*NEOTECH's **BRASS WRAP**™ improves the player's grip while increasing comfort—now that's a wrap!*

The NEOTECH **BRASS WRAP**™ is the ideal accessory for those in marching bands or performers playing in a long gig. The neoprene **BRASS WRAP**™ fits snugly on the instrument so that you get a firm and comfortable grip while protecting the instrument's finish from moisture and oils in the hand. The non-slip backing keeps it securely in place while the touch fasteners allow for quick and easy removal for cleaning. The ultra-comfortable pad reduces grip fatigue and makes playing for long periods a pleasure, not a pain. **BRASS WRAP**™ insulates your hand in both cold and hot weather while protecting against moisture so that you're always assured a secure grip. This unique wrap keeps your instrument's tone pure and your grip happy. Give your instrument a wrap!

The NEOTECH **BRASS WRAP**™ is available in black in two versions: French Horn and Trumpet. It can be washed in mild detergent and laid flat to dry.
