STICKS | N | SUSHI

Sticks'n'Sushi is centered around the Japanese cuisine but with a distinct Nordic twist, served in beautiful surroundings.

IF YOU MIX NORDIC AND JAPANESE, WHAT DO YOU GET?

The answer is Sticks'n'Sushi – a sushi restaurant even for those who do not like fish. Sticks'n'Sushi serves high-quality, fresh food based on a unique combination of traditional Japanese sushi and yakitori sticks from the grill, with a Nordic twist. For those less keen on fish, there is a selection of chicken, pork, beef and vegetable skewers, all grilled fresh to order.

Vegetarians and vegans are welcome, too. The restaurant boasts a beautiful interior mixing Danish and Japanese design and a large roof terrace.

The Hotate Kataifi with fried scallops wrapped in crispy kataifi strips and served with miso aioli and trout roe is an unmissable starter.

We are a family caf business (caf not café) doing a mean all-day food and drink offering.

We are The Breakfast Club & brunch is where we hang our hat. Where the great British breakfast meets the iconic American brunch. Think pancakes, think benedict's & think waffles, but also remember - our heart is that of a caf - there is magic in a humble bacon butty.

An Indian home kitchen

Mowgli is all about how Indians eat at home and on their streets. She was born to feed the raw need Indians have for tiffins full of fresh, bright, intense flavour. Mowgli is not about the intimate, hushed dining experience. It is about the smash and grab zing of healthy, light, virtuosic herbs and spices.

The simple dishes of a Mowgli menu are a million miles away from the curry stereotype. These dishes convey the truth that real Indian food is extremely healthy, often vegan and always packed with fresh flavour.

Mowgli Paneer

Prep: 10 minutes

Cook: 35 minutes

Serves: 4

INGREDIENTS

4 tbsp vegetable oil
1 tsp cumin seeds
1 green chilli, pierced
2 white onions, finely diced
5 garlic cloves, minced
5cm/2 inch piece of fresh root ginger, peeled & grated
½ tsp ground turmeric
¼ tsp chilli powder
1 tbsp garam masala
¼ tsp ground fenugreek
3 tsp tomato puree/ paste
200g/7oz canned chopped tomatoes
1 tsp salt
1 tsp sugar
200g/7oz spinach, washed and drained
250g/9oz paneer
½ bunch of fresh coriander
2 green chillies, deseeded and thinly sliced

METHOD

1. Put the vegetable oil in a large non-stick frying pan set over a medium-high heat. When hot, add the cumin seeds and fry until they turn dark brown and release their aroma. Add the green chilli and diced white onions and fry for 3 minutes, then add the garlic and ginger and fry until the onions are translucent.
2. Add the ground turmeric, chilli powder, garam masala, ground coriander, ground fenugreek and tomato puree and stir until everything is fully combined.
3. Add the chopped tomatoes, 200ml/7fl oz of water, salt and sugar, bring up to the boil, then reduce the heat to low and continue to cook gently for 15-20 minutes, stirring occasionally, until you have a thick and creamy sauce.
4. Add the frozen peas and spinach and cook for 2 minutes until the spinach has wilted, then add the paneer and stir well. Continue to cook for 3-5 minutes until the paneer is soft and giving, but no longer as it will become dense and tough.
5. Finish with the fresh coriander and green chilli just before serving.
