## Welcome to SunSibility

We do hope you enjoy looking through your new brochure full of stylish solutions for staying safe in the sun. Our main focus, as always, is our SunSibility clothing, available in 28 colours and in a range of classic designs.

Full length designs always offer the maximum protection, but by request we have focused more on layering so longer options can be worn under or over designs.

Match colours or even contrast them allowing the freedom to mix our collection with your own wardrobe making UV protection easy and completely adaptable.

Whilst every effort has been made to illustrate colours accurately in the brochure, please note that final shades may vary slightly. Swatches are always available on request.

The beachwear is a fun range established for style and simplicity more than for protection so don't forget your sun cream.

Our SunSibility collection is designed and manufactured in house, all garments are individually made to order right here in the UK. We use specialist Italian fabric that has a built in UV Protection Factor (UPF) 50+.

The fabric offers excellent protection preventing 97.5% of UV rays\*. It is easy to wear 80% Polyamide and 20% Elastane material that is breathable, sea water and chlorine resistant, machine washable at 40° and virtually crease-free – a bonus when travelling!

For extreme sensitivity to UV light we can offer designs doubled in fabric to enhance the level of protection but in most cases one layer is more than enough.

The general rule is double the fabric double the price, however, this does of course make the garments heavier to wear and isn't possible with all styles. Please do discuss this with us before ordering.

Being in the sun protection business for over fifteen years SunSibility have built up expertise and knowledge working with dermatologists, hospital units and being endorsed by the medical profession. We know what customers want and we provide the best possible products. In addition, our range of complimenting products give you the convenience of shopping for all your needs in one place.

Our website is constantly updated with new innovations and award winning products plus exciting ideas which you can view at [sunsibility.co.uk](http://sunsibility.co.uk) We are committed to helping our customers enjoy the sun safely.

We are thrilled to offer Stingray's sunsuits & swimwear, Wallaroo headwear, UV umbrellas, window films and highly reputable ranges of specialist skincare. (all dermatologically tested)

We believe in quality solutions and that is what we aim to provide. You are our priority and excellence is what we aim to achieve. If you have any ideas or suggestions, please contact us at [info@sunsibility.co.uk](mailto:info@sunsibility.co.uk) we would love to hear from you.

Clothing can take up to 28 days to dispatch due to being individually made. If your order is needed by a particular date, please let us know & we will prioritise for you.

Happy shopping.

A young girl with her hands clasped in front of her stands in the center of a large, dark, ornate wooden door. She is wearing a light purple long-sleeved top, matching purple pants, and a wide-brimmed straw hat. The door is set within a heavy stone frame with a decorative keystone above it. A small, round, light-colored light fixture is mounted on the stone above the door. The scene is brightly lit, casting shadows on the stone and the girl's clothing.

*The clothes we have purchased from SunSibility have enabled our daughter and us to enjoy a summer outside.*

*We had previously tried sun suits from major retailers but she had still burnt through them. We had all but given up hope when we came across SunSibility. We tentatively purchased a long-sleeved turtle neck top not really believing it would work. How wrong we were! The top fully protected her skin and allowed her to play outside as much as she wanted. In the summer, we holidayed in the Scilly Isles, where the UV is typically UV8 or higher. Again, we had no flare-ups whilst wearing SunSibility products.*

*To be able to allow her to play on the beach and in the sea was such a joy.*

*We are fortunate and grateful to have found SunSibility and can't recommend them and their products enough.*

*J Giddings ( Solihull )*

## Size Guide - Adults & Children

The SunSibility clothing range comes up a little larger in cut and size. If customers are between sizes, i.e. 12/14, we would advise the smaller of the two, to get a more fitted look and the larger for a looser fit. Our designs are loosely cut unless stated 'fitted' in the product description.

To check your measurements follow these guidelines:

**Bust** – Place tape measure under your arms around the widest part of your chest. The tape measure should also be placed on top of your shoulder blades. If possible keep your arms at your side and get someone else to measure you.

**Waist** – You need to measure your natural waistline, not too tight. Your natural waist is found by bending your body sideways.

**Hips** – Put the measuring tape around the biggest part of your bottom at the top of your legs. Ideally this should be around 20cm/8inches below your waist.

