- Use exit 1 to St Thomas Street (Guy's Hospital)
- Walk left along St Thomas Street until you come to a junction with traffic lights
- Turn diagonally right down Bermondsey Street and continue straight for 500 metres
- After Café Murano, turn right down a pedestrianised lane (opposite building 187 "Time and Talents Settlement")
- Continue past the Residence Inn Hotel (on your right), and through a silver gate (unlocked during working hours)
- Studio 18 is located on the left, with an upReach plaque in the window

Walking from Borough Station

- Exit the station and cross the road at the traffic lights directly in front of the station
- Turn left and cross another set of traffic lights towards "St George The Martyr" Church
- Turn right after the traffic lights, and walk around the Church until you reach Long Lane
- Head straight along Long Lane for 600 metres until you come to a sign on your left for Blue Lion Place (if you pass "Simon The Tanner" pub, you've gone too far)
- If the blue gates are locked, call us on the number below
- Once through the gates, turn right and walk straight until you see an underpass on your left
- Go through the underpass, then turn right
- Studio 18 is located on the right hand side, with an upReach plaque in the window
