Choir from Curwen sells out the O2 Arena

The Choir of Curwen Primary School hit all the right notes when it performed at the O2 Arena.

Curwen performed at the Young Voices' O2 Arena Concert on Friday, 20 January 2017.

They joined 7,810 of their fellow pupils from over 180 primary schools on the night in a combined choir and sang *Birdhouse in your Soul, You're the Voice, Over the Hills*, as well as a medley of folk songs from the British Isles among other song. The choristers also danced during the South African *Maliswe* and joined in with the Beatbox Collective to perform *Sing*.

This is the second consecutive year the Curwen Choir, which has been practicing since September, has swelled the ranks of the Young Voices

concert.

"Our singing was just one part of the performance. There was also the lighting show and dancing as well. All this when put together made it a night to remember." said Swasthi Mahabeer, the choir teacher.

The Young Voices concert series runs all around the country, throughout January and February. The power of school choirs singing together as one, is combined with accompaniment from a wide range of musicians and artists.

This year, the pupils performed with Natalie Williams, a favourite at the famous Ronnie Scott's Jazz Club, The Beatbox Collective and X Factor talent Tabby Callaghan. Following the event, Tabby wrote on Twitter: "This week this place took on a whole new

meaning for me at The O2. Was a blast to share the air with such wonderful people at Young Voices concerts."

Performing with a full live band, backing singers and the internationally acclaimed conductor David Lawrence, this makes for an enormously exciting and memorable musical experience for the young singers.

Naomi, a Year 5 pupil, said: "We had an awesome time again. It is my second time at Young Voices and I want to do it again next year."

The next outing for Curwen Choir will be in July at the Newham Festival of Voices. They will be joining the choirs from other Newham schools to take the stage at the Hackney Empire.

Procurement and Contracting Support - Training

NPW is offering a one day workshop on Thursday, 2 March 2017 at Francis House.

The session, led by Louise Malina, provides a "hands on" approach to procurement using practical exercises and will assist all schools with developing procurement policies, understanding due diligence and ensuring they are compliant with UK, EU and other contracting rules.

Schools who have purchased the NPW Procurement and Contracting Service are automatically entitled to a free place. Those schools who have not purchased this service are welcome to attend, the cost is £149.00 (plus VAT). Should schools subsequently purchase the service then this sum will be refunded.

The course includes training materials, lunch and other refreshments throughout the day.

Please contact Louise if you would like to reserve a place on the course or learn more about this vital service to schools at louise.malina@npw.uk.com

EVC Network Meeting and EVOLVE Tutorial

The next EVC Network meetings will be held on Tuesday, 21 and Monday, 27 March 2017 (09:00-11:00).

Incorporating practical tasks to refresh your knowledge of visits, this meeting will update you on guidance changes and practice. As always, a session not to be missed.

You are only required to attend one session and both will be held at Francis House. The session is free to Newham LA Schools and those schools/settings which have purchased the NPW Education Visits Support Service. Please note that failure to attend the session booked or cancellation without sufficient notice will incur a £50.00 charge.

PLACES ARE STRICTLY LIMITED: To reserve a place please email [Jenny Mwangura](mailto:jenny.mwangura@npw.gov.uk) who will ensure you are added to the register. Please ensure that you state clearly which session you wish to attend.

If you have any questions regarding the Network or educational visits generally then please do not hesitate to contact Alan.

The session on Monday, 27 March 2017, will be followed by an EVOLVE Tutorial, from 11:00-12:00 noon. The tutorial will focus on answering your questions, ensuring that you are able to use your account and set-up on the system, and how you can use the EVOLVE online management system and to best effect for your school's educational visits.

Introduction to Health & Safety at Work

Services for schools, owned by schools

This training course will explain the Health and Safety Management Systems used in schools and other educational settings.

The course will be held at Francis House, on Wednesday, 22 March 2017 between 09:30 and 15:30. Lunch and beverages provided

The course has been primarily designed for new head teachers, heads of establishments and senior school managers and may benefit deputy head teachers acting in the absence of the head teacher during the school year or other members of the leadership team with a health and safety remit.

