

Mansfield College Trans Policy

Mansfield commits

'to give support and understanding to those individuals who wish to take, or have taken steps, to present themselves as a gender different to the gender assigned at birth';

*'to create an inclusive trans-friendly culture, workplace and learning environment';
and*

'that no prospective or actual student or member of staff will be treated less favourably than any other... on the grounds of gender identity or reassignment'

Mansfield has adopted the University of Oxford Transgender Policy and follows the University of Oxford Transgender Guidance, both of which can be found here: <https://www.admin.ox.ac.uk/eop/transgender/>

The Point of Contact for transitioning students is the Senior Tutor, who is well-informed on Trans Policy and has supervised students' transitions in the past.

The College Office has guidance on the administrative process involved when students change their name and gender.
