

ABB/K-TEK

KROHNE

FLO-TITE
valves & controls

TITAN
TITAN FLOW CONTROL

REOTEMP
INSTRUMENTS

MIC Sales
PROCESS INSTRUMENTS & CONTROLS

Radar, laser, ultrasonic, RF, paddle wheel, vibrating fork, plumb bob, tdr, magnetic level gauge, float, magnetic switch, thermal dispersion level controls for bulk solids & powder measurement

Manufacturing and Development of Filtration Solutions

Dust bags and cartridges, liquid bags and cartridges, filter vessels

The legendary status of the Aquametric differential probe is the benchmark by which all of our sensors are manufactured.

Since 1956

Remanufacturer of Rosemount & Foxboro Instruments, Fisher Control Valves. 2 Year Warranty

Ph, Orp, Conductivity, Do, Turbidity, Suspended Solids Sensors

Tube Fittings: Brass, 316 S/S

Level controls for liquids and solids; dry flow & dust detection controls

Butterfly Valves (Manual & Automated), Actuators (Pneumatic & Electric), Positioners, Limit Switches

Control Instruments for Low Pressure Air & Gases, Mercoid Pressure Switches

Actuators (Pneumatic & Electric), Full Line of Industrial Carbon & Stainless Ball Valves, V-Port Control Valves, Multi-Port Ball Valves, & Tank Bottom Ball Valves; Trunnion Mounted Ball Valves, Media Containment Caps, Steam Jacket Ball Valves

A Subsidiary of BRAY INTERNATIONAL, Inc.

Full line of Carbon & Stainless Ball Valves

Gas detectors, sensors, alarm controllers, flame detectors, process monitors, calibration supplies, power systems

Control Valve Replacement Trim, Fisher, Masoneilan, Valtek

Instrument, Check, Relief & Regulating Valves

Industry leader in Solids Flow, Level & Moisture Measurement

Compressed Air, Gas Analysis, Vacuum Pump & Filter Regulators

Liquid Level Sensors, Transmitters, Indicators, Sanitary & Process Systems

KROHNE

Magnetic, Coriolis, Variable Area, Vortex, Ultrasonic, Viscosity Measurement Flow Meters, Radar & TDR Level Controls, Temperature Transmitters, Analytical Instrumentation PH, ORP, Conductivity, Turbidity, Dissolved Oxygen Sensors

REOTEMP
INSTRUMENTS

Industrial Temperature, Pressure & Test Gauges; Bimetal Thermometers, Sanitary Gauges, Thermowells, Chemical Seals, Thermocouples & Diaphragm Seals

MB MARSH BELLOFRAM
Group of Companies

Industrial Process Gauges, Bimetal Thermometer & Wells

RICE LAKE
WEIGHING SYSTEMS

Condec Pressure Instrumentation
Pressure Calibrators & Regulators

MAX SEAL
Valves & Controls

Actuator & Controls, Resilient Seated Butterfly Valves, High Performance Butterfly Valves, Manual Worm Gear Operator, Declutchable Gear Operator

SCHUBERT & SALZER
INC.

Innovative measuring and control technologies solutions for flowing media

NFM
NATIONAL FILTER MEDIA
Serving Industry Since 1969

Filtration & equipment specialists

SPENCE
Engineering Company, Inc.

Pressure & Temperature Regulators; Steam Separators & Traps; Control Valves

OmniSite

Remote Monitoring Solutions
Landfills, Waste Water, Water Plants, Industrial

Thermo
scientific

I/P Transducers; P/I Transducers

PBM
VALVE SOLUTIONS

Manufacturer of ball valves and specialty valves including Sanitary, Block And Bleed, Tank Bottom Valves For The Chemical, Pulp & Paper, Pharmaceutical Industry, Steel Industry, Food And Beverage to name a few

TITAN
TITAN FLOW CONTROL

High Quality Check Valves, "Y" Strainers, Basket Strainers, Duplex Strainers, Pump Protection Products & Fabricated Products

PIE
Practical Instrument Electronics

Calibrate and Troubleshoot Control Loops and Process Instruments

PRECISION
DIGITAL

Digital Panel Meters, Gauges, Scanners & Annunciators