**Height** – Measure from the top of your head to the ground with no shoes.

An issue in today's online shopping is customers being able to purchase garments that enable a perfect fit.

This is due to the fact the UK has no national sizing guidelines for each retailer to follow, which means each shop will pretty much be able to make up their own size chart.

Consequently, you could be a perfect ten in one shop and then hardly be able to breath in the next!

In the UK, numbers traditionally indicate women's clothing size.

In 1982 the British Standards Institute created an average set of sizes from 8 to 32 produced in centimetres.

On our website we have drawn up some helpful tables to show sizes provided by British Standard as an indicator and we have inserted SunSibility's sizing so you can compare. If you would like further advice or a copy of this please feel free to call us on 0208 224 2299 We are here to help.

## 2. OUR PRODUCTS

2.1 The images of the products on our site are for illustrative purposes only. Although we have made every effort to display the colours accurately, we cannot guarantee that your computer's display of the colours accurately reflect the colour of the products. Your products may vary slightly from those images.

2.2 Although we have made every effort to be as accurate as possible, because our products are handmade, all sizes, weights, capacities, dimensions and measurements indicated on our site have a 5-10% tolerance.

2.3 The packaging of the products may vary from that shown on images on our site.

2.4 All products shown on our site are subject to availability. We will inform you by e-mail as soon as possible if the product you have ordered is not available. We take payment in full at the point of order but, if the product is not available, we will not process your order and will contact you to agree a suitable replacement/alternative or, failing that, refund the payment as soon as possible.

2.5 If you are a consumer, you may only purchase products from our site if you are at least 18 years old.

2.6 As a consumer, you have legal rights in relation to products that are faulty or not as described. Advice about your legal rights is available from your local Citizens' Advice Bureau or Trading Standards office. Nothing in these Terms will affect these legal rights.

## 4. HOW THE CONTRACT IS FORMED BETWEEN YOU AND US

4.1 For the steps you need to take to place an order on our site, please see our How To Order page at <http://www.sun-sibility.co.uk/about-sun-sibility/how-to-order/>.

4.2 Our order process allows you to check and amend any errors before submitting your order to us. Please take the time to read and check your order at each stage of the order process.

4.3 After you place an order, you will receive an e-mail from us acknowledging that we have received your order. However, please note that, although we take full payment of the point of order, this does not mean your order has been accepted. Our acceptance of your order will take place as described in clause 4.4.

4.4 We will confirm our acceptance to you by sending you an e-mail that confirms that the products have been dispatched (Dispatch Confirmation). The Contract between us will only be formed when we send you the Dispatch Confirmation.

4.5 If you are unable to supply you with a product, for example because that product is not in stock or no longer available or because of an error in the price on our site as referred to in clause 9.4, we will inform you of this by e-mail and we will not process your order. We will arrange a suitable replacement/alternative, or refund you the full amount you have paid, as soon as possible.

## 5. OUR RIGHT TO VARY THESE TERMS

5.1 We may revise these Terms from time to time in the following circumstances:

- (a) changes in how we accept payment from you
- (b) changes in relevant laws and regulatory requirements

5.2 Every time you order products from us, the Terms in force at that time will apply to the Contract between you and us.

5.3 Whenever we revise these Terms in accordance with this clause 5, we will keep

you informed and give you notice of this by stating that these Terms have been amended and the relevant date at the top of this page.

## 6. YOUR CONSUMER RIGHT OF RETURN AND REFUND

6.1 If you are a consumer, you have a legal right under the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013 to cancel the Contract, without giving any reason, during the period set out below in clause 6.4.

6.2 This cancellation right does not apply in the case of any products which are made to your specifications or are clearly personalised.

6.3 To exercise the right to cancel, you must notify us by sending a clear statement of your decision to cancel the Contract by sending an e-mail to [info@sun-sibility.co.uk](mailto:info@sun-sibility.co.uk), or by sending a letter to SunSibility, 88 Jasmin Road, Epsom, Surrey KT19 9EA. You may download, print and use the model cancellation form which is available by clicking here, but this is not obligatory. We recommend that you keep a copy of the notification for your own records. If you send the notice by e-mail or by post, the cancellation is effective from the date you sent us the e-mail or posted the letter to us.

