Our Ales

Available to drink in:
Draught Bottle

Gower Gold (ABV 4.5%) ●

A thirst quenching golden ale. It has refreshing citrus flavours and the lovely aroma of cascade hops.

Gower Power (ABV 5.5%) ●

Brewed with traditional floor malted barley and packed full of a choice of quality hops.

Gower Rumour (ABV 5.0%) ●

Strong ruby red ale, with amazing complex tastes and aromas, produced from a delicate mix of malts and hops.

Brew One (ABV 3.8%) ●

Is our original ale. First brewed in November 2011. Honey coloured with subtle flavours it has a pronounced floral aroma.

Shipwreck (Keg ABV 4.4%, Cask ABV 5.1%) ● ●

A pale straw coloured beer with a refreshingly bitter taste of grapefruit.

Coast (ABV 3.8%) ●

A traditional honey coloured ale with a full bodied, balanced malty flavour and a crisp lingering bite of hop.

Lighthouse Lager (ABV 4.5%) ●

A light, thirst quenching continental style lager. Has distinctive flavours of lagering hops from Germany and the Czech Republic. The homes of classic european lagers.

Hoppy Seabird Rockers IPA (ABV 5.0%) ●

(Gluten free and Vegan friendly)

Tasty malt sweetness and balanced hop finish. This larger than life beer uses big tasting American hops to create a citrus orange flavoured explosion. (Bottles 330ml)

BEST ENJOYED WITH A GOOD VIEW

Hoppy Seabird Light44 (ABV 4.5%) ●

(Gluten free and Vegan friendly)

A fresh light thirst quenching continental style lager packed with flavour. Light44 is gentle with a distinct hoppiness. (Bottles 330ml)

Black Diamond (ABV 4.2%) ●

A stunning full bodied Welsh porter, smokey with chocolate and liquorice flavours. A subtle, spicy, bittering hop added.

Seasonal Ales Dependent On Time Of Year

Best Bitter (ABV 4.5%)

A honey coloured ale with a full malty flavour. A cracking best bitter. A beer with a healthy set of fans.

Sunrise (ABV 4.0%)

An easy drinking blonde beer, brewed with only pale malt and wheat. Infused with a combination of two classic citrusy hops.

Sampson's Jack (ABV 4.2%)

Classic traditional British Ale, copper coloured and brewed with traditional floor malted barley, crystal malts, wheat and british hops (Fuggles & Goldings).

Please ask which of the beers are currently available.

Why not try 3 x 1/3 pint tasters.

Inspired by the love of great beer and the lack of a brewery on the Gower Peninsula, the UK's first Area of outstanding natural beauty - the Gower Brewery was born. Established in 2011 we are one of the fastest growing breweries in Wales.

Armed with the best ingredients we can find, we pack our ales full of flavour and natural goodness and ultimately brew beers that we want to drink.
