

DELIVERY & RETURNS POLICY

Nexusflooring.co.uk offers a standard delivery service where all Products (as defined in the terms and conditions of sale on www.nexusflooring.co.uk) are delivered within 1 to 2 working days (subject to location and courier availability). We will advise you at the time of order whenever possible of approximate delivery lead-times.

Products delivered normally arrive between 8am and 6 pm, Monday to Friday. You are able to indicate your preferred delivery day, when you select your Products. We will then call you to confirm that this date is possible, or to arrange an alternative date that is convenient to you. In the unusual likelihood of a delay, we will call you to discuss alternative options.

1 For flooring deliveries we charge the following:

We offer free delivery on all orders over £2999 to majority of U.K. excl Scotland, Cumbria, Devon, Cornwall & Wales.

For deliveries into Europe please call one of our sales advisors on 0758786661 or email us on info@nexusflooring.co.uk.

We also offer a Warehouse Collection option. By choosing this, the customer has to pick up the order from our warehouse located in London.

Most orders are dispatched from stock with a lead time of 1-2 working days. Next day delivery can be arranged, for which a special next day delivery fee will be applied (subject to location) . We cannot offer next day deliveries for orders placed over the weekend or bank holidays. All next day deliveries are subject to stock.

Your order can be stored free of charge for up to 3 weeks after which there is a £5 + VAT / week storage charge.

Due to insurance guidelines, all deliveries are made to kerb side at the nearest access point to the delivery address for the delivery vehicle. You must arrange for adequate help to off-load your Products, as the driver cannot help move the products into your home.

As deliveries can be made by a large lorry or van, it is assumed that the delivery address will be accessible by lorry. If there is likely to be a problem e.g. the road is subject to a vehicle weight or width limit, please inform us at the time of your order. Deliveries will be made between 8.00 am and 6.00 pm. We are unable to give an estimate of your delivery time as all deliveries are at the couriers' discretion, but you can ask for AM / PM specified delivery for an extra cost of £25 + VAT. Saturday delivery can be provided at an extra cost of £65 + VAT.

If a courier arrives at your address and is unable to deliver on the arranged delivery date because you are not there or you do not have the help required to off load the stock, you will be liable for a re-delivery charge of £70 + VAT if you still require the Products. If the original order had a delivery surcharge then this will also apply in addition to the aforementioned re-delivery charge.

If a courier arrives at your address and you refuse to take the delivery, you will also be liable for any additional direct costs that we incur as a result thereof.

Every effort is made to ensure that your Products are delivered in perfect condition. In the unlikely event that any of your Products are damaged we will collect and replace the Products. Before the courier leaves your premises please check the Products to see if there is any damage and if so you should immediately report it to the courier and notify us. Claims should be made either by phone: 07587876661, or email: info@nexusflooring.co.uk. No liability can be accepted for costs caused by late deliveries or for any other reason. Therefore we advise against booking traders for installations until your Products have been received.

Deliveries cannot be left outside in porches, garages or any other location.

The terms herein do not affect your statutory rights.

We always liaise with our customers after they have placed an order, to arrange delivery and to ensure that someone will be on site to receive the goods. Contact will be made by telephone and/or via email. Whilst every effort will be made to deliver the goods within the date and time frame agreed, we cannot guarantee any specific times. We therefore strongly recommend that no installation specialists should be booked until after the goods have been received.

2 When Your Order Arrives

When your order arrives, you must ensure the quantities match what you ordered. To guarantee customer satisfaction, please have your Acceptance Email (as defined in the terms and conditions of supply on www.nexusflooring.co.uk) to hand as it lists the materials and quantities of your order. Please examine the pallet and count each item to make sure everything ordered has been received, in particular:

- visually inspecting the condition and entirety of your delivery; and
- Making sure to note missing items or damaged materials.

DO NOT let the driver leave until you have verified the material received is in good condition and that all material has been accounted for. Any missing or damaged items must be noted on your delivery receipt.

All carriers are selected through stringent guidelines for service and quality control. If you have a concern regarding delivery, please advise our customer care department immediately by calling 0758786661.

Failure to comply with any of the above will result in a void claim. Due to the insurance liability, we cannot accept responsibility for any damaged items signed for as "clear", "unchecked" or in "good condition".
