

We have a washroom range to suit every style and situation...

Kinder

Low-height cubicles in vibrant colours and shapes

Junior system

Robust kids' cubicles with shaped doors and partitions

Classic

Versatile modular HPL system, ideal for busy areas

Challenger

SGL system for ultimate durability

Altitude

Floor to ceiling aesthetics for increased privacy

Aspect

Contemporary designs with flowform aluminium pilasters

Vista

Luxury flush-facade cubicles

Washroom Additions

Duct panelling, vanity units, lockers and benching

Each range is manufactured to suit specific project requirements and is delivered pre-drilled in easy install form. Our systems have been developed by working closely with architects, designers, specifiers and contractors over the last 40 years. Attention to detail, quality and (above all) client care and service are included as standard.

ON TIME. IN FULL.
EVERY TIME.

Luxury flush-facade cubicles

Luxury flush-facade cubicles
