Dos & Don'ts

- PEEPS® in the Village is a family-friendly show. Peddler's Village reserves the right not to display an entry that is deemed offensive, controversial, inappropriate or poorly constructed and may remove entries based on guest complaints or damage.
- When constructing your project, please refrain from using hazardous materials, food, or spillable items such as liquids or dirt.
- TIPS
 - A strong idea is key. Sometimes the best entries are the simplest, yet most recognizable.
 - Keep your PEEPS® in a row! Craftsmanship can make or break the overall look of a project.
 - Fresh PEEPS® are more malleable if you need to mold. Leave your PEEPS® out a few days if you need them stiffer.
 - For different colors, edible cake paint can color your PEEPS® without damaging them.
 - Dip scissors in water to cut down on stickiness.

WALL ART RULES

Make a PEEPS® marshmallow masterpiece! You can recreate a favorite painting, plan an original work, or mosaic an intricate pattern. Wall art should be 2-dimensional, on a sturdy, yet lightweight board (foam core recommended). The size should not exceed 2 feet wide x 2 feet wide. These entries must be made up of 75% PEEPS® marshmallow.

DIORAMA RULES

A diorama is a way to build an exciting scene in a small space. You can depict a time in history, a nature scene, a slice-of-life scene, or even recreate a favorite movie scene with the starring roles played by PEEPS®! Your diorama should be housed in a box no bigger than 18" wide x 18" deep x 18" tall.

SCULPTURE RULES

Sculptures should be free-standing and transportable. They should not need to be anchored to a ceiling or wall. You can be creative with how you construct your sculpture as long as the visible exterior is made up of 75% PEEPS® marshmallow and the overall sculpture does not exceed 3 feet wide x 3 feet deep x 4 feet tall.