The course will incorporate:

- Clarification of the responsibilities of the head teacher or person acting in their absence
- An introduction to health and safety legislation relating to schools and other educational establishments
- The role of Corporate Health and Safety
- The role of NPW
- Guidance on the duty to manage asbestos
- Briefing on health and safety management system used in schools
- Workshop and introduction to risk assessment

This course is offered free of charge but please note there is a no-show/late cancellation charge of £100.00 per person to cover administration, refreshment and tutor costs. To attend please email [Jenny Mwangura](mailto:jenny.mwangura@npw.gov.uk)

The Role of the Educational Visits Co-ordinator

It is crucial that all schools have a designated member of staff to co-ordinate Educational Visits (of all types). The member of school staff designated as the EVC should be specifically competent in key areas, including:

- Health and safety policy and procedures, common sense and proportionate approaches to managing risk benefits.
- Implementing appropriate preventive and protective measures
- Providing appropriate training and information
- Preparing for emergencies, including recording and reporting accidents
- Evaluating, monitoring and reviewing procedures and arrangements regularly

This one-day session, delivered by Alan Merry, will cover all the legal responsibilities for schools around educational visits, and will give specific training to EVCs using a range of strategies including discussion,

presentation and workshop activities.

Designated EVCs will know national and local procedures, and will be able to prepare and implement school procedures for approving and evaluating visits:

- making contracts with external providers
- managing financial records for educational visits
- keeping parents informed

Date: Wednesday, 8 February 2017 (**limited availability**) and Wednesday, 26 April 2017

Time: 09:30 – 15:30

Venue: Francis House (lunch included)

To reserve a place on either of the training sessions above please email [Jenny Mwangura](mailto:jenny.mwangura@npw.gov.uk)

EVOLVE use is still growing, with more than 1,180 users signed up from our schools. To register to use EVOLVE, contact Alan Merry, Geetha Unnithan or Jonathan Parr, who will send you your login details and starter guide and help with any queries.

Primary Arithmetic - challenges and opportunities in the curriculum

The Course:

- What are the biggest changes in curriculum expectations when teaching arithmetic?
- What does the progression in arithmetic look like across KS1 and KS2?
- How can we involve parents?
- What are the expectations of the KS1 and KS2 Arithmetic papers?

This is a two day course which will give teachers time to consider the progression and approaches to teaching arithmetic including whole numbers, fractions, decimals and percentages. Attention will be given to the formal methods of completing calculations and specific areas addressed in the new arithmetic papers.

During the day, we will be referring to your school's Calculation and Maths policies – please bring these along. We will also be discussing expectations of the KS2 Arithmetic Paper and the mark scheme.

The Trainers:

Carlton Colthrust, an experienced and dedicated maths teacher, will be delivering the session along with Michele Zylstra, an Assistant Head Teacher at Essex Primary School and NCETM PD Lead.

Core Maths Workgroup

All schools and colleges have a responsibility to prepare students for the modern workforce and the needs of their wider lives. It is often the case that students with a GCSE A*-C who do no maths in Years 12 and 13 need remedial maths at university or in their careers. With this in mind, the London North East Maths Hub are offering this course to help prepare students for the core maths exam.

Aims:

08/02/17 - Teaching the new Financial Maths contents within the Core Maths syllabus

- To highlight the importance of personal finance competency for young people
- To explore any gaps of knowledge in teachers within the topics of personal finance (those not featured in GCSE or A-level teaching)
- To showcase projects/activities relating to personal finance, including the leave home project, the lifetime project and build/buy/rent project

15/03/17 - Reinforcing percentage calculations in preparation for handling financial math

- To explore teaching percentages with the Core Maths ethos
- To link with the relevant GCSE contents but stretching beyond, focusing on the application of different percentage calculations.
- To look into how percentages have been used in different financial contexts (e.g. mortgages, loans and investments)
- To analyse the financial maths part of the AQA pre-release material

27/06/17 - Effective Assessment practices for financial maths in Core maths

- To look at a range of formative and summative assessment for the personal finance of Core Maths
- To review Core Maths examination 2017
- To look ahead into the next academic year.