6.4 Your legal right to cancel a Contract ends 14 days after the day on which you, or any third party (other than the carrier) nominated by you, receive the products (or, if you ordered more than one product in the same Contract and they are delivered on different days, the last of the products). To meet the cancellation deadline, it is sufficient for you to send your communication concerning your exercise of the right to cancel before the cancellation period has expired.

6.5 If you cancel the Contract, we will reimburse to you all payments received from you, including the costs of delivery (except for the supplementary costs arising if you chose a type of delivery other than the least expensive type of standard delivery offered). You will not incur any fees as a result of the reimbursement. However, unless the products are faulty or not as described (in this case, see clause 6.9), you will have to bear the direct cost of returning the products.

6.6 You must send the products back to, or hand them over to us at, 88 Jasmin Road, Epsom, Surrey KT19 9EA, at your own expense, without undue delay and in any event not later than 14 days from the day on which you inform us of your cancellation of the Contract. **DO MARK THEM AS SUNSIBILITY RETURNS.** In the case of third party products, please return them direct to the third party supplier, namely **Shingro products to Customer Services PO Box 624, Weybridge, Surrey KT13 3DE, Wallaroo Headwear to Jane Forellati of Liton House, Saville Road, Westwood, Peterborough PE3 7PR, and Rob McAlister Umbrellas to Unit Q4, Cherrycourt Way, off Stanbridge Road, Lighton Buzzard, Bedfordshire LU7 4UH.** The deadline is met if you send back the products before the period of 14 days has expired. Meanwhile, you must keep the products in your possession and take reasonable care of them while they are in your possession.

6.7 We will make the reimbursement (using the same means of payment as you used for the initial transaction, unless you have expressly agreed otherwise) without undue delay, and not later than 14 days after the earliest of the day you return the products back from you, the day you provide evidence that you have returned the products or (if they have not yet been delivered) the day on which we are informed about your decision to cancel the Contract.

6.8 We will not make any deduction from the reimbursement, otherwise than for any loss in value of the products which results from any handling by you beyond what is necessary to establish the nature, characteristics and functioning of the products goods of unnecessary handling by you. In particular, you must not handle them in a way which goes beyond the sort of handling which might reasonably be allowed in a shop. If you do, and the value of the products is diminished as a result, we may deduct the amount of the diminution from the refund, or recover it from you, up to the contract price.

6.9 As a consumer, you will always have legal rights in relation to products that are faulty or not as described. These legal rights are not affected by the returns policy in this clause 6 or these Terms. If you have returned the products to us under this clause because they are faulty or mis-described, we will refund the price of a defective product in full, any applicable delivery charges, and any reasonable costs you incur in returning the item to us. Advice about your legal rights is available from your local Citizens' Advice Bureau or Trading Standards office.

## 7. DELIVERY

7.1 We will fulfil your order as soon as possible, and in any event not later than 30 days after the day on which the Contract was formed, unless there is an Event Outside Our Control. The estimated delivery date will be set out in the Dispatch Confirmation, and will usually be much sooner. If you notify us when ordering the products that you need them by a specified date, we will use all reasonable endeavours to meet your requirements, but do not guarantee that this will be possible. Urgent deliveries may involve additional delivery charges, in which case we will contact you and obtain your agreement before sending the Dispatch Confirmation. If we are unable to meet the estimated delivery date because of an Event Outside Our Control, we will contact you with a revised estimated delivery date.

7.2 Delivery will be completed when we deliver the products to the address you have provided.

7.3 The products will be your responsibility from the completion of delivery.

7.4 You own the products once we have received payment in full, including all applicable delivery charges.

## 8. INTERNATIONAL DELIVERY

8.1 We deliver to the countries listed on this page [www.sun-sibility.co.uk/terms-and-conditions-of-sale/](http://www.sun-sibility.co.uk/terms-and-conditions-of-sale/) (International Delivery Destinations). However there are restrictions on some products for certain International Delivery Destinations, so please review the information on that page carefully before ordering products.

8.2 If you order products from our site for delivery to one of the International Delivery Destinations, your order may be subject to import duties and taxes which are applied when the delivery reaches that destination. Please note that we have no control over these charges and we cannot predict their amount.

