

# Community of Sun Rivers Owner Association

## TRAFFIC & SAFETY COMMITTEE

- PURPOSE:** To explore and recommend to the CSROA Directors actions to address traffic and safety issues raised by the community members in consultation with experts as required, such as parking enforcement, traffic calming, lighting, crosswalks, security issues and school bus safety.
- FOCUS:** Road maintenance and traffic calming; discussions with RCMP and Corix.
- COMMITMENT:** The time commitment varies depending on current needs, however approximately 2-3 meetings per year, for 1 hour.
- Possibly some follow up time required, depending on tasks and availability.
- SKILLSET:** Knowledge and awareness of parking rules, traffic calming practices, roadway design and management safety strategies.
