

# WEEKLY REVIEW

DANESHILL SCHOOL NEWSLETTER

The final of our fantastic Year 8 scholars was announced last week; congratulations to Percy who has been awarded an academic scholarship by Winchester College.

The Election exams are known to be some of the most difficult 13+ exams in the country, so Percy's achievement is an extremely impressive one. He will start at Winchester College in September as one of twelve scholars.

## Year 1 trip to the Living Rainforest

The Year 1s had a fantastic time at The Living Rainforest today! They learnt so much about the different plants and animals that live in the rainforest. The children were able to hold and smell some of the food that is made from the plants in the rainforest and they even got to meet some of the animals too! They especially loved seeing the toucan, snakes, armadillo, tortoises, tarantula and some may have even spotted the sneaky sloth!

On Thursday our budding Year 2s athletes took part in a fun filled athletics tournament at Rookwood School. The children showed true commitment to each activity and celebrated everyone's attempts and successes.

This week in ALS our Year 7 and 8 pupils have been climbing one of our school's biggest trees

Competing against hundreds of athletes, making up 80-90 teams in each category; we had two winning teams at the Bradfield Triathlon in aid of Restless Development.

In the the Year 3/4 and Year 5/6 categories Daneshill teams came 1st and 3rd, as well as lots of teams coming in the top 20. Such talented young athletes - well done to everyone who competed.

Well done to our determined, talented and brave riders - 5th place out of 182 at the Stonar NSEA ODE Championships last Saturday.
