A NEW WICKER COLLECTION BY  **Yellow Goat Design**

An imaginative tour to a tropical island, Yellow Goat has found inspiration in the simple beauty of the Balinese Islands, their beaches and nature. Our newest wicker collection nestles the swift breeze, lush landscapes, and warm tones of these islands into urban settings. Inspired by the lifestyle, each piece is a bit of paradise in a hospitality, resort, workplace or home setting. Made from natural or synthetic wicker, the perfection of a sunny beach, warm sand between your toes, temple bells or crisp turquoise water is captured in each design.

The flower offerings prepared for Shiva spread across the island in the form of our Sanur pendant. We dressed each pendant in a jewel necklace, a souvenir kept for ourselves, a further talisman from the sun god.

Materials: Peeled Bamboo, Powder-coated steel
