

Paul Lewis Joins Anderson & Vreeland as Account Manager

Paul Lewis joins Anderson & Vreeland, leading manufacturer and distributor of flexographic print technologies, equipment and consumables, as Account Manager for WA, OR, CO. MT, WY, Western ID and Reno, NV.

FAIRFIELD, N.J. ([PRWEB](#)) April 08, 2020 -- The appointment of Paul Lewis as Account Manager for Anderson & Vreeland, leading manufacturer of flexographic print technologies, equipment and consumables, is announced by Larry Dingman, Western Regional Sales Manager for Anderson & Vreeland Inc.

“Paul has over 19 years of experience in our industry” said Larry Dingman. “We look forward to leveraging his knowledge in the field to help our customers improve their LEAN process, increase production, and achieve their business goals,” he added.

Lewis will offer technical sales and support to A&V customers throughout WA, OR, CO. MT, WY, Western ID and Reno, NV.

Paul Lewis originally served as a firefighter in the United States Air Force and worked in law enforcement before moving on to the printing industry.

Working briefly as a pressman’s tender, and in pre-press, Paul moved up to selling, installing and servicing pressroom equipment. Having worked with inline vision inspection systems, plate mounters, material handling equipment, parts cleaners and numerous other pressroom machinery, Paul accumulated a wide background in the overall operations of the press area, equipment and production needs.

His most recent position was with Daetwyler as their west coast regional manager, focusing on doctor blades, anilox rolls and improved ink metering processes.

Paul is a Six Sigma Certified Green Belt and FIRST Certified as an Implementation Specialist Level III through the FTA.
