## Parties Break Out on The Platform above Mamuska!

◆ Employees revolt to inject more liquid sprit and dynamic energy into the 'food factory'. ◆

Mamuska! Polish Kitchen and Bar has built up a reputation for amazing food sold at the lowest possible prices, in order to deliver the best value possible. And even in its earliest days back in 2010, Mama had a great reputation for throwing a wonderful party from time to time.

But back then, finding enough space and a little privacy was a bit of an issue. In fact, many people tried to hire out the whole venue, but could not, because Mama refused to shut the doors to our much-loved regulars.

So the perfect place to have a private function remained unattainable. But no longer! Our new massive steel mezzanine space *The Platform* gives Mama's guests somewhere to stretch their legs after filling their bellies.

A hand-welded steel bar, ceiling-mounted projector, hi-fi system, great lighting and loads of moveable seating make *The Platform* at Mamuska! the perfect venue for everything from a birthday party to a business presentation with after-drinks.

And naturally Mama has the catering sorted, with hot and cold canapes and even buffet meals available for large groups.

But what do the punters think? "Frankly, we were sitting eating our meals, me and my mates, and saw the party up on *The Platform* start to kick off. We immediately hatched our own plan to organise our own private function up there. We will NOT be out-partied!", said the unnamed millennial. "Plus, our

playlist will be sooooo much better than theirs".

In addition to being available for large private bookings, *The Platform* is open on Friday and Saturday nights to the public, with various party themes being hosted by Mama directly, where everyone is always welcome.

And the best bit? The main restaurant space at Mamuska! stays open throughout, no matter what is happening on *The Platform*, so there is no interruption in service for our beautiful loyal customers!

To hire *The Platform* at Mamuska! or to talk to us about how we can help with your special event, email us at [book@mamuska.net](mailto:book@mamuska.net)

WHERE HAVE ALL THE ARTISTS GONE?

NEW GALLERY SPACE AVAILABLE IN LONDON'S SOUTH BANK!

We are still searching for Polish artists deserving of a great public exhibition space. We offer a launch party and will help sell the work, but will charge zero commission.

If you or someone you know would be interested in exhibiting with us, contact [marketing@mamuska.net](mailto:marketing@mamuska.net). We cannot wait to see interesting works on our walls again, and given the artistic nature of Leake Street, we believe this setting will provide tremendous exposure for the artists involved, and even some sales!

MUNCH AND LEARN

NOURISHMENT FOR THE MIND  
FAMOUS POLISH PEOPLE YOU DIDN'T KNOW WERE POLISH

JOSEPH CONRAD

was actually born **Józef Teodor Konrad Korzeniowski** and was a Polish-British writer! Though he did not speak English fluently until his twenties, he was a master prose stylist who brought a non-English sensibility into English literature. He was a merchant marine for many years before he settled into a writing career. His most famous works include Nostromo, Heart of Darkness and Under Western Eyes.

MICHAŁ MARKS

was born in Słonim, Poland. He emigrated to England at the age of 23 and settled in Leeds. From there he started to sell goods to nearby villages, and later owned his own stall in Leeds' open market. Famously, one of his stalls sold goods that cost only one penny. Next to the stall was a poster with the words "Don't Ask the Price, It's a Penny". Then, to expand his business, he partnered with **Thomas Spencer** in 1894. That's right! This is how the much loved **M&S** came into being!

DANIEL FAHRENHEIT

was born in Gdańsk, Poland, in 1686. Fahrenheit invented the first mercury-based thermometer as well as the Fahrenheit scale, which was the first standardised temperature scale to be widely used. His original thermometer sits on a permanent display in the famous Długi Targ market square in Gdańsk. Despite the fact that the Fahrenheit scale was invented in Poland, it is the Celsius scale which is used by the country these days.

SCANDALOUS BEHAVIOUR NEWS

## The Mamuška! Threesome

What? We are talking about pierogi flavours, obviously!

Picture this: it's lunch time (or long past) and as you finish up yet another email, you realise you only have 15 minutes before the next task needs doing. But you're HUNGRY, damn it! And according to your back, you've been sitting for way too long.

Back in the dark ages you would have had to agonisingly weigh up the 10 minute wait for pierogi against all our other options, and your need for speed. No longer. Our Threesome will get you off ... to work! ... and leave you plenty of time to enjoy them.

Weekdays from 12:00 until 14:00 we will always have pork, ruskie and one other 'mystery' pierogi flavour cooked and waiting to be served, to help speed up our lunch-time service.

