

PHOENIX STS

your safety first

Statement of Safety Policy

It is the policy of Phoenix STS to provide a safe and healthy environment in which our employees, visitors and customers can carry out their business. We firmly believe in and are committed that our operations are carried out in a way that ensures the health and safety of everyone.

Management vigorously supports participation in the programme by all employees and provides proper equipment, training and procedures. To this end Phoenix STS is committed to complying with relevant safety and health legislation, Codes of Practice and guidelines.

Employees are responsible for following all procedures, working safely and wherever possible, improving safety measures.

An injury and accident free workplace is our goal, and this can be accomplished through continuous safety, vigilance and loss control.

Each member at every level, including management of Phoenix STS are responsible and accountable for their actions in the company's desire to achieve overall safety in its daily operation. Complete and active participation by everyone is necessary for the safety of all, every day and in every job.
