Accreditation Body: IASME Consortium ®

CYBER ESSENTIALS

This Certificate certifies that the organisation named was assessed as meeting the Cyber Essentials implementation profile published in February 2017 and thus that, at the time of testing, the organisations ICT defences were assessed as satisfactory against commodity based cyber attack. However, this Certificate does not in any way guarantee that the organisations defences will remain satisfactory against cyber attack.

IASME Consortium ®

This Certificate certifies that the organisation named was assessed as meeting the IASME Governance Standard v4 published in April 2016 and thus that, at the time of assessment, the organisation's governance was assessed as satisfactory against this standard. However, this Certificate does not in any way guarantee that the organisation's defences will remain satisfactory against cyber attack.