So the next time you only have a few minutes for lunch, remember, "Wham, bam, thank you Ma'am!" Our hot dumplings will be ready for you! And because you can never get enough of Mamuška!, as you finish them off at your desk you can be making plans to be with Mama again for some after-work booze and round two!

## Mission Impossible?!

OK. You're leaving work, the fridge is empty at home, you forgot to put the seat back down after a midnight trip to the loo and now your female co-habitant is truly pi\*\*ed.

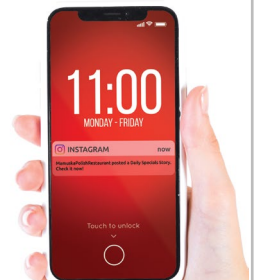

Clearly, only pierogi ruskie and a honey-infused Polish lager will sooth this beast! But it needs to be QUICK because you need to get home first to tidy up the flat.

Don't panic: Mamuška!'s new **click and collect** service has come to the rescue! Download the app today; It's the most delicious get-out-of-jail-free card you are EVER going to find!

TITBITS BETWEEN BITES

**POLAND USED TO HAVE THE WORLD'S TALLEST STRUCTURE**  
The Warsaw Radio Mast in Konstancin-Jeziorna was the world's tallest structure from 1974, until its collapse in 1991. Even today it remains the second tallest structure ever built, surpassed only by Burj Khalifa (completed in 2010). The mast was 646.38 meters (2,120.7 ft) tall.

**POLAND ALSO HAS THE WORLD'S BIGGEST CASTLE**  
Poland has an impressive 16 World Heritage Sites. Among those is the biggest castle in the world made of bricks - Malbork.

**POLAND HAS ITS OWN VALENTINE'S DAY**  
Kupała or Wianki is celebrated on June 21st, the 'Feast of St. John the Baptist' day. Men jump over bonfires and women hope for wreaths. Wreaths with candles on one side of the river are floated to the other side and if one comes to you, you'll be lucky in love!

## FEATURED STORY

# BIG PLATES DESTROY APPETITE

Our main courses are big, delicious and the best value you will find this side of Wisła. But pace yourself! Desserts are just around the corner. A shot of vodka in between is often the answer...

**ALL COME WITH ONE TRIP TO OUR SALAD BAR**

## VEGAN STEW

| £9.50

We give the vegans a lot of abuse. We're not going anywhere with that statement, we just thought we should own up to it. As for this lovely dish, it is our way to say we love our vegan mates, and we know they have a point. More veggies can never be a bad idea! A delicious gathering of courgette, butternut squash, chick pea, tomatoes and spices to give it a nice little bite. Served with steamed rice.

## BEEF CHEEKS

| £13.90

What a dish! Slow-braised and lovingly set in a rosemary red wine sauce, these tender morsels are a real melt-in-your-mouth treat. Served with mash potato, to soak up that gorgeous sauce!

**new!**

## BREADED COD & CHIPS

| £12.90

We are so happy that the cod have made it back onto the sustainable species list! If you want it battered, head down the road. We do it breaded, the Polish way! Served with chips.

## 8 oz BEEF BURGER

| £12.30

This big, beautiful burger has won us many fans in the neighbourhood, especially with the less adventurous types that don't like trying food they cannot pronounce. We mince and season the beef ourselves, and the sauce is our own fantastic creation. If you are wondering what is so Polish about a beef burger, you have clearly not partied hard and late in down-town Kraków and then hit the kebab shops with the locals. Hey, it happens. Plus, the gherkin is Polish.

## SCHABOWY!

| £9.80

There is a reason this beauty is still our top seller. Our tenderised, breaded and pan-fried pork loin is the closest you can get to Poland without a visa. Served with mash.

ADD GRATED CHEESE | £2.00  
ADD MUSHROOM SAUCE | £2.00

**new!**

## BEEF ROLL-UP

| £11.90

This lovely classic brings lots of what Poland has to offer under one blanket; gherkin, bacon, onion and mustard wrapped in tenderized beef, served with mash and gravy.

## PORK GULASZ

| £9.30

Beautifully tender pork shoulder meat stewed with onion makes this the perfect simple warming-up dish. Don't dig around in it looking for the vegetables; this is the Polish version! Served nestled beside a mound of our freshly mashed potato.

**new!**

## GRILLED CHICKEN BURGER

| £11.60

A perfect summer-time treat, served with chips. Goes great with a bottle of Sauvignon Blanc.

