

Consent to collect and use pupil personal data (provided by parents and carers)

To: Sacks Morasha Jewish Primary School

We have received and reviewed the privacy notice dated [●] 2018 from the School (the “**Notice**”). We understand that:

- the School will collect and use pupil personal data in the manner described in the Notice and in the School’s Data Protection Policy referred to in the Notice
- the School will keep the pupil personal information for as long as it needs to or for as long as the law requires it to, and in accordance with the School’s Records Retention Policy referred to in the Notice
- the School will share the pupil personal information with the Finchley Jewish Primary School Trust, the School’s parent teachers association (PTA) and the School’s class representatives (collectively with the School, the “**School Parties**”), and various others as set out in the Notice, all in connection with the activities of the School

We understand that we have the right to ask for a copy of the pupil personal information about the pupil or pupils for whom we are responsible, we can ask the School to correct any of that information, we can ask the School to erase that information (although we understand that the School may have good reasons why it cannot do that), we can ask the School to limit what it does with that information, we can object to what the School is doing with that information, and we can ask the School to transfer that information to another organisation in a format that makes it easy for them to use.

We understand that the consent given in this letter can be withdrawn by us at any time now or in the future by notifying the Data Protection Officer identified in the Notice or the Headteacher of the School.

We hereby consent to the School’s collection and use of pupil personal information in the manner described in the Notice and in the Data Protection Policy referred to in the Notice, including receiving communications from time to time from the School and other School Parties in connection with the activities of the School and the other School Parties.

We hereby consent to the School sharing pupil personal information with the persons and entities other than School Parties in connection with the School’s own fund-raising efforts, and to receiving communications from time to time from such persons and entities in connection with such fund-raising activities.

We hereby confirm that the consents given in this letter were freely given.
