

## Are you our new Junior Management Consultant?

### We do it right!

We are looking for exceptional talent that just like us want to deliver client value and commit to the success of our customers.

To the right candidate we offer a steep learning curve in a fast pace and fun environment. As an analyst you will work in teams, taking initiative and adding value to our clients through strategic procurement projects. Your opinion and ideas will actively contribute to the future development of PIR.

You probably have a masters degree from a university in Sweden or abroad and to be successful in your role you possess:

- Strong analytical skills
- Ambition and drive
- Fluent verbal and written communication skills in Swedish & English

We are looking for **Analysts** to join our team of management consultants
