Experience

I have been working in the Health profession since 1986. I qualified as a Registered General and Registered Sick Childrens Nurse (RGN RSCN) in 1990 and have had a long career working within the NHS for 13 years and the Private sector for 6 years. I have extensive experience working in the Intensive Care environment and have been responsible for planning and implementing regional multidisciplinary medical and nursing training and assessment throughout South Yorkshire.

My current post is as a Senior Health Advisor for BUPA. In this role I deliver a range of BUPA health assessments in line with BUPA wellness policies & procedures. I promote a healthy lifestyle, giving lifestyle advice. I undertake invasive procedures such as venepuncture, ECG, lung function and cardio-

pulmonary exercise testing. I undergo mandatory training and appraisal, as well as having my clinical performance assessed yearly.

I have been providing medical reports, patient care and assessing outcome measures throughout my career and more recently commenced working in the Medico Legal and clinical negligence field from 2014. I feel my breadth of experience and expertise will provide a valuable role as a nursing and care expert.

I have also been undertaking regular Bupa Reports for client assessments as well as report writing for nursing negligence and auditing nursing notes for complex care and medical cases.

I have trained in expert report writing and attended medical report seminars run by Irwin Mitchell, Sheffield
