Fowlers Drug Store, and then White Stag in downtown Portland. Shirley graduated from Washington High School. On April 4, 1959, she married Morris "Ole" Clifford Olafson in Portland, Oregon. They were blessed with two children, a son and a daughter. In 1968, the family moved to Eugene where Shirley was a homemaker and worked as a bookkeeper for various businesses, greeted new Eugene residents as a member of the Welcome Wagon, volunteered at Sacred Heart Hospital, and with Bluebirds. After Ole retired in 1991, he and Shirley moved to La Pine, a place they and family had always enjoyed camping and fishing. Shirley loved to play golf, bridge, pinochle, and really loved spending time with her family. She was a member of High Lakes Christian Church in La Pine. Shirley was a wonderful mother and good friend that will be sorely missed. Shirley is survived by her son, John Olafson of Redmond, OR; daughter, Margaret (husband Hugh) Boyd of Portland, OR; and two grandchildren, Michelle & Brittany Olafson. She was preceded in death by her husband of 56 years, four brothers, and her parents. Contributions in honor of Shirley can be made to Central Oregon Humane Society, 61170 SE 27th St, Bend, 541-382-3537, [www.hsco.org](http://www.hsco.org), or St. Jude Children's Hospital, 501 St Jude Place, Memphis, TN 38105, 800-805-5856, [www.stjude.org](http://www.stjude.org) Baird Memorial Chapel in La Pine is honored to serve Mrs. Olafson's family. Please visit our website, [www.bairdfh.com](http://www.bairdfh.com), to share condolences and sign the online guestbook.