**back for Summer!**

## SALATKA MAMUŠKI

It would not be a summer menu without our wonderful green fresh vegetable tossed salad. Get it on it's own, or topped with either grilled chicken or white Polish cheese. Served with fresh baked bread.

■ GRILLED CHICKEN | £8.90

■ WHITE CHEESE | £8.50

■ VEGAN (80Z/225G) | £7.70

**new!**

## GRILLED CHICKEN FILLET

| £9.50

Another summer-time classic! Our version is marinated in our own recipe and char-grilled to order. Best enjoyed with chips, but even more healthy with mash.

## ROAST KARKÓWKA

| £9.30

Roasted overnight to tender perfection, this pork collar cut is ideal for the cooler and wet summer nights, when you need something a bit more substantial to soak up the booze! Great with a Polish ale!

**back for Summer!**

## GRILLED KIEŁBASA SAUSAGE

Our summer-time-allotment-BBQ-favourite is back! There is nothing more reminiscent than a grilled kielbasa sausage. Keep that in mind when you are making friends later up on The Platform!

■ KIEŁBASA WITH MASH | £8.30

■ KIEŁBASA ON A BUN (AS GOD INTENDED) | £8.70

## CHOOSE YOUR SIDE!

Our carbohydrate accompaniments are swappable. This isn't football mate, so feel free to change sides!

- mash
- rice
- chips
- bread
- no carbs at all

REMEMBER THAT OUR GF AND VEGAN ICONS REFER TO THE MAIN ELEMENTS OF THE DISH. WE SOMETIMES ADD DAIRY TO THE POTATOES, BUT OFTEN DO NOT, SO SIMPLY ASK ON THE DAY.

## PLACKI ZIEMNIACZANE

These golden-brown potato pancakes are the perfect base for one of our stews or sauces... or amazing just on their own! Choose your topping:

NAKED | £7.00  
PORK GULASZ | £9.50  
WHITE MUSHROOM SAUCE | £9.00  
VEGAN STEW | £9.50

QUESTION CORNER - BOILED OR FRIED?

# PIEROGI

Poland has LOTS of dumplings! They're all great, but the most popular are the classic half-moon shaped, stuffed pierogi. We make ours by hand right here on site, freeze them by the hundreds daily and boil them to order. Allow 10 minutes, longer if the joint is jumping.

MEET "MAMA"

We know that our people – team members as well as customers – make Mamuška! what it is. We often explain to new members joining the team that "we are ALL Mamuška!". So here is our chance to show off some of the people that create the magic for you day after day.

Bartosz Piskorz

The front of house at Mamuška! is like a swan – all grace, poise and efficiency above the surface but peddling like mad below the water line to make it all happen! This takes a coordinated effort, so we are extremely pleased to introduce our new Restaurant Manager, Mr Bartosz Piskorz. Bartek has already impressed customers and team members alike and has a wealth of experience from successful London restaurants. But with his corny sense of humor and laid-back demeanor, we know he has found his true home at Mamuška! Welcome, Bartek!

HEALTH > ALL YOU NEED TO KNOW ABOUT WEIGHT GAIN

Tarta | £4.90

What says 'summer' better than a buttery shortcake base filled with wonderful seasonal berries and other fruits as they hit their peak? Ask your Service Star for the flavour on offer today.

Kremówka cream cake | £4.90

Our version of this Polish classic uses filo pastry top and bottom, and two glorious hand-made creams in the centre. A magnificent treat!

Chocolate Mousse | £4.50

This is a favourite of quite a few of our regulars and frankly, if we failed to put it back on the menu in the summer, there would be hell to pay. Absolutely perfect to savour with a shot of hazelnut vodka.

GRYCAN®  
LODY OD POKOLEŃ

## POLISH TONGUE-TWISTERS

**Czy rak trzyma w szczypcach strzęp szczawiu czy trzy części trzciny?** / chy rak chee-ma v shebi-pts-ab shtchemp shtchab-viu chy tsby che-sci tsb-ci-nee?/- Does a crayfish hold in its claws a piece of dock [the plant] or three pieces of reed? Let's get another round, this matter needs careful consideration and a thorough discussion.

**W czasie suszy szosa sucha.** / v cha-sie soo-shy scho-sa soo-ha / - A way is dry when there's drought. And a throat is dry, when the glass is empty. Or when you wake up not sure exactly where you are, blood-shot eyes, and your mouth feeling like Sahara desert... dessert? I'd devour a kremówka, wouldn't you?

**Gibraltar** /dzi'br:ita(r)/- sounds easy, no? Try it after a Jacob's Ladder.