The Trainer:

Lily Tang is a Level 3 Core Maths Lead for North London, working with CMSP (Core Maths Support Programme) to promote Level 3 Core Maths in the seven boroughs in North East London. Core Maths (www.core-maths.org) is an AS equivalent qualification and a course with a lot of real life problem solving, personal finance, data analysis, estimation and modelling- skills that students would need in work, life and employment.

Lily is based at Cambridge Regional College in Cambridge, but travels frequently in London for school visits and supporting teachers in planning and teaching the qualification. Currently she is supporting schools such as Warren School and working with Leyton Sixth Form College.

Well-being for school staff A Mindfulness Workshop

Facilitator: Louise Picton

Counsellor and Clinical Supervisor at the Brentwood Catholic Children's Society (BCCS)

Louise has worked in schools for 18 years in an educational and therapeutic capacity. After training to practice as a child and adolescent counsellor she became interested in bringing her 25 years of meditation experience to clients. Mindfulness proved to be an accessible way to do this and she has since opened up this training to school staff.

A happy, well-motivated staff is an essential ingredient in a high functioning school. The Health and Safety Executive have cited teaching as being among the top 5 occupations affected by work-related stress with 70% of teachers saying their health has suffered because of their job. An increased ability to deal with the stress and emotional intensity of the job can improve teacher/student relationships along with personal well-being.

Mindfulness/meditation practice can help school staff to change the way they think and feel about their experiences – especially stressful experiences. Mindfulness exercises are ways of paying attention to the present moment, based on techniques centred on meditation and breathing. Recent research from the University of Oxford shows that people who regularly practise mindfulness/meditation can achieve reductions of nearly 60% in their anxiety levels and 40% in their overall stress. Research explicitly carried out on teaching staff who have adopted a mindfulness practice has indicated a reduction in 'burn-out' and an improvement in classroom performance.

Mindfulness in schools has tended to focus on students – this introductory workshop aims to address school staff. It will provide a brief overview of the theory behind mindfulness/meditation and an opportunity to sample some of the techniques that form part of a regular practice. This largely experiential morning is aimed at all primary and secondary school staff to include TAs, pastoral staff, heads of year as well as teachers. Attendees will participate in practices which they can take away and use at home and at school – in time they may even wish to share them with their students.

Feedback from delegates:

"Louise's delivery was very relaxed and open and made the theory and practical aspects of mindfulness very accessible."

"I would recommend it to anyone."

"Thank you so much for giving us strategies to learn how to take a step back from situations in class and how breathing techniques can help calm situations."

"Great trainer. Very relaxed, knowledgeable and engaging."

"I really enjoyed myself and hope my school will set up a group"

St. Edward's Catholic Primary Teaching School Alliance

Supporting Young People in the Secondary Education Setting

Facilitator: Catherine Munns

- Lead Training and Development Co-ordinator and Counsellor, Brentwood Catholic Children's Society (BCCS)
- Team Leader, Child and Adolescent Mental Health Service (CAMHS) (2008-2015)

Catherine studied at the Tavistock Clinic and has a Post-Graduate Diploma in children's mental health. She is also a fully qualified Counsellor with extensive experience of working with children, adolescents and families. During her role as Team Leader at CAMHS, Catherine began to deliver training to schools.

Co-Facilitator: Louise Picton

Counsellor and Clinical Supervisor at the Brentwood Catholic Children's Society (BCCS), Louise has worked in schools for 16 years in an educational and therapeutic capacity.

Schools are increasingly challenged with understanding the complexity of children and young people's emotional health and wellbeing. In addition to supporting pupils' emotional health and wellbeing, schools are also tasked with the responsibility of promoting academic achievement.

