Sainsbury's Active Kids 2012 Packs

County collected vouchers and we 'bought' stilts, hoops, balls, skipping ropes etc. to be donated to a Rainbow unit as a 25th birthday present.

Tina Ives/Deb Millican nominated 3rd and 4th Rainbows to receive the packs as they were in need of play equipment.

Cath Naylor took the packs and presented them to the girls, who were delighted as you can see in the photo below.

The BIG GIG was at the Motorpoint Arena in Sheffield on 6th October. The Guides had a brilliant time and enjoyed watching JLS, Little Mix and Scouting for Girls.

They also enjoyed shopping at Meadowhall!!

Hinderton Guides had a sunny weekend at Waddow for their BP Adventure.

They covered Waddow in dust as they did soapstone sculpture to rival Henry Moore....

The Jacob's Ladder was fun and the girls worked as a team to get to the top (although some took longer than others)

The Guides were cleaning up the mess they had made in the stables where they were staying and found that the Hoover dated from 1952 and it still worked!
