LEAF Battery Hire Monthly Price

Table 1:

Monthly Battery Rental including VAT		Annual Mileage*				
		7,500	9,000	10,500	12,000	15,000
Contract term	36 months+	£70.00	£77.00	£85.00	£93.00	£109.00
	24 months	£80.00	£87.00	£95.00	£103.00	£119.00
	12 months	£90.00	£97.00	£105.00	£113.00	£129.00

Monthly Battery Rental includes Roadside Assistance for all breakdowns. Battery Lease contract provided by RCI Financial Services Ltd t/a Nissan Finance and is subject to status. Excess mileage is charged at £7.50 incl VAT/100 miles or part thereof. Terms and conditions apply. Please contact your local Nissan dealer for further details

* Additional combinations of contract term and annual mileage are available.

A separate battery hire agreement is a mandatory requirement of the credit agreement. Monthly battery hire rentals paid in addition to repayments under the credit agreement. Minimum duration of battery hire agreement is 12 months. If vehicle is disposed of at any time the battery hire agreement has to be transferred to the new vehicle purchaser whether a motor trader or private individual. Liability for battery hire rentals will only cease once the transfer has been completed. There is no ownership option for the battery. If the vehicle is retained after the credit agreement has been fully

paid then the battery hire will continue up to a maximum of 72 months and be renewed thereafter until a battery hire transfer (as described above) is completed.

LEAF Free Home Charger Terms and Conditions

From 9TH January 2017 until 11.59pm on 2nd April 2017, customers who purchase a Nissan LEAF via eligible sales type Private (P), Business (B) or Employee (E) in conjunction with the available Nissan PCP Finance scheme from an authorised Nissan dealer may apply for a free 3.7kW home charging unit, with a retail price of £390.

This offer is subject to the following terms and conditions:

1. Only one home charger is available per customer and must be applied for and fitted within the timeframe outlined below.
2. This offer is not available with any other offer (unless otherwise expressly specified), and is not available to business users.
3. To qualify for the offer, you must: (i) be a resident of mainland England, Scotland, Northern Ireland or Wales; (ii) have purchased or ordered a Qualifying Vehicle using a Nissan RCI funded finance plan; and (iii) be eligible for a grant from the Office of Low Emission Vehicles (OLEV) to access the Electric vehicle Homecharge Scheme funding. For details about whether you are eligible for the OLEV grant, please read the Government's guidance note available [here](#).
4. Customers must submit the application for their Free Home charger (via one of the below appointed suppliers) within one month of their vehicle registration. Failure to submit by this deadline will make the offer void, no longer entitling the customer to a charger free of charge.
5. Customers are also required to take installation of their charger within three months of their vehicles registration.
6. Installation of the charger must be conducted by either Chargemaster or POD Point, and is subject to their own terms and conditions.
7. You may upgrade to a 7Kw home charger for an additional cost of £95 (including VAT).
8. The promoter of this offer is POD Point or ChargeMaster.
9. If you are a loyal Nissan Private (P) or Business (B) LEAF customer (qualified as a registered keeper a LEAF for a minimum of 12 months, registered to a UK address on the applicable V5C.r) and you do not require a Free Home Charger, then you are eligible to take an additional £390 Nissan Deposit Contribution on top of the current Nissan PCP Finance scheme. This enhancement is not available in conjunction with the Free Home Charger. It is only available if a Free Home Charger is not taken.

Please note

- Your home charger may be fitted by one of Nissan's two approved charging partners, Chargemaster or POD Point. The choice of supplier (between these two) is up to you. Please speak to your local Nissan dealer for more information about how to choose the supplier and to place your order. Installation will be subject to

Chargemaster or POD Point's terms and conditions which are available on the below links and should be reviewed fully before you place the order:

Chargemaster:

www.chargemasterplc.com/homecharge_offer/

www.chargemasterplc.com/terms_conditions/

POD Point:

installs.pod-point.com/docs/HomeCharge.pdf

- Your home charger may only be installed at a domestic property with designated private off-street parking (private driveway, garage or allocated parking space) at the address to which your Qualifying Vehicle is registered, unless you have a valid explanation using an alternative residential address. Other installation requirements may apply – please review your chosen supplier's terms and conditions for details.
- Unless otherwise specified, standard installation by your chosen supplier is free of charge and covers the following:
 - installation of the home charger on a brick or plaster wall, or suitable permanent structure;
 - up to 15 meters of cable between the distribution board and the home charger;
 - cable affixed flush to the wall, not trenched or hidden behind walls, through joists, aerial or subterranean runs;
 - cable run through a single skin brick wall;
 - installation carried out in accordance with BS7671 17th edition wiring regulations, IET Code of Practice for Electric Vehicle Charging Equipment Installation 2nd Edition; and an earth rod in soft ground, if required. an earth rod in soft ground, if required.

Standard installation is based on the assumption that the correct electrical connections and protections are available on your property. Additional fees may apply for work that falls outside your chosen supplier's standard installation package.

- If you cancel your order for a Qualifying Vehicle after your home charger has been fitted, you will be liable to repay any grant received by OLEV and any applicable installation fees. This does not affect your statutory rights.
- To the extent permissible by law, Nissan accepts no liability for any loss or damage caused by or in connection with the installation or use of your home charger.
- Nissan reserves the right at any time to modify or withdraw this offer.

General Terms applicable to Servicing:

Full Terms & Conditions will be issued by your supplying Nissan dealer. The following notable inclusions/exclusions apply:

- Your service plan includes the scheduled servicing of your vehicle at the mileage and times stated in your vehicle handbook. This includes labour, parts, oils and fluids as detailed in the official Nissan service schedule. Please note that the replacements of cambelt/drive belts/ timing belt or tensioners are specifically excluded from this plan, as are all other additional items and/or operations.
- It is a condition of the service plan that your vehicle is serviced by a franchised Nissan dealer at the intervals recommended by Nissan Motor (GB) Ltd throughout the period of the plan. Services must be carried out within one month and 1,000 miles of the periods specified by Nissan Motor (GB), whichever comes first. Failure to do so may invalidate your plan.

- Your service plan excludes claims for (a) any item or repair not specifically listed as covered in this agreement letter or NMGB standard service schedule, (b) loss of time, loss of use of the vehicle or any other loss or damage of whatsoever nature, and (c) loss or damage recoverable under any other service or maintenance plan, warranty or insurance cover.

General Terms applicable to Extended Warranty Offers:

- Your extended warranty includes original Nissan vehicle components, with certain exceptions, as listed in the terms and conditions accompanying your confirmation letter.
- It is a condition of the extended warranty that your vehicle is serviced in accordance with the official Nissan service schedule. Services must be carried out within one month and 1,000 miles of the periods specified by Nissan Motor (GB), whichever comes first. Failure to do so may invalidate your policy.
