**Press Release**

**December 2015**

**Subject: New Fragrance Bottle Standard – MING**

Continental Bottle Company is pleased to announce a new Fragrance Bottle Standard that has been introduced to our collection.

Opulent with an elegant shape, the new MING bottle is inspired by a delicate drawing of a drop of water. This immediately confirms the Ming bottle as an elegant and distinctive bottle for any fragrance used. The iconic design allows the MING bottle to display an impressive glass base with a breath taking height, a unique cross section in a pointed oval shape, the ultimate signature with a rare elegance.
