STUDENT Career Day

In conjunction with

Produced by

Student Career Day offers automotive students at the high school and college level an opportunity to learn about career possibilities and scholarship opportunities.

At the Student Career Day presentation, experts from different segments of the automotive industry discuss where automotive students' talents can take them, while representatives from schools and universities offering automotive curriculum and scholarships will show them how to get to where they want to be.

Over 15,000 students across North America participate in the Student Career Day annually.

PEDAL CAR CHALLENGE

Returns to Select Cities

The Pedal Car Challenge presented by Summit Racing Equipment is a great opportunity for a team of automotive students to apply their technical skills in a hands-on project that involves planning, design, creativity, productivity and resourcefulness.

Participating schools will be given one pedal car from Summit Racing Equipment to customize and then show at their local upcoming World of Wheels

You must pre-register your students for Student Career Day. Please visit WorldOfWheels.net for registration information or contact Deborah McLean at (205) 655-4950, Email: deborah@worldofwheels.net
