

# Enjoy this Season in the all new 2016 Motorhome from the Roller Team.

**The spacious new 2016 Lo-Line model Auto-Roller 707 4-6 Berth** is a luxury motor home based on the Fiat Ducato chassis with 130bhp turbo diesel and 6 speed manual gearbox, that drives more like a car. To complement this it has ABS brakes, cruise control, cab air conditioning and power steering.

The Dinette area has an unique double L shaped lounge with an electric drop-down double bed, ample seating for 6 or more people and rear twin bunks. The bottom bunk can be stowed up to create a large storage/garage area.
