

# SIGNS OF THE TIMES GOLF CLUB SIGNS

Signs of the Times have provided signs for many of the UK's most prestigious golf clubs over many years. Golf Club entrance signs are probably the most obvious amongst our range but consideration should be given to directional signs, building signs and of course the tee markers. Tee markers range from simple designs to signs with a map of the hole together with the ratings.

## Materials

Our signs are generally cast in rigid polyurethane and hand painted using fine quality paints.

## Shapes & Sizes

Cast signs are supplied in almost any size and shape. We stock many pattern boards and if we do not have one to suit our 'in house' pattern maker can make one up to your specification.

## Finish & Appearance

Letters, border, logos, motifs and complicated coats of arms are all realised in relief.

Hole maps with detail in relief. Background colours can be any RAL colour and the relief detail is all hand painted by our talented artists.

## Design & Artwork

Clients are encouraged to send us any artwork, size and shape details at an early stage so that we can assist in the design.

## Fixings

Signs can be drilled for wall fixing or we can supply aluminium posts etched and painted to match the signs complete with fixings. Stainless steel, wooden posts and galvanised and powder coated brackets are also supplied if necessary.
