REINSURANCE

Sompo International Reinsurance

Sompo International Reinsurance underwrites casualty, catastrophe, professional lines, property and specialty lines of reinsurance including agriculture, aviation and space, engineering, marine and energy, surety, trade credit and weather risk. Our account management approach and exceptional financial strength enable us to offer a broad multi-line capability to underwrite risks across our clients' insurance portfolios around the globe. We are supported by proprietary analytic and modeling tools and databases and the transactional experience of our underwriting, actuarial, legal and claims professionals.

Specialty & Casualty Facultative Reinsurance

By providing dynamic coverage structures, our seasoned Specialty & Casualty Facultative underwriting team delivers a range of solutions including a client-facing pricing and binding platform as well as individual risk/certificate and alternative market quoting capabilities. With an underwriting approach built on customer differentiation, we seek partners with sound management practices and strategies as well as effective business processes that drive their underwriting, pricing, risk management and claims activities.

SompoReConnect

We offer our clients access to SompoReConnect, an internet-based, innovative reinsurance modeling and pricing platform that enables clients to quote and bind reinsurance coverage according to pre-established guidelines. SompoReConnect provides streamlined data entry to obtain Auto Liability and Workers Compensation quotes in minutes. Through this platform, we offer a variety of value-added tools and data analytics, along with real-time management reporting capabilities and a streamlined accounting bordereau.
