PROMOTING ENERGY EFFICIENCY

in Buildings & Industry **EiBI**

## EDITORIAL PROGRAMME 2020

Month	Contents	CPD Training Module	Editorial Deadline
January	Monitoring & Metering	Compressed Air	06/12/2019
	Energy in the Public Sector		
	Drives & Motors		
	Heat Pumps		
February	Lighting Technology	Energy Purchasing	10/01/2020
	Combined Heat & Power and District Heating		
	Heat Recovery & Ventilation		
March	Heating Technology	Space Heating	7/02/2020
	Electric Vehicles		
	Water Treatment & Management		
	Smart Buildings		
April	Boilers & Burners	Data Centre Management	6/03/2020
	Building Energy Management Systems		
	Compressed Air		
May	Energy Efficiency in Universities	Energy Efficiency Legislation	10/04/2020
	Air Handling		
	Batteries & Energy Storage		
June	Heat Pumps	Building Controls	8/05/2020
	Energy in Hospitals & Healthcare		
	Data Centre Management		
	Indoor Air Quality		
July/August	Monitoring & Metering	Smart Grids	12/06/2020
	Demand Side Response		
	Energy Efficiency & Well Being		
	Combined Heat & Power and District Heating		
September	Heating Technology	Lighting Technology	7/08/2020
	Humidification/Dehumidification		
	Smart Buildings Show Preview		
October	Building Energy Management Systems	Heat Pumps	04/09/2020
	Lighting Technology		
	Water Treatment and Management		
	Batteries & Energy Storage		
November/ December	Boilers & Burners	Metering & Monitoring	9/10/2020
	Data Centre Management		
	EMEX 2020 Preview		

\*CPD Training Modules are produced with the Energy Institute.

### CPD Modules for 2021:

JANUARY - Air Conditioning; FEBRUARY - Boilers & Burners; MARCH - Behaviour Change; APRIL - Combined Heat & Power
