Mr Harold Stauble
Managing Director
H.J. Stauble Limited
3-5 Maharaj Avenue
By-Pass
San Fernando

We are pleased to recommend H.J. Stauble Limited of 3-5 Maharaj Avenue, By-pass, San Fernando, as a service provider. They have proven their capabilities to undertake a variety of large scale projects and other services simultaneously.

H.J. Stauble Ltd has been a provider of on-site general plant maintenance involving the supply of fabricators, welders, fitters and supervisors to Nu-Iron for the past 2 years, their experienced personnel and qualified team have also provided structural fabrication work for various projects at N-Iron.

H.J. Stauble Ltd to date has completed all assigned projects to the highest standard required by Nu-Iron, including safety and punctuality.

Nu-Iron again has no hesitation in recommending H.J. Stauble Ltd as a service provider for present and future projects.

Sincerely
NU-IRON UNLIMITED