8.3 You will be responsible for payment of any such import duties and taxes. Please contact your local customs office for further information before placing your order.

8.4 You must comply with all applicable laws and regulations of the country for which the products are destined. We will not be liable or responsible if you break any such law.

## 9. PRICE OF PRODUCTS AND DELIVERY CHARGES

9.1 The prices of the products will be as quoted on our site from time to time. We take all reasonable care to ensure that the prices of products are correct at the time when the relevant information was entered onto the system. However if we discover an error in the price of product(s) you ordered, please see clause 9.5 for what happens in this event.

9.2 Prices for our products may change from time to time, but changes will not affect any order which we have confirmed with a Dispatch Confirmation.

9.3 The price of a product includes VAT (where applicable) at the applicable current rate chargeable in the UK for the time being. However, if the rate of VAT changes between the date of your order and the date of delivery, we will adjust the VAT you pay, unless you have already paid for the products in full before the change in VAT takes effect.

9.4 The price of a product does not include delivery charges. Our delivery charges are as quoted on our site from time to time. To check relevant delivery charges, please refer to our How to Order page at <http://www.sun-sibility.co.uk/about-sun-sibility/how-to-order>.

9.5 Our site contains a large number of products. It is always possible that, despite our reasonable efforts, some of the products on our site may be incorrectly priced. If we discover an error in the price of the products you have ordered we will contact you to inform you of this error and we will give you the option of continuing to purchase the product at the correct price or cancelling your order. We will not process your order until we have your instructions. If we are unable to contact you using the contact details you provided during the order process, we will treat the order as cancelled and notify you in writing. Please note that if the pricing error is obvious and unmistakable and could have reasonably been recognised by you as a mispricing, we do not have to provide the products to you at the incorrect (lower) price.

## 10. HOW TO PAY

10.1 You can pay for products by Paypal, cheque or postal order, BACS payment or international bank transfer to SunSibility's account number 63277119 at Barclays Bank, 82/84 High Street Epsom, Surrey KT1 8BH (Sort Code 20-29-90), IBAN No. GB19BARC20299063277119, or by using a debit card or credit card. We accept all major credit and debit cards.

10.2 Payment for the products and all applicable delivery charges is in advance. We will charge your debit card or credit card when we receive your order.

## 11. MANUFACTURER GUARANTEES

11.1 Some of the products we sell to you come with a manufacturer's guarantee. For details of the applicable terms and conditions, please refer to the manufacturer's guarantee provided with the products.

11.2 If you are a consumer, a manufacturer's guarantee is in addition to your legal rights in relation to products that are faulty or not as described. Advice about your legal rights is available from your local Citizens' Advice Bureau or Trading Standards office.

## 12. OUR WARRANTY FOR THE PRODUCTS

12.1 For products which do not have a third party manufacturer's guarantee, we provide a warranty that on delivery and for a period of (12) months from delivery, the products shall be free from material defects. However, this warranty does not apply in the circumstances described in clause 12.2.

12.2 The warranty in clause 12.1 does not apply to any defect in the products arising from:

- (a) fair wear and tear
- (b) wilful damage, abnormal storage or working conditions, accident, negligence by you or by any third party
- (c) if you fail to operate or use the products in accordance with the user instructions
- (d) any alteration or repair by you or by a third party who is not one of our authorised repairers or
- (e) any specification provided by you

12.3 If you are a consumer, this warranty is in addition to your legal rights in relation to products that are faulty or not as described. Advice about your legal rights is available from your local Citizens' Advice Bureau or Trading Standards office.

### 13. OUR LIABILITY

13.1 If we fail to comply with these Terms, we are responsible for loss or damage you suffer that is a foreseeable result of our breach of these Terms or our negligence, but we are not responsible for any loss or damage that is not foreseeable. Loss or damage is foreseeable if they were an obvious consequence of our breach or if they were contemplated by you and us at the time we entered into the Contract.

13.2 We only supply the products for domestic and private use. You agree not to use the product for any commercial, business or resale purposes, and we have no liability to you for any loss of profit, loss of business, business interruption, or loss of business opportunity.