This half-day Workshop is aimed at all Secondary School staff with a view to empowering you "to be part of the response". The focus of this workshop will be on:

(a) Identifying and understanding the unconscious processes children and young people engage us in, and the ways in which we can respond; and

(b) Promoting healthy staffing bodies by supporting staff to understand the complex unconscious processes which we can become engaged, and immersed, in.

Helping staff to navigate, and 'tune in' to, the subtleties of challenging and de-skilling interactions with young people will undoubtedly result in the young person responding more positively to their teacher; their setting; and this will translate into their ability to learn. I hope that the additional upshot of understanding such interactions will be that your staff will feel calmer, self-aware, upskilled, and in a better position to help.

Feedback from recent workshops run by Catherine Munns:

'Excellent course. Highly recommended to other colleagues who work within schools or other child-centred professions.'

'This is one of the best training courses I've attended in the last three years.'

'Catherine was very tuned into how we were feeling and gave excellent targeted support for us.'

'Well put together ... I felt very confident in Catherine's knowledge and ability.'

"Schools need to have a clear awareness of the extent and nature of mental health problems in children and young people and of their responsibility to be part of the response, not least because these problems do not go away. Half of lifetime mental illness starts by the age of 14."

Deputy Heads' & Aspiring Deputy Heads' Conference

For Nursery, Primary, Secondary & Special Schools

24th February 2017 from 8:30 – 4:00

at

Chigwell Hall, Chigwell Hall High Road, IG7 6BD

Theme: Planning for Lean Times: how to use finances effectively to ensure excellent outcomes for all

Schools and settings are facing ever more challenging circumstances each year, but receiving less and less funding. This day will give you the opportunity to reflect upon:

- How you use funding and resources creatively to ensure consistent excellent outcomes for all children.
- How to ensure you get the best out of what is available to you and your school.
- Where to go for support and ideas.
- How you lead others in turbulent times.

This essential conference for Newham Deputy Headteachers across all phases of education gives you a chance to:

- network and learn alongside other leaders
- hear from high quality keynote speakers
- share best practices and dilemmas

PROGRAMME

08:30 – 09:00	Breakfast and networking
09:00 – 11:00	Keynote - Lorraine Cooper, from The Larian Consultancy
11:00 – 11:15	Break
11:15 – 12:15	Leading Others in Turbulent Times, session 1 – Margaret Allen
12:15 – 13:15	Lunch and networking
13:15 – 14:15	Leading Others in Turbulent Times, session 2 – Margaret Allen
14:15 – 14:30	Tea Break
14:30 – 15:30	Learning conversations led by existing Headteachers
15:30 – 16:00	Evaluation and ideas for next the session

About the speaker

Lorraine has worked with many different clients from the public and private sector on a range of projects, including developing financial and business planning skills in leadership and training and development in business planning, budgetary setting techniques and financial awareness. Colleagues in Newham have always found her sessions extremely informative and relevant to schools.

If you're an experienced middle or senior leader who's interested in supporting middle and senior leaders in other schools, you may wish to apply to become a specialist leader of education (SLE).

Teaching school alliances are now able to recruit on a rolling basis.

To apply to become an SLE, please:

- contact Chantal Pampellonne (chantal.pampellonne@st-edwards.newham.sch.uk) directly to request an application form.
- get a supporting reference from your current headteacher

To become an SLE, you need to have been in a leadership role other than headteacher for at least 2 years. Your headteacher will be asked to confirm that you're in an appropriate role. Higher level teaching assistants are not eligible to apply.

Payment

Discussions on payment for SLE support will be held at a local level between St Edward's, the supported school, the SLE and SLE's home school.

East London Primary Geography Bee 2017

Dear Primary School Geography Coordinators

Once again, Elmhurst Teaching School Alliance are hosting a Primary Geography Bee this academic year. The date for the Geography Bee is Thursday 9th March 2017, at Elmhurst Primary School. It would be fantastic to have as many of your schools as possible taking part; we have a maximum capacity of 20 schools, and this year, we will be welcoming competitors from outside of the borough as well (although priority is given to you, and you are receiving this invitation a week before we extend it further).

