## TEA TENT

This year our Gran has been reflecting on some of her favourite country artists and performers, reminiscing about the time she saw Dolly Parton live in Nashville, Johnny Cash marry June Carter in Kentucky and sang "Fist City" with Patsy Cline as Loretta Lynn cheered them on. Ahhhh those were the days. So expect the usual kitsch and the camp decorations, 40's saucy tunes, 50's rock and roll, doilies and plastic flowers all wrapped up with a liberal sprinkling of gingham.....

## MAIN STAGE

# PEACE IN THE PARK FESTIVAL 2014

PROUDLY SPONSORED BY THE PEOPLE OF SHEFFIELD

[www.peaceinthepark.org.uk](http://www.peaceinthepark.org.uk)

Get involved next year! Please send an email to [contact@peaceinthepark.org.uk](mailto:contact@peaceinthepark.org.uk) outlining what you would like to do at the festival.

## TOP FESTIVAL TIPS

Please no open fires and make sure any BBQs are raised off the grass.

Please try and use our stalls and vendors where possible and not the greedy multinational supermarkets nearby!  
Keep local money where it belongs - supporting local businesses and events!

Remember - leave no trace! Every cigarette butt, bottlecap and bag of rubbish needs to be removed by the end of the event - our volunteers have enough to do already so use the bins and recycling facilities provided and get involved in the litter pick near the end of the day!

Lost property should be handed in at the information point. Go on, make someone's day by reuniting them with their lost property!

## ABOUT OUR CHARITIES...

### ASSIST

Asylum Seekers Support Initiative Short Term - "We are a Sheffield based charity supporting destitute asylum seekers. Peace in the Park kindly supported us in 2007. We still support around 60 people each week with money, subsidised bus passes, about half in accommodation, and others in our night shelter; and give signposting information and access to solicitors etc. to about 20-30 people each week. The other help in Sheffield to which we can refer people includes free bicycles and a range of free food, services and activities.

### Roundabout

Roundabout is Sheffield's youth housing charity, and provides shelter, support and life skills to young people. We provide accommodation for homeless young people at our emergency hostel and support young people to live independently in secure bedsits and in shared housing throughout the city. Roundabout also offers young people a comprehensive programme of training and involvement which breaks the cycle of homelessness and develops long term independent living skills.