13.3 We do not in any way exclude or limit our liability for:

- (a) death or personal injury caused by our negligence;
- (b) fraud or fraudulent misrepresentation;
- (c) any breach of the terms implied by section 12 of the Sale of Goods Act 1979 (title and quiet possession);
- (d) any breach of the terms implied by section 13 to 15 of the Sale of Goods Act 1979 (description, satisfactory quality, fitness for purpose and samples); and
- (e) defective products under the Consumer Protection Act 1987.

### 14. EVENTS OUTSIDE OUR CONTROL

14.1 We will not be liable or responsible for any failure to perform, or delay in performance, of any of our obligations under a Contract that is caused by an Event Outside Our Control. An Event Outside Our Control is defined below in clause 14.2.

14.2 An Event Outside Our Control means any act or event beyond our reasonable control, including without limitation strikes, lock-outs or other industrial action by third parties, civil commotion, riot, invasion, terrorist attack or threat of terrorist attack, war (whether declared or not) or threat or preparation for war, fire, explosion, storm, flood, earthquake, subsidence, epidemic or other natural disaster, or failure of public or private telecommunications networks or impossibility of the use of railways, shipping, aircraft, motor transport or other means of public or private transport.

14.3 If an Event Outside Our Control takes place that affects the performance of our obligations under a Contract:

- (a) we will contact you as soon as reasonably possible to notify you; and
- (b) our obligations under a Contract will be suspended and the time for performance of our obligations will be extended for the duration of the Event Outside Our Control. Where the Event Outside Our Control affects our delivery of products to you, we will arrange a new delivery date with you after the Event Outside Our Control is over.

### 15. COMMUNICATIONS BETWEEN US

15.1 When we refer, in these Terms, to "in writing", this will include e-mail.

15.2 To cancel a Contract in accordance with your legal right to do so set out in clause 6, you must contact us in writing by sending an email to [info@sunsibility.co.uk](mailto:info@sunsibility.co.uk) or by sending a letter by prepaid post to 88 Jasmine Road, Epsom, Surrey KT19 9EA. You may wish to keep a copy of your cancellation notification for your own records. If you send us your cancellation notice by email or by post, then your cancellation is effective from the date you sent us the email or posted the letter to us.

15.3 If you wish to contact us in writing for any other reason, you can send this to us by email or by post as set out in paragraph 15.2 above.

15.4 If we have to contact you or give you notice in writing, we will do so by e-mail or by post to the address you provide to us in your order.

### 16. OTHER IMPORTANT TERMS

16.1 We may transfer our rights and obligations under a Contract to another organisation, but this will not affect your rights or our obligations under these Terms. We will always notify you in writing or by posting on this webpage if this happens.

16.2 You may only transfer your rights or your obligations under these Terms to another person if we agree in writing. However if you are a consumer and you have purchased a product as a gift, you may transfer the benefit of our warranty in clause 12 to the recipient of the gift without needing to ask our consent.

16.3 This contract is between you and us. No other person shall have any rights to enforce any of its terms, whether under the Contracts (Rights of Third Parties Act) 1999 or otherwise. However, if you are a consumer, the recipient of your gift of a product will have the benefit of our warranty at clause 12, but we and you will not need their consent to cancel or make any changes to these Terms.

16.4 Each of the paragraphs of these Terms operates separately. If any court or relevant authority decides that any of them are unlawful or unenforceable, the remaining paragraphs will remain in full force and effect.

16.5 If we fail to insist that you perform any of your obligations under these Terms, or if we do not enforce our rights against you, or if we delay in doing so, that will not mean that we have waived our rights against you and will not mean that you do not have to comply with those obligations. If we do waive a default by you, we will only do so in writing, and that will not mean that we will automatically waive any later default by you.

16.6 If you are a consumer, please note that these Terms are governed by English law. This means a Contract for the purchase of products through our site and any dispute or claim arising out of or in connection with it will be governed by English law. You and we both agree that the courts of England and Wales will have non-exclusive jurisdiction. However, if you are a resident of Northern Ireland you may also bring proceedings in Northern Ireland, and if you are a resident of Scotland, you may also bring proceedings in Scotland.

16.7 If you are a business, a Contract and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales.

16.8 If you are a business, we both irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with a Contract or its subject matter or formation (including non-contractual disputes or claims).
