ACCESSORY SERIES

CABLE WRAP KIT keeps your cables/cords organized and under wrap!

NEOTECH's unique **CABLE WRAP KIT** is ideal for the musician on the road or in the studio. No more tripping over cables or fighting to keep them organized—with the **CABLE WRAP KIT**, you'll be looking good. The kit includes 6 feet of wrap material and 6 common loop connectors. You can create your own custom-length cable wraps by merely cutting the material to the desired length and threading on the connectors. As the special wrap material adheres to itself, there's no need for matching up another fastener to make it attach. The wraps are very secure and remain attached to the cable so there's no worries of misplacing them when the cords are in use. The **CABLE WRAP KIT** makes "getting your act together" a whole lot easier!
