OGG DESIGN JEWELRY BARCELONA

As a gemologist and jewellery designer, Béatrice Oggier founded the jewellery brand OggDESIGN in 2010 drawing from her passion for gemstones to deliver unique and timeless creations. Each piece of fine jewellery is made in Barcelona with local craftsmen, often capturing the city's art and architecture in design. Her latest Eden Collection, inspired by nature, is highlighted by the Eve Necklace - an enticing snake pendant on a multicoloured stone chain. This symbolic piece tempts and captivates with its slender, graphic beauty.

Join the fight against ageing today and create beauty from within with PureHA. 17mg of HA in every sachet and now with added Vitamin C. Simply add to water and drink. As sold in Waitrose.