As before, the competition is for THREE Y5 pupils, who must be accompanied by an adult on the day. Whilst you are welcome to have reserves, they will not be able to take part in the Bee itself unless they are substituting for absent pupils in the main team.

To sign up for this years competition, please email back to Jonny Walker, the Specialist Leader in Education for Geography at Elmhurst, on jwalker@elmhurst.newham.sch.uk

The cost per school will be £100, and once we have a full list, Fahmida - our ETSA Administrator - will Invoice your schools for payment. Please ensure we have the correct details for you school's finance person for when we chase up the payment.

Please send Jonny the following information

Name of School -
 Name of Lead Teacher -
 Email Address of Lead Teacher -
 Name of School Finance Officer -
 Email Address of School Finance Officer

Signing up is a FIRST COME FIRST SERVED basis, so please reply to me with this information as soon as possible to secure your place.

Teacher of Biology

Newham Collegiate Sixth Form College

Start date: September 2017
Salary: MPS/UPS
Location: Newham
Contract type: Full time
Contract term: Permanent

Newham Collegiate Sixth Form Centre (the 'NCS') is a dedicated sixth form centre established by a group of nine Newham 11-16 schools. The NCS opened in September 2014 in iconic Grade 2 listed buildings on the East Ham Town Hall Civic Complex, having been fully renovated to a high standard with nine new science laboratories and spacious teaching classrooms. Our first year A2 results were outstanding with 77% A/B and 96% A/C, and we are predicting 2017 results to be 85% A/B and 95% A/C. We have recently been judged 'Outstanding' in all categories by Ofsted with no areas for improvement. The centre provides a stimulating education and personalised curriculum within a supportive environment in which students are encouraged to stretch themselves to achieve their potential. The NCS offers an academic A Level Curriculum with a specialism in Sci-ence and Maths, alongside pathways in Hu-manities. The A Level Curriculum and the

extra-curricular programme will be focused on preparing students for progression to selective and Russell Group universities.

The NCS is currently looking to appoint an inspirational and motivational teacher of Biology with the ability to deliver high quality lessons and achieve excellent results. This is an exciting opportunity to work with the Head of Biology to establish and design the curriculum and student offer as well as assisting the most able students in Newham and surrounding boroughs achieve their true potential.

The successful candidate for the Biology role will:

Hold DfE Qualified Teacher Status and a relevant undergraduate degree.
Share our vision that there is no ceiling to achievement and believe in the transformational nature of education.
Have experience of teaching A level Biology or demonstrate a strong desire to develop the skills and knowledge to do so. We also welcome applications from high quality NQTs.
Have a proven track record of successful learning and teaching.
Have a passion to share their academic interests as part of our innovative super curriculum.

Have the ability to draw upon their professional/educational background to demonstrate their ability to successfully teach Biology to A level standard

The role will provide the opportunity to work with the Head of Biology to establish Biology in a dedicated sixth form centre and help build an expert staff team as the NCS grows and develops. We are looking for knowledgeable and expert candidates to start in September 2017.

Application form and further details please apply on line at <http://ats-npw.jobsgopublic.com/vacancies/view/26118-teacher-of-biology?source=1120-npw-newsletter>

Head of Biology

Lister School

TLR 2B

Required for September 2017

1. Do you really believe that non-selective schools can provide as high quality an education as any other school in the country?
2. Are you passionate about high quality teaching?
3. Do you want to work in a school where they ask every day 'what is the best way to do this'??
4. Is your own teaching outstanding, and do you have the skills and knowledge to help others develop their teaching?
5. Are you resilient, imaginative, thoughtful, conscientious and determined?
6. Do you treat staff and students the way that you expect to be treated yourself?
7. Are you continuously on the lookout for examples of outstanding practice which your institution can learn from?

