

SOUTH AUSTRALIA

WBP GROUP CORPORATE PROFILE PROPERTY VALUATIONS AND ADVISORY

ABOUT US

At our South Australian Office, we provide specialist, consistent, independent, data-driven valuations and property advice. We support clients in making smart, evidence-based property decisions, without the guesswork. Our services cover the Adelaide metro and regional areas including the Fleurieu Peninsula, Barossa Valley, Adelaide Hills, Murray Bridge and Murraylands. We lead the way with expert valuation services across residential, commercial and specialised properties, for all purposes.

Our clients span the spectrum, from bank lenders, non-bank lenders and government departments, to small business and individuals seeking independent insights before buying and selling. After more than 25 years, WBP Group continues to demonstrate a breadth of experience, expertise and commitment to providing industry-leading client experiences.

ACCURATE

Compliance team processes and workflows ensure report accuracy and adherence to specific client requirements.

INDEPENDENT

Reports are compiled by professional valuers deploying up-to-date data, impartial analysis and industry-leading technology.

EXEMPLARY

Advanced workflows ensure a timely turnaround. We aim to be highly responsive from initial contact to final report delivery.

STATE LEADERSHIP

Bart Quinn
Director, (SA)
B.Bus (Prop.), AAPI, CPV

With experience spanning almost two decades' in valuing residential and commercial properties for all purposes, Bart's insight into the Adelaide market is unparalleled. Complemented by extensive knowledge of the residential construction industry gained in his former career, he offers leadership in taxation, acquisition, family law and mortgage lending, as well as daily operational management and national compliance.

Chris Wakeham
Director (SA)
B.Bus (Prop.), AAPI, CPV (Bus.)

Heading up the commercial team, Chris brings a unique depth of business development, valuation and lending expertise to WBP. With over 20 years' experience valuing all types of residential and commercial properties, Chris focuses on specialised valuations. Chris' expertise and experience has seen him recognised within the industry and he is regularly sort after for a diverse range of assessments, for all purposes, including business valuations and assessments; ranging from specialised properties to large-scale residential developments and subdivisions.
