

Crossroad partnering with **CIAM** launched a local listener supported, faith based, non-commercial, non-profit radio station to bring the Good News of Jesus Christ to a hopeless world, and to “equip the saints” in our community by partnering with business leaders, pastors and churches.

Operated and lead by faith-supported missionaries, full time or in our team of 250 plus volunteers.

CIAM broadcasting for 15 years with currently 28 broadcast points locations in Alberta, Saskatchewan, & B.C.

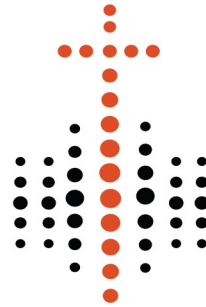

Presently broadcasting on Low-Power, while exploring increased wattage for better coverage and penetration. Coming soon.

Please pray on how you can partner with us in this new opportunity to impact our communities and country for the Kingdom.

There is no-better investment!
