A guide to our practice

- The practice offers both NHS care and independent care.

- We have agreed with NHS Leeds to provide NHS care for adults and children. As from April 2006, we operate the charging structure in line with the NHS banding system

- The surgeries are fitted with modern equipment to ensure comfort and safety.

- All dentists ensure they keep up to date and regular attend courses. Our nursing staff are qualified or working towards qualification.

- We take cross infection control seriously. You can be confident that all necessary hygiene measures are in place to ensure your health and safety.

- We keep appointments free to deal with urgent problems, if you need an appointment at short notice please phone early in the day. We do however require 24 hrs notice for cancellations. If you fail to give sufficient notice or fail to attend on more than 2 occasions we are not obliged to arrange any future appointments at this practice.

- Most of our surgeries are on ground level with wheelchair access. We also have parking to the front and to the rear of the building.

An out of hours emergency service is available for registered patients. In the event of a dental emergency out of normal surgery hours please telephone the practice, our answer phone message will advise you how to proceed. Alternatively call 111 This is free from all landlines and mobiles.

The practice is open all day except lunchtimes between 1-2 pm so feel free to phone or call in
