## CERTIFICATE OF GUARANTEE

This certificate hereby guarantees the underfloor heating **pipe** against manufacturing defect, including consequential damage for a period of 10 years from date of Installation as per the manufacturer's policy with Zurich Insurance PLC. The underfloor heating pipe is further guaranteed against manufacturing defect for a further 40 years on a supply only basis.

This certificate also guarantees that Underfloor Heating Systems Ltd will replace free of charge any faulty **pump, manifold, mixing valve and electrical controls** supplied by us, within a period of **two years** from receipt of delivery. Electrical goods must be kept in dry conditions and we can if we see it necessary demand faulty products be sent back to us for inspection.

Further details can be found on the manufacturers' websites.