An exceptional school: Our vision is a world class education for young people in Newham. Lister is a large 11-16 comprehensive school at the heart of its community. Our November 2013 Ofsted report spoke of the school's 'consistent focus on raising the quality of teaching and developing a culture of learning and high aspirations across the school'. Recognised as one of the most improved schools

in the country (DfE, January 2014) this is reflected in our sustained drive to become an Outstanding school with our Progress 8 at +0.54 and 5(A*-C) including English & Maths at 65%, the sixth consecutive year this has increased.

The school benefits from a range of external partnerships including becoming the first partner school in the Music in Secondary Schools Trust, supported by the Andrew Lloyd Webber Music Foundation and the Charles Wolfson Charitable Trust, and working in collaboration with Highbury Grove School in Islington.

A positive impact: Our students are courteous, motivated and have high aspirations. You would be working in a school where 61% of students are identified as Pupil Premium and around 60% with EAL, where staff are committed to addressing educational disadvantage.

Opportunity for further impact: In 2016 84.4% students in GCSE Additional Science made expected progress and 47.4% made better than expected progress. Progress in triple Science (Biology, Chemistry and Physics) surpassed this with an average of 95% achieving expected progress and 69.7% achieving better than expected progress, providing our students with access to the best colleges.

The chance to develop: Work alongside colleagues with high

expectations, engage with a broad range of exceptional CPD tailored to your own professional development. Subject specific CPD includes working alongside the Institute of Physics, Physics factory and the Royal Society of Chemistry. Work in a team that provides real potential for career progression.

As part of our continued focus to further develop impact on student progress we are seeking to appoint a passionate Science Teacher to join our dedicated Science team.

Application form and further details please apply on line at <http://ats-npw.jobsgopublic.com/vacancies/view/26180-head-of-biology?source=1132-npw-newsletter>

For technical enquires please call 020 8249 6946. For any other enquiries please contact the school directly.

Closing date is 9.00am on Wednesday 1st February 2017. Interviews: Monday 6th February 2017 subject to applications.

The schools in Newham are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. A disqualification declaration questionnaire maybe required for this post.

PSHE / Citizenship (Wellbeing) Teacher

Education Links

Salary Details: Spinal Point 28 - 30 which is £28,289.70 - £30,015.54

Education Links is more than just a school! We educate students aged 11-16 who have been excluded from their mainstream school either permanently or for short intervention. Most of the children that are here on short term placements, after an intense programme of mentoring, go back to their mainstream school. Students who are permanently excluded stay with us and are able to obtain up to 5 GCSE's. We offer

vocational skills certificates so that the student when leaving have a variety of options at hand.

It is of the utmost importance for us that we place the correct teachers with the right qualifications to work with our students. We are currently looking for a teacher to deliver PSHE / Citizenship (Wellbeing) which the students will find dynamic and engaging.

We are looking for someone who wants to make a real difference for a living; as an employer Education Links you will be offered support, resources and a friendly long standing staff team all with the same aim.

To download the application form, JD and Person spec please visit the vacancy section of our website at <http://www.education-links.org/>

If this sounds like you, please apply using the school application form and send to Office@education-links.org

A career at Winsor Primary School... a future working with extraordinary children within an exceptional team willing to go the extra mile. **If you are "extraordinary" and want to make a difference – we want to hear from you.**

Winsor is a happy and vibrant school located in Beckton, East London. We are a dynamic and supportive school, providing children aged 3 to 11 with a robust and rigorous education. Our vision is to create an environment that is purposeful, inclusive and engaging at the heart of our culturally rich and diverse community. Winsor is a place where children grow into resourceful, independent learners; a school where pupils develop a thirst for learning which will stay with them throughout their lives.

We are looking for talented and ambitious support staff who are dedicated to helping our pupils reach their full potential including our children with more complex needs. The right candidate needs to be an innovative practitioner with a passion for achieving outstanding outcomes for all. If this sounds like you, we would love to invite you to meet our amazing pupils.

What can we offer you?

- Detailed Induction Programme
- Approachable and transparent leadership
- An opportunity to work in a positive and happy environment
- A strong working partnership between teachers, parents and the local community
- Support and training that the successful candidate wishes to undertake (alongside required training needs)
